145 Crash Description/Narrative

The authorized driver of vehicle 2 stated she parked her car in the parking lot of 90 Spruce Street (Spruce Street Elementary) for work and when she left for the day noticed fresh markings on her vehicle.

Upon my investigation, I can conclude that the unknown vehicle responsible for causing the hit & run accident is at fault. Let it be noted, I observed fresh white paint transfers in two locations on vehicle 2, most likely from an unknown white vehicle. Vehicle 2 was parked legally in-between the lines of the parking spot.

There are no surveillance cameras near the parking lot where the crash occurred.

No injuries were reported.

145 Crash Description/Narrative

Vehicle #1 was travelling East on Ocean Avenue and was stopped near the yield sign awaiting for traffic to clear. Vehicle #2 was behind Vehicle #1 and crashed into the rear of Vehicle #1. Vehicle #1 sustained cracks and scratches near the rear passenger side bumper. Vehicle #2 sustained cracks and scratches to the front bumper. There were no reports of injuries.

Driver 1 stated she was approaching the yield sign on Ocean Avenue. She made sure that there were no vehicles approaching her lane of travel. As she was waiting, Vehicle #2 crashed into her vehicle.

Driver 2 stated she was travelling behind Vehicle #1 through the yield sign. She relayed to me that Driver 1 made a stop at the yield sign and she was unable to stop in time to avoid the crash.

My investigation finds Vehicle #2 to be at fault for following too closely.

145 Crash Description/Narrative

The driver of vehicle 1 stated she was traveling north on Madison Avenue and attempted to slow down in heavy traffic causing her to make contact into vehicle 2.

The driver of vehicle 2 stated he was traveling north on Madison Avenue when he started to slow down in heavy traffic and felt vehicle 1 make contact with his vehicle.

Upon my investigation, I can conclude that the driver of vehicle 1 is at fault for the accident due to the fact she was following too closely to vehicle 2, ultimately not giving herself enough time to react to the slowed down traffic.

Originally no injuries were reported at the scene, EMS arrived and completed their medical assessment on the JV child. While the driver of vehicle 1 was signing off medical treatment, she fainted and lost consciousness for approximately 30 seconds. She was eventually transported to Monmouth Medical Center by EMS.

145 Crash Description/Narrative

Vehicle 1 was starting in traffic on Forest Avenue, exiting the plaza of 1700 Madison Ave. Vehicle 2 was westbound on W. Kennedy Boulevard. Both vehicles collided in the intersection of Forest Avenue and West Kennedy Boulevard.

Driver 1 stated that as she entered the intersection, with the green signal in her favor, she was struck by vehicle 2. Driver 2 stated that she does not know what took her attention off the signal but she admitted to me that the signal was red when she entered the intersection.

It should be noted that driver 1 is 8 months pregnant. Although she was not injured, she left the scene after my investigation to go to the hospital and get her and the baby checked.

I found driver 2 solely at fault for the crash for failing to observe the red traffic signal.

The driver of vehicle 1 stated he was attempting back out of the parking spot when his vehicle made contact with vehicle 2.

The driver of vehicle 2 stated he was backing into the parking spot, when vehicle 1 started backing out ultimately making contact with his vehicle.

Upon my investigation, I can conclude that the driver of vehicle 1 is at fault for the accident due to the fact he was backing out of the spot in an unsafe manner, specifically failing to looking out for vehicle 2 that had the right of way.

No injuries were reported at the scene.

145 Crash Description/Narrative

Vehicle #1 was travelling North through the parking lot of 198 New Hampshire Avenue. Vehicle #2 was facing East in a parking spot. As Vehicle #1 was passing Vehicle #2, Vehicle #2 started to pull out and make a left turn out of the parking spot causing the crash. Vehicle #1 sustained scratches to the rear driver side bumper. Vehicle #2 sustained scratches to the front passenger side bumper. There were no reports of injuries.

Driver 1 stated he was travelling straight through the right side of the parking lot. As he was proceeding through the lot, Vehicle #2 pulled out of his parking spot causing the crash.

