135 Crash Description

Vehicle 1 and 2 were traveling in the parking lot of Walmart (1872 Route 88) with Vehicle 1 in Row #2 facing south and Vehicle 2 in Row #1 facing north. Both vehicles backed from their respective parking spaces during which time Vehicle 1 and Vehicle 2 collided. Brick Police EMS were summoned to the scene for the complaint of abdominal pain to a juvenile passenger of Vehicle 1. No other injuries were reported at the scene and medical attention was refused by the parent (Driver 1) of the juvenile passenger. Impact resulted in damage to the rear of Vehicle 1 and no visible damage to the rear of Vehicle 2.

Driver 1 stated that she checked for oncoming traffic in both directions prior to backing and asked her daughter, a juvenile seated in a front facing booster seat behind the passenger seat, if any additional vehicles were approaching. The juvenile advised of "one more" which subsequently passed. Driver 1 stated that she did not see Vehicle 2 which was directly behind Vehicle 1.

Driver 2 stated that traffic was clear and she proceeded backing from her parking space. Driver 2 reported that Vehicle 2 was impacted from behind while changing gears to proceed forward travel.

Both vehicles had moved prior to police arrival. Based on statements of each driver and examination of both vehicles, it was determined that this crash was the result of Driver 1 failing to check the area directly to the rear of Vehicle 1 prior to backing. Both vehicles were able to be driven away.
