145. Crash Description/Narrative

Vehicle #1 (Garbage Truck) collided with Vehicle #2 in a right angle crash on RT 88 in the right lane.

The Driver of Vehicle #1 stated he attempted to make a right turn from the parking lot near Jersey Waves (1715 RT 88) to travel eastbound on RT 88. Driver #1 stated when he attempted to turn the front of arms of his garbage truck struck Vehicle #2 along the middle of the passengers side.

The Driver of Vehicle #2 stated he was traveling eastbound on RT 88 in the right lane when Vehicle #2 exited the parking lot and struck his vehicle along the middle of the passengers side. Vehicle #2 had moderate damage along the middle of the passengers side.

Based on my observations and statements made by both parties I found the Driver of Vehicle #1 at fault for failing to yield to Vehicle #2.
