145 Crash Description/Narrative

Vehicle 1 was conducting a left handed turn into a parking lot. Vehicle 2 was traveling east bound on 10th Street. Vehicle 1 then collided with vehicle 2 while completing the left handed turn.

Driver 1 stated he was turning into the parking lot off of 10th Street. While doing so vehicle 2 began to approach him. Due to heavy traffic he was unable to get into the parking lot. He then tried to back up to allow vehicle 2 to go. When he was going to back up vehicle 2 already inched closer towards him. He was then unable to back up due to vehicle 2 being too close to him. Vehicle 2 then crashed into him.

Driver 2 stated he was traveling east bound on 10th Street when vehicle 1 turned in front of him. Vehicle 2 then struck vehicle 2.

My investigation determined that driver 1 is at fault due to not yielding to the right of way of vehicle 2.

145 Crash Description/Narrative

Driver of V1 stated that she was backing out of a parking spot on Taft Ave. Driver of V1 further stated that once she was completely out of the parking space, she proceeded to put her vehicle into drive when all of a sudden, she was struck in the rear by V2. Driver of V2 stated that she was backing out of her driveway of 16 Taft Ave. very slowly. Driver of V2 further stated that as she was backing up, she was using her back-up camera and did not see V1's vehicle on the camera and ultimately ended up striking V1 in the rear.

In conclusion to my investigation, I determined that the driver of V2 was at fault for backing unsafely.

145 Crash Description/Narrative

The driver of V1 stated she was backing west on Picardy Ct. She was turning around in the driveway of 389 Portsmouth Dr like she typically does but did not observe V2 parked there. V1 collided with V2.

The owner of V2 parked his vehicle next to the driveway of 389 Portsmouth Dr and was in the process of assisting his mother into the vehicle when V1 struck V2.

Based on my investigation, V1 caused the crash by striking V2 while V2 was parked.

V2

145 Crash Description/Narrative

The Driver of V1 stated that he was backing out of his resident. As he was backing, out of nowhere he collided into V2. The driver of V1 was not injured and refused medical attention.

The driver of V2 stated that he was traveling west on E. 11th St. While traveling west, out of nowhere, V1 one collided into his rear bumper. The driver of V2 was not injured and refused medical attention.

It should be noted that there were multiple vehicles parked on the side of the road that obstructed V2 view of V1 backing.

Based on my investigation, V1 is at fault for improperly backing up.

145 Crash Description/Narrative

While traveling south on New Hampshire Avenue behind vehicle 1, I observed as driver of vehicle 1 made a left turn onto Median Road in front of vehicle 2 which was traveling north on New Hampshire Avenue, resulting in both colliding .

Vehicle 1 had minor damage to right side of the fender. It should be noted that vehicle 1 was a Jays School Bus and on board during the motor vehicle crash were juvenile males between the ages of 6 and 8. No injuries were reported at the scene of the crash.

Vehicle 2 had damage to the fender. No injury was reported by the driver at the scene of the crash.

As per my observation, I deemed driver 1 to be at fault for failure to yield to the right of way of vehicle. Driver 1 was issued two summonses: for careless driving and for failure to yield.

Vehicle 1 Company number: 23787

145 Crash Description/Narrative

Arrived on location to find multiple emergency units on scene with Hatzolah EMS members tending to P1's injuries. Vehicle 01 was located across the roadway from the point of impact. The bicycle was viewed to be off the roadway in the wood-line with what appeared to be disabling damage. P1's glasses were found on the ground near the northwest corner of the intersection. Tire tracks were noted in the mud at the probable point of impact prior to a puddle which lead to the rear tire of Vehicle 01.

Driver 01 stated that he was headed east on Cross Street and effected a left turn onto Biltmore Avenue. While making the turn, he stated that he did not see P1 until he struck his vehicle.

P1 stated that he was headed south on Biltmore Avenue when he approached the intersection of Cross Street, he saw Vehicle 01 making a left turn and cut the corner tight, forcing him off the road and striking him. P1 impacted the vehicle with his left side, breaking the mirror off and denting the door. P1 was then thrown from his bicycle and landed in the wood-line. He exhibited multiple contusions and abrasions with a complaint of pain. It was also noted that his glasses were broken due to the crash.

Based on statements and evidence on scene, my investigation showed that Driver 01 effected his left turn incorrectly by turning too early and entered into the oncoming lane of traffic and in doing so, struck P1 causing injury. Driver 01 was issued a Motor Vehicle Summons for Careless Operation of a Motor Vehicle.

