135 Crash Description

On 4/2/16 at 1405 I, Ptl. Heschle #135 was working as a Brick Township Police Officer in marked police vehicle #102, when I was dispatched to an emergency call, C#19890-16. While in route, I was driving eastbound on Rt. 70 in the left lane. As I approached the intersection of RT. 70 and Rt. 88 I slowed down as to prepare to make a left turn. As I slowed, the traffic in the left lane of Rt. 70W/B stopped. I activated all the emergency lights, headlights and the sirens. As I initiated the left turn, Rt. 70 W/B traffic had stopped in all three lanes. As I slowly crossed the roadway to turn onto Rt. 88 W/B I observed vehicle 2 was stopped in the right lane and vehicle 1 was traveling in the center lane. An unknown vehicle made a sudden lane change from the left lane into the center lane, in front of vehicle 1. Vehicle 1 swerved into the right lane to avoid crashing into the unknown vehicle. Vehicle 1 braked but slid on the wet pavement and into vehicle 2.

I stopped and attended to the occupants of both vehicles. The driver of vehicle 2 complained of neck pain and the two occupants of vehicle 1 complained of pain to their chests and shoulders due to the seatbelt. Driver vehicle 1 stated she was not injured. Brick Police EMT 533 and 534 were dispatched and transported the injured parties to Ocean Medical Center (425 Jack Martin Blvd.)