Driver 2 stated he was facing East in a parking spot at 198 New Hampshire Avenue. As he was pulling out of his parking spot, Vehicle #1 was travelling quickly through the lot crashing into him. Driver 2 was issued a summons for suspended driver's license. His vehicle remained in the parking lot until a license driver picks it up.

My investigation finds Vehicle #2 to be at fault for failing to yield right of way.

145 Crash Description/Narrative

Driver of vehicle one stated to the effect: I was traveling West bound on East County Line Road. Furthermore she related upon approaching the intersection at Lucerne Avenue, she heard a strange noise under her vehicle and felt a thump. She immediately proceeded to the right side of the roadway and stopped. She then observed the vehicle smoking from under the engine hood.

I then observed the vehicle and noticed minor damage to the front bumper cover. Further inspection revealed damage to the radiator, air conditioning condenser, and radiator support. Coolant was also observed in the engine bay and in the roadway near the struck object.

*Struck object appeared to be a large, heavy pully, possibly from a construction vehicle. The object was removed from the roadway.

END OF NARRATIVE.

Vehicle 1 was traveling Westbound on Cross St and crashed into the rear of vehicle 2 which was stopped in traffic, waiting to make a left turn into 144 Cross St.

Driver 1 stated he was traveling Westbound on Cross St and did not realize that vehicle 2 was waiting to make a left turn. He applied his brakes but was unable to stop in time.

Driver 2 stated he was waiting in traffic on Cross St to make a left turn into 144 Cross St. While he was waiting, vehicle 1 crashed into the rear of his vehicle.

There were no reported injuries on scene. Vehicle 2 sustained minor damage to its rear bumper and vehicle 1 sustained moderate damage to its front end with it partially leaking coolant.

Based on my observations and speaking with both parties, I determined that driver 1 was at fault for failing to stop in time to avoid the crash.

Vehicle 1 was conducting a left handed turn into a parking lot. Vehicle 2 was driving up the right turning lane on Chestnut Street. Vehicle 1 then crashed into vehicle 2 while attempting to complete their left handed turn.

Driver 1 stated vehicle 2 was driving very quickly and could not see her due to a long line of traffic in the other lane.

Driver 2 stated she was driving towards River Avenue to make a right handed turn. She was in the right turning lane when vehicle 1 cut through another lane of traffic striking her vehicle.

My investigation determined that driver 1 is at fault due to improper turning.

145 Crash Description/Narrative

Vehicle 1 was leaving the driveway in front of 9 Granite drive. Vehicle 2 was traveling south bound on Granite Drive. Vehicle 1 then entered the roadway striking vehicle 2.

Driver 1 stated she looked both way did not see anything behind. She then backed up and struck vehicle 2.

Driver 2 stated she was driving down Granite Drive when vehicle 1 began to back up into her.

My investigating determined that driver 1 is at fault due to being inattentive while driving and backing unsafely.

145 Crash Description/Narrative

The driver of V1 stated she was stopped on 5th Street at the intersection of Princeton Avenue. The driver stated she believed the intersection was clear and proceeded through westbound. The driver said she then struck V2, who was heading north on Princeton Avenue. The driver stated she then lost control, struck a parked car and a fence. Damage was disabling. No injuries reported.

The driver of V2 stated she was traveling north on Princeton Avenue through the intersection of 5th Street when she was struck by V1, who was traveling west. Damage was disabling. The driver had a complaint of pain to her entire body and was transported to MMCSC by HAFTA.

My investigation concludes: V1 failed to stop at the stop sign specifically by entering the intersection of Princeton Avenue while on 5th Street. As a result, V1 struck V2, who had the right of way, V1 then struck a parked vehicle (V3) and ultimately a fence. V1 is found to be at fault.

Driver of vehicle one stated he was driving South on Princeton Ave, approaching vehicle two which was stopped. Furthermore, he stated he passed vehicle two on the right and began to turn left. As vehicle one turned left, so did vehicle two. Vehicle two struck vehicle one on the driver side. Driver of vehicle one stated vehicle two did not have a turn signal indicating he was turning right.

