## 135 Crash Description

Vehicle #1 was traveling south on Burrsville Road and Vehicle #2 was traveling east on Jack Martin Blvd. Driver #2 stated she was traveling through the intersection while she had a green light and observed Vehicle #1 entering the intersection as well. Vehicle #1 entered the intersection while a red light was displayed on Burrsville Road and struck the rear of Vehicle #2. Vehicle #2 pulled over while Vehicle #1 continued traveling south on Burrsville Road towards Route 88 and left the scene. A witness to the crash remained on scene and was able to confirm Driver #2's story. The witness stated the vehicle was a white Toyota Camry in the mid 1990's. A license plate of NJ registration HK9099 was recovered from the intersection and matches the description of Vehicle #1. The suspect's license plate was logged into evidence.

\* I was able to make contact with the registered owner of Vehicle #1 on 06/28/2016 and she stated that she was driving in the area of the crash, at approximately the time the report was made but did not recall colliding with another vehicle. The front of her vehicle was missing the front license plate that was recovered and showed the same color paint transfer from Vehicle #2 on the front bumper. Owner of Vehicle #1 was able to provide her license, registration, and insurance at this time.

Driver of vehicle #1 was issued the following summonses:

39:4-81 - E16-003995

39:4-96 - E16-003996

39:4-129B - E16-003997
