145. Crash Description/Narrative

Investigation at the scene indicated the following: B1 was traveling east bound on the sidewalk parallel with Rt. 88 and V2 was traveling the same direction on Rt. 88. V2 made a right turn into the entrance of 1463 Rt. 88 and B1 failed to yield the right of way. As a result B1 struck the rear passenger side of V2 and was ejected from his bicycle. A Motor Vehicle Crash Statement Form was completed by a witness and her statement was consistent with our findings.

B1 stated the following: As he was traveling east bound on the sidewalk of Rt. 88, V2 made a right turn in front of him causing him to strike the rear passenger compartment of the vehicle.

V2 stated the following: As she was traveling east on Rt. 88 and making a right turn into 1463 Rt. 88, she observed B1 riding along the shoulder of Rt. 88 east bound. B2 was slowing down but struck the rear passenger side of the vehicle.

It was determined on scene that B1 was at fault for striking V2.