Vehicle 01 remained operational and was removed from the scene under its own power by the listed driver. JMS/324

The driver of V2 stated that as she was backing up she collided with the plywood that was hanging out of the V1's hardtop. The driver of V2 was not hurt or injured.

It should be noted that V1 was illegally parked due to not being in a parking spot. Also, the plywood was hanging 4 feet out of the vehicle.

Based on my investigation, I was unable to determine who was at fault. V1 was illegally parked. V2 failed to back up safely.

145 Crash Description/Narrative

Vehicle 1 was traveling Eastbound on E Kennedy Blvd and crashed into the rear of vehicle 2 which was traveling Eastbound on E Kennedy Blvd.

Driver 1 stated she was traveling Eastbound on E Kennedy Blvd when a vehicle in front of vehicle 2 made a right turn into a business on E Kennedy Blvd. This caused vehicle 2 to stop quickly and she was unable to stop in time and crashed into the rear of vehicle 2.

Driver 2 stated he was traveling Eastbound on E Kennedy Blvd when a vehicle in front of him made a right turn on into a business on E Kennedy Blvd. This caused him to slow down and in while slowing down, vehicle 1 crashed into the rear of his vehicle.

There were no reported injuries on scene and vehicle 2 sustained minor damage. Vehicle 2 sustained moderate damage and had a tire changed on scene.

Based on my observations and speaking with both parties, I determined that driver 1 was at fault for failing to stop in time to avoid the crash.

145 Crash Description/Narrative

Driver 1 stated he was traveling south on Squankum Rd prior to the crash. He explained that as he was approaching the intersection of Carey Street, vehicle 2 suddenly drove in front of him from the east and he applied heavy brake pressure and steered to the right to avoid a crash but ultimately struck the front of vehicle 2. Driver 1 was not injured. Damage to vehicle 1 was disabling.

Driver 2 stated he was stopped in the parking lot of 345 Squankum Road prior to the crash. He explained that he intended to cross the roadway and drive west on Carey Street. He stated that due to several vehicles being parked on the east side of Squankum Road, it was difficult to see oncoming vehicles from either direction. He stated that he did not see vehicle 1 coming and began accelerating across the roadway. He stated that vehicle 1 then drove into the front of his vehicle in the intersection. Driver 2 was not injured. Damage to vehicle 2 was disabling.

As a result of my investigation, driver 2 was found at fault for failing to yield to a vehicle.

145 Crash Description/Narrative

Driver of V2 stated she was traveling west in the parking lot of 105 Cedarbridge Ave when V1 backed up into her vehicle and fled the scene. Driver of V2 stated the Driver of V1 got out of her vehicle before fleeing the scene. Driver of V2 described the Driver of V1 as approximately 5'05" black female. It should be noted Driver of V2 advised me that she took a picture of V1 before V1 fled the scene. The picture was taken of a black 2004 GMC Envoy bearing NJ registration A10PXX.

Driver of V1 fled the scene of the crash and was not present to provide a statement. Ptl. Fanara of Berkeley Police Department later advised me that the suspect Driver of V1 denied being in a motor vehicle hit and run but had just came home from Wawa.

The results of the investigation revealed that Driver of V1 was at fault due to not checking the surrounding area before backing out of her parking space. With further investigation Berkley Township Police Department responded to the residence of the suspect Driver of V1 and she advised that she was operating the vehicle but denied being involved in a motor vehicle hit and run. Ptl. Fanara of Berkeley advised me that V1 had fresh white paint transfer at the 7 o'clock where the presumed damage was from the crash. With all the information gathered I was able to determine the identity Driver of V1 based off the statement she had just driven home from Wawa. V1 had fresh white paint transfer at the presumed location of the crash. Driver of V2's description matched the description of the Driver of V1. Lastly Driver of V2 took a picture of the suspect vehicle.

145 Crash Description/Narrative

Driver #1 stated he was stopped in traffic facing South on Cross Street waiting to make a left turn onto Prospect Street. Driver #1 stated while he was stopped in traffic, the right rear corner of his vehicle was struck by vehicle #2. Vehicle #1 sustained moderate damage to the right rear corner and was able to be driven from the scene.

