135 Crash Description

On 5/25/16 at 1436 I was dispatched to the area of the interchange (Rt. 70/Rt. 88) for a report of a motor vehicle crash. When I arrived the vehicles had moved off the roadway. Neither driver claimed any injury or wished first aid.

Driver vehicle 1 stated that he was stopped for the red light on Rt. 70 in the center lane. When the light changed he proceeded forward. As he went forward vehicle 1 and vehicle 2 collided. He stated that he did not hear or see anything prior to the crash.

Driver vehicle 2 stated she was stopped in the left lane on Rt. 70 for the red light. While stopped she observed and heard an emergency vehicle approach her from behind. In her rear view mirror she saw an ambulance. As the ambulance got closer she attempted to move to the right so the ambulance could pass. As she moved over, the traffic signal turned green and vehicle 1 moved forward and the two vehicles collided.
