135 Crash Description

Crash occurred in the parking lot of Home Depot, located at 1722 RT 88.

Driver #2 stated he had just turned down the aisle and observed vehicle #1 pull into a parking space. Knowing the aisle was clear, he advised he took the turn a little wide so he could also pull into a parking space. While doing so, he was struck by vehicle #1 which began to back out of the space it just pulled into.

Driver #1 stated he had just pulled into the parking space and was a little crooked, so he began to back up to straighten out; however he did not see vehicle #2 behind him and subsequently struck vehicle #2.

All occupants of both vehicles advised they were not injured.