Driver of vehicle two stated he was stopped at he stop sign at Princeton Ave and Fourth St, waiting to make a right turn. As he proceeded to turn right, he struck vehicle one.

As a result of my investigation I determined driver of vehicle one too be at fault due to improper passing.

145 Crash Description/Narrative

Driver 1 stated that while traveling West on E County Line Rd he attempted to go around Vehicle 2 on the right and crashed with Vehicle 2.

Driver 2 stated that while traveling West on E County Line Rd she was turning right into the Wawa parking lot when she was struck by Vehicle 1 who was passing her on the right.

Vehicle 1 sustained damage to the front driver side bumper consisting of dents and the bumper coming loose from the vehicle.

145 Crash Description/Narrative

Driver 1 stated, he was stopped facing east waiting to make a left turn onto Clover St from Cedarbridge Ave. He stated, while at a complete stop he was rear ended by vehicle 2. The damage was primarily to the rear. Driver 1 had a complaint of pain in his lower back but refused medical attention.

Driver 2 stated, he was traveling east on Cedarbridge Ave. He stated, he observed vehicle 1 stopped waiting to turn left onto Clover St. He stated when he attempted to stop, his vehicle slid on the wet roadway, causing him to rear-end vehicle 1. It should be noted, driver 2 was adamant that the roadway was more slippery than normal after a rainstorm and possibly has a slippery fluid on the roadway. The damage was primarily to the front end. Driver 2 had a complaint of pain to his left knee but refused medical attention.

As a result of my investigation, I, Patrolman Connor Woods #418 determined driver 2 at fault due to rear-ending driver 1. It should be noted, I did not observe anything unordinary on the roadway to cause vehicle 2 to slide.

145 Crash Description/Narrative

Driver 01 stated she was in the left lane traveling West on Cross St and got stuck behind another vehicle waiting to make a left turn on to Massachusetts Ave. Driver 01 stated she then attempted to go around the the vehicle making a left turn and struck Vehicle 02 because she did not see her coming. Driver 01 did not have any injuries or complaint of pain.

Driver 02 stated she was traveling west on Cross St when she went in the right lane to continue traveling West and was struck by Vehicle 01. Driver 02 did not have any injuries or complaint of pain.

After my investigation, I concluded Driver 01 to be at fault for the crash due to the statements given by both drivers and the fact there was two west bound lanes of travel.

145 Crash Description/Narrative

Driver 1 stated, he was traveling east on Cedarbridge Ave. He stated, several vehicles began slowing down in front of him and pulling over in front of him. He stated, vehicle 2 was parked on the shoulder of Cedarbridge Ave and he attempted to avoid it. He was unsuccessful and collided with the driver side rear of vehicle 2. The damage was primarily to the passenger side front end. No injuries reported.

The owner of vehicle 2 parked his vehicle on the eastbound shoulder of Cedarbridge Ave after he was involved in a motor vehicle accident minutes before this incident. The owner of vehicle 2 was not in the vehicle during this incident. The damage suffered from this accident was to the driver side rear end.

As a result of my investigation, I, Patrolman Connor Woods #418 determined driver 1 at fault due to colliding into the rear of vehicle 2 which was parked in the shoulder.

145 Crash Description/Narrative

Driver of vehicle one stated she was exiting the parking lot of 300 Hurley Ave. While exiting the parking lot, she attempted to enter the left turning lane of Hurley Ave. While entering the lane, she struck vehicle two.

Driver of vehicle two stated she was stopped in traffic at the intersection of Hurley Ave and Clifton Ave. While stopped, vehicle one struck her.

As a result of my investigation I determined driver of vehicle one to be at fault due to improper lane change.

