135 Crash Description

Vehicle #02 was stopped on Fort Street at the intersection of Route 88. Vehicle #01 was stopped at the exit of 1608 Route 88, waiting to turn left on to Route 88 east.

Vehicle #02 turned right onto Route 88, east, as vehicle #01 began to turn right onto Route 88 east from the parking lot of 1608 Route 88. Vehicle #01 struck the left front wheel and tire with the right front bumper area of vehicle #01 causing damage to both vehicles.

Driver #01 stated that he began to turn, heard a squeal of tires and struck vehicle #02. He believed vehicle #02 turned and accelerated quickly.

Driver #02 stated that she had turned and was traveling forward on Route 88 when vehicle #02 began to turn and struck her vehicle. A bystander stated that she observed the accident and reported that she saw vehicle #01 completely in the lane of travel and moving forward before vehicle #02 began his turn.

Based on the location of the damage on vehicle #02 (front right wheel / tire) and the damage on vehicle #02, it is my opinion that vehicle #01 failed to yield the right of way to vehicle #02 and made an unsafe left turn onto Route 88.

Driver #01 was issued motor vehicle summons # 1506-E16-02687 for 39:4-123B improper left turn and 1506-E16-02689 for 39:3-29C failure to exhibit a valid insurance card. A valid insurance card was later forwarded to the Traffic Safety Office.

No injuries were reported in either vehicle and both were driven from the scene. Vehicle #02 had a three year old Terrier / mix canine in side at the time of the accident. It appeared uninjured at that time.
