145. Crash Description/Narrative

Vehicle #1 (Hit and Run) collided with Vehicle #2 (parked unoccupied) while attempting to park next to Vehicle #2

in the parking lot of Home Depot. Vehicle #1 fled the scene.

The owner of Vehicle #2 was on scene and advised she parked in her current parking space arrived at approximately 1230 hours. She advised she was in the store for approximately a half hour and upon returning to her vehicle she observed damage along the middle of the passengers side near the front wheel well. I observed a vehicle parked next to hers but it did not have any damage or paint transfer. The owner of Vehicle #2 could not recall what kind of vehicle was parked next to hers when she arrived. Based on the damage on vehicle #2 it appears vehicle #1 turned into the parking space next to Vehicle #2 and struck it along its passengers side.

I spoke with staff at Home Depot who advised they did not have a staff member on duty to check the cameras at this time.