145 Crash Description/Narrative

Driver 2 stated that he was traveling East on Route 88 in the outside right lane and had to break hard because the vehicle in front of him suddenly turned right into the Dunkin Donuts parking lot at 1500 Route 88 without signaling. Driver 2 stated that vehicle 1 then rear ended his UPS truck. Driver 2 was unable to describe the vehicle that turned into the Dunkin Donuts without signaling. Driver 1 stated she was traveling East on Route 88 behind vehicle 2 and that vehicle 2 stopped and she did not have enough time to stop but blamed the crash on the vehicle that turned right without signaling. Evidence of the crash indicates that even though a vehicle turned right without signaling, driver 2 had enough time to stop but vehicle 1 was following too closely and could not stop in time and caused collision. No injuries reported.

145 Crash Description/Narrative

V2 WAS PARKED IN THE PARKING LOT OF 1900 SHORROCK ST IN FRONT OF HOME DEPOT WHEN IT WAS STRUCK BY V1. V1 WAS ATTEMPTING TO PARK NEXT TO V2 BUT STRUCK V2'S REAR LEFT SIDE IN PROCESS. V1 LEFT THE AREA PRIOR TO MY ARRIVAL. SUSPECT'S VEHICLE WAS DESCRIBED AS RED SUV BEARING NEW JERSEY REGISTRATION: N63MVA. I RESPONDED TO THE ADDRESS OF 134 ARDEN CT (REGISTERED ADDRESS OF V1 OWNER). I WAS ABLE TO LOCATE V1 AND THE DRIVER WHO WAS REGISTERED OWNER OF THE VEHICLE. HE ADMITTED TO PARK IN THE PARKING LOT OF HOME DEPOT BUT HE WAS NOT SURE IF HE STRUCK V2 AND THAT IS WHY HE LEFT THE SCENE OF THE CRASH. DAMAGE ON BOTH VEHICLES MATCHED THE COLLISION OF TWO VEHICLE'S.

145 Crash Description/Narrative

Driver 1 stated that while traveling East on Cedarbridge Ave in the left lane of travel Vehicle 2 came to a stop and he did not have time to stop and crashed into Vehicle 2.

Driver 2 stated that while traveling East on Cedarbridge Ave in the left lane of travel she came to a stop due to the vehicle in front of her coming to a stop while waiting to make a left turn. Driver 2 stated that she was then struck in the rear by Vehicle 1.

Vehicle 1 sustained damage to the front end consisting of the hood being completely dented in, the bumper coming loose, and the headlights being cracked.

Vehicle 2 sustained damage to the rear consisting of the bumper being cracked and dented. The rear hatch was also significantly dented.

Due to driver statements and my observations I determined that Driver 1 was following too closely and caused the crash.

There were no injuries reported on scene. End of report.

145 Crash Description/Narrative

The driver of V1 stated that he was turning into Negba St. While he was turning, incoming cars were heading toward him head-on. The driver of V1 mentioned that he moved out of the way to avoid a head-on collision. That's when he collided with V2 (parked vehicle).

Based off my investigation, V2 was at fault parked within 50 feet of the stop sign and parked on the wrong side of the road

145 Crash Description/Narrative

Driver 1 stated that while traveling East on Ridge Ave she was making a left turn onto Gefen Dr when Vehicle 2 suddenly came very fast from the other way on Ridge Ave and struck her vehicle.

Driver 2 stated that while traveling West on Ridge Ave Vehicle 1 suddenly made a left turn in front of him. Driver 2 stated that he attempted to swerve out of the way but did not have time and Vehicle 1 struck his vehicle.

Vehicle 1 sustained damage to the front bumper and front driver side corner panel consisting of dents and the bumper coming loose from the vehicle.

Vehicle 2 sustained damage to the front bumper and front driver side corner panel consisting of dents and it coming loose from the vehicle. Vehicle 2 also sustained damage the front and rear doors consisting of scratches, paint transfer and the front driver side door not opening correctly.

Due to driver statements and my observations I determined that Driver 1 failed to yield the right of way to Vehicle 2 and caused the crash.

There were no injuries reported on scene. End of report.

