135 Crash Description

Investigation revealed vehicle 1 rear ended vehicle 2 in the west lane of Rt 88 approximately 30 feet east of Coolidge Road.

Driver vehicle 1 stated vehicle 2 stopped suddenly in front of him causing him to slam on his brakes. Driver 1 was unable to stop prior to rear ending vehicle 2. Driver 1 added his brakes were not working well because he needed new brake pads. Driver vehicle 2 stated he was stopped at a red signal when he was rear ended by vehicle 1.

I observed vehicle 1 to have minor damage to the front bumper. Vehicle 2 had moderate damage to the rear bumper which consisted of scuff marks from vehicle 1's license plate and paint transfer.

While investigating the crash driver vehicle 1 stated he is prescribed prescription narcotic medications. When asked, driver vehicle 1 stated he took his prescribed medication earlier in the day. I did not observe driver vehicle 1 to obvious signs of over medication. His pupils were not constricted and there was no sign of Horizontal Gaze Nystagmus (HGN) on scene.

Through my investigation and statements made on scene I determined driver vehicle 1 to be at fault for the crash. Vehicle 1 was parked in the 76 Gas Station until repairs could be made to the brakes.