Driver #2 stated he was traveling South on Cross Street and said the sun glare was in his eyes and he did not see Vehicle #1 waiting to make a left turn onto Prospect Street until it was too late and the center front of his vehicle collided with the right rear corner of vehicle #1. Driver #2 said he tried to swerve to avoid the collision, but could not. Vehicle #2 sustained heavy front end damage and was deemed inoperable. Driver #2 said his insurance company was already sending a tow truck to tow the vehicle.

Based on statements made by both drivers, damage to the vehicles and my observations on scene, I determined that driver #2 is at fault due to driver inattention/following too closely.

No injuries reported on the scene and no summonses issued.

145 Crash Description/Narrative

Driver 1 was turning into a parking lot off of Madison Avenue from the middle lane on the north bound side. Vehicle 2 was traveling north bound on Madison Avenue. Vehicle 1 then struck vehicle 2 while conducting her turn.

Driver 1 stated she turn onto Madison Avenue from 10th Street. She was in the middle lane on the north bound side. She then noticed she did not have much gas. She quickly made a right handed turn from the far left lane on the north bound side of Madison Avenue to get into the parking lot of a near by gas station. While conducting the turn she struck vehicle 2. She stated she did not see them while conducting her turn.

Driver 2 stated he was in the right lane on the north bound side of Madison Avenue. When all of a sudden vehicle 1 turn into him from the left lane on the north bound side of Madison Avenue. Once he was struck he was ran off the road hopping the curb and struck a near by utility pole. Only his mirror struck the pole and there was no damage to the pole or mirror. Pole #BT508LD.

My investigation determined that driver 1 is at fault due to being inattentive while driving and improper turning.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was attempting to make a left turn from Valley Dr onto Central Ave. He stated he inched out into the intersection so he could see east bound traffic. He stated as he waited for a vehicle traveling east on Central to pass, vehicle 2 was traveling west bound and crashed into the side of his vehicle.

Driver of vehicle 2 stated he was traveling west bound on Central Ave. He stated as he approached the intersection with Valley Dr, Vehicle 1 pulled into the intersection to make a left turn causing him to crash into the side of vehicle 1.

Vehicle 1 sustained moderate but functional damage to the front drivers side bumper and was driven from the scene. Vehicle 2 sustained minor damage to the front bumper and was driven from the scene. No injuries were reported at the scene.

Due to vehicle 1 failing to yield to the right away of vehicle 2, I find vehicle 1 at fault.

145 Crash Description/Narrative

Vehicle 1 was traveling Westbound on 6th Street. Driver 1 said that he stopped at the stop sign, then continued forward. He mentioned that he thought he cleared both North and South lanes and started to go ahead, and V2 collided with his car.

Vehicle 2 was traveling Southbound on Lexington Avenue. Driver 2 said that she was traveling Southbound when V1 possibly missed the stop sign but was unsure because she was only looking front. Then V2 collided with V1.

Investigation revealed that Vehicle 1 was traveling Westbound on 6th Street, and Vehicle 2 was traveling Southbound on Lexington Avenue. I determined that V1 failed to yield the right of way to V2. No injuries were reported at this time.

145 Crash Description/Narrative

Vehicle #1 was travelling West on East County Line Road in stop and go traffic. Vehicle #2 was behind Vehicle #1 and was unable to stop in time resulting in the crash. Vehicle #1 sustained dents and scratches to the rear trunk of the vehicle. Vehicle #2 sustained dents to the front license plate. There were no reports of injuries.

Driver 1 stated she was stopped in traffic waiting for traffic to resume. She was at a full stop and heard a crash with the impact pushing her forward.

Driver 2 stated she was in stop and go traffic. As she proceeded forward, she crashed into Vehicle #1. She was issued a summons for expired driver's license. Vehicle left on scene.

My investigation finds Vehicle #2 to be at fault for following too closely.

145 Crash Description/Narrative

Vehicle #1 was travelling South on New Hampshire Avenue going straight ahead. **Vehicle #2** was travelling North on New Hampshire Avenue and made a left turn into the entrance of 198 New Hampshire Avenue in front of Vehicle #1 causing the crash. **Vehicle #1** sustained scratches and cracks to the front fender. **Vehicle #2** sustained scratches to the rear passenger side quarter panel. There were no reports of injuries.

Driver 1 stated she was going straight ahead on New Hampshire Avenue. As she was proceeding forward, **Vehicle #2** made a left turn into 198 New Hampshire Avenue crashing into her vehicle.