145 Crash Description/Narrative

Driver 1 stated, he was stopped at the stop sign facing west on Pinehurst Dr at the intersection of Fountain Dr. He stated, vehicle 2 was located in the u-turn south of Pinehurst Dr and began to stop and go as if she was confused. He stated, she was not crossing the intersection so he proceeded west on Pinehurst Dr. He stated after continuing west, driver 2 drove through the intersection and collided into the driver side rear of his vehicle. Vehicle 1 suffered driver side rear damage and a damaged driver side rear tire. No injuries reported.

Driver 2 stated, she was stopped in the u-turn located south of Pinehurst Dr. She stated, while continuing north through the intersection, she was struck by vehicle 1 who was traveling west on Pinehurst Dr at a high rate of speed and failed to observe the stop sign. The damage was primarily to the front end on the passenger side. No injuries reported.

I spoke to a witness on scene. The witness stated, she observed vehicle 1 stopped at the stop sign facing west on Pinehurst Dr. She stated, driver 2 was located in the u-turn south of Pinehurst Dr and began stopping and going, which led her to believe the driver was confused. She stated, as driver 1 was almost through the intersection driver 2 drove into the rear of vehicle 1.

Due to the driver's conflicting stories, I am unable to determine which driver is at fault for the crash. I located cameras that observe the aforementioned intersection and am waiting video surveillance from the complex's surveillance company. In addition, I located cameras on the rear of 1021 Route 88 (Pine Belt Subaru) that are angled toward the incident location and I am awaiting the surveillance from the general manager.

145 Crash Description/Narrative

Driver 1 stated that while backing out of his parking space Vehicle 2 came speeding through the parking lot and he did not have time to stop and backed into Vehicle 2.

Driver 2 stated that while traveling through the parking lot Vehicle 1 backed out of his parking space in to her vehicle.

Vehicle 1 did not sustain any visible damage.

Vehicle 2 sustained damage to the front passenger side door consisting of it being dented in.

Due to Driver statements and my observations I determined that Driver 1 backed out of his space when it was not clear to, causing the crash.

There were no injuries reported on scene. End of report.

145 Crash Description/Narrative

The driver of vehicle 1 stated once the light turned green, he started travelling west on Pine Street ultimately making contact with vehicle 2. ***It should be noted, one of the supervisors from Jay's Bus Service arrived on scene and swapped insurances with the driver of vehicle 2, then told the driver of vehicle 2 that she could leave the scene***

Upon my arrival, vehicle 2 was no longer on scene and all occupants of vehicle 1 were picked up by their parents. The supervisor from Jay's Bus Service was able to provide me with a roster of individuals on the bus at the time of incident.

I was able to contact the driver of vehicle 2 via telephone and she stated that when the light turned green, she started travelling west on Pine Street and was ultimately rear-ended by vehicle 1.

Ages of the occupants of vehicle 1 ranged from 6-14 (All JV'S)

Upon my investigation, I can conclude that the driver of vehicle 1 is at fault for the accident.

No injuries were reported from both drivers and all passengers.

145 Crash Description/Narrative

Vehicle 1 was traveling east bound on Cedarbridge Ave when it struck vehicle 2 head on who was traveling west bound.

Driver of vehicle 1 stated she was traveling east bound in the left lane on Cedarbridge Ave approaching intersection while traffic light was illuminated yellow. She noticed a pick up truck attempting to make a left hand turn onto Airport Rd; while trying to avoid hitting that vehicle she swerved into oncoming traffic striking vehicle 2 head on.

Driver of vehicle 2 stated he was stopped in traffic in the left lane heading west bound on Cedarbridge Ave when he witnessed vehicle 1 driving east bound through the intersection while traffic light was illuminated red. While vehicle 1 was passing through the light she attempted to avoid a vehicle turning left onto Airport Rd when she lost control entering his lane of travel resulting in striking his vehicle head on.

Based on drivers' and witness statements I determined that driver of vehicle 1 is at fault due to failure to obey traffic signals.

EMS arrived on scene for driver of vehicle 1, in which she refused medical attention.
