135 Crash Description

Driver of vehicle 1 stated he was operating his motorcycle east on Rt 88. Driver of vehicle 1 stated a vehicle in front of his vehicle (NJ-WTT14T) suddenly stopped on Rt 88. Driver of vehicle 1 stated to avoid a collision with the stopped vehicle he "dropped" his bike causing him to loose control of the motorcycle and strike the pavement. Driver of vehicle 1 stated he wasn't sure if his motorcycle made contact with the vehicle in front of him.

I spoke with the driver of the vehicle in question who stated he stopped in traffic and noticed the motorcyclist dropped his motorcycle to avoid striking the rear of his vehicle. The driver stated he saw the motorcyclist appeared ok when he was walking around so he left the area. The driver further advised the motorcycle did not make contact with his vehicle.

It should be noted there was no signs of damage on the vehicle in question. It should be further noted the only damage to vehicle 1 (motorcycle) was from the contact with the roadway.

Driver of vehicle 1 was transported to Ocean Medical Center for his reported injuries.
