135 Crash Description

Vehicle 1 stopped in traffic on Olden Street southbound at intersection with Route 88. Vehicle 2 traveling eastbound on Route 88 approaching intersection with Olden Street.

Driver of Vehicle 1 stated she was waiting for the red traffic signal to turn green for Olden Street when the vehicle to the right of her started to move forward. She stated that she did not pay attention to the traffic signal to observe that it was still red and proceeded through the intersection against the red light. Vehicle 1 then entered into the lane of travel for Vehicle 2. Vehicle 2 crashed into Vehicle 1.

The impact of the crash caused Vehicle 2 to spin around 180 degrees and come to a rest facing westbound on the eastbound side of Route 88. The impact of the crash also caused Vehicle 1 to crash into and jump a curb.

Driver of Vehicle 2 stated that the light for Route 88 was green and when she proceeded through the intersection Vehicle 1 disregarded the red traffic signal for Olden Street and entered into her lane of travel. Driver of Vehicle 2 had no time to avoid the collision and crashed into Vehicle 1.

A witness on scene also stated that they observed Vehicle 1 disregard the red traffic signal on Olden Street and cross into Route 88 into the path of Vehicle 2 which had the green light and right of way.

Based on my investigation and observations on scene I determined Vehicle 1 to be at fault for the motor vehicle crash.
