145. Crash Description/Narrative

I responded to 1608 Route 88 to conduct an investigation in reference to a motor vehicle collision. Vehicle 01 was backing out of a parking stall and Vehicle 02 was traveling straight ahead in the parking lot. The front of Vehicle 02 struck the rear passenger side bumper of Vehicle 01 causing a motor vehicle collision. No injuries were reported on scene.

I spoke with the driver of Vehicle 01 who stated the following: She was backing out of a parking spot and did not observe Vehicle 02. Vehicle 02 then struck the rear passenger side bumper of Vehicle 01.

The driver of Vehicle 02 stated the following: He was traveling straight ahead driving through the parking lot. Vehicle 01 began to back out of a parking spot right in front of him giving him no time to react, causing a motor vehicle collision.

After conducting my investigation it was determined Vehicle 01 was at fault for backing unsafely.