Driver 2 stated he was travelling North on New Hampshire Avenue. There was a bus stopped in traffic near the entrance obstructing his view of oncoming traffic. As he was making a left turn, he did not see **Vehicle #1** and crashed into **Vehicle #1**.

My investigation finds **Vehicle #2** to be at fault for failing to yield right of way to vehicle.

145 Crash Description/Narrative

Vehicle 1 was traveling south bound on Massachusetts Ave and rear-ended vehicle 2 resulting in vehicle 2 to rear-end vehicle 3.

Upon my arrival I came in contact with owner of vehicle 2 which he stated that the driver of vehicle 1 rear-ended his parked vehicle that was facing south bound on Massachusetts Ave on the shoulder, and resulting his vehicle to rear-end vehicle 3. He stated the driver of vehicle 1 fled the scene and entered his residence (520 Massachusetts Ave; 5).

I was able to contact the driver of vehicle 1 and he admitted to driving. He was intoxicated at the time I spoke with him. He had been inside his apartment for a substantial amount of time before my arrival. Owner of V2 believes Driver 1 was intoxicated at the time of the crash, but I was unable to verify this due to Driver 1's admission of consuming alcohol after operating V1.

Based on driver and witness statements I determine that driver of vehicle 1 is at fault due to failure to maintain lanes and driver inattention.

***Vehicle 1 & 2 are both uninsured vehicles. Vehicle 3 insurance is unknown. I was unable to locate the owner of V3 due to out of state registration and no local history with the vehicle.**

V1 was impounded for being uninsured. Driver 1 was issued multiple tickets. V2 was just purchased and is not registered or insured yet.

145 Crash Description/Narrative

Arrived on location to find Vehicle 02 off the roadway in a parking lot. Vehicle 02 exhibited non-disabling damage to the drivers side rear fender. Vehicle 01 returned to the scene after I arrived. Vehicle 01 also exhibited non-disabling damage to the drivers side rear fender. No airbag deployment reported. No injuries reported on scene.

Upon interviewing both drivers, it was determined that Vehicle 02 was crossing River Avenue when Vehicle 01 effected a left turn. In doing so, she turned too early making contact with Vehicle 02.

Both vehicles were removed from the scene under their own power by the listed drivers. JMS/324

145 Crash Description/Narrative

Vehicle #2 was parked in a marked parking spot facing west in the parking lot. Vehicle #1 was travelling south in the parking lot attempting to make a right to exit the rear parking lot. The parking lot had several vehicles that were parked in spots making it a tight turn and when he attempted to turn a pedestrian was walking through the parking lot. Vehicle #1 struck Vehicle #2 while attempting to make the right turn. Both vehicles had damage but were operational. No injuries were reported.

D#1 stated that he was attempting to make a right turn so he could head home. While turning, a pedestrian was walking through the parking lot and he cut the turn tight as to not strike the pedestrian. V#1 struck V#2.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was traveling east on E. 7th Street towards Somerset Avenue. He stated as he drove around the bend, he thinks his tires slid causing him to crash into vehicle 2 which was parked on the side of E. 7th Street. Upon looking at vehicle 1's tires, they did not look to be old or balding.

Driver of vehicle 2 stated his crew and him were sitting in his vehicle on the side of E. 7th Street. While parked, he stated vehicle 1 crashed into the rear of his vehicle.

Vehicle 1 sustained disabling damage to the front passenger side wheel well and was towed by Moishy's Towing. Vehicle 2 sustained moderate but functional damage to the rear drivers side bumper and was driven from the scene. No injuries were reported at the scene.

Driver 1 was issued one summons for Careless Driving.

Due to Driver 1 failing to maintain lane and inattentiveness, I find Driver 1 at fault for this incident.

145 Crash Description/Narrative

Vehicle 1 was traveling Northbound on Oberlin Avenue. Driver 1 said he was stopped at the stop sign. He decided that he wanted to parallel park, so he started to reverse and collided with V2. Driver 1 said that he did not see V2 behind his car as he was backing up.

Vehicle 2 was traveling Northbound on Oberlin Avenue. Driver 2 said she was stopped behind V1 when V1 started to back up and collide with her car. Vehicle 1 parked the car in the Post office parking lot because the car was unregistered. Driver 2 attempted to register the vehicle online, but it advised her to go to the office.

Investigation revealed both vehicles were traveling Northbound on Oberlin Avenue. V1 did improper backing, causing V1 to collide with V2. No injuries were reported at this time.
