145. Crash Description/Narrative

Vehicle #1 was traveling east bound on Rt 70 in the far right lane. Vehicle #1 was going through the light towards the Olden Street ramp. Vehicle #2 was on the Olden Street ramp at the intersection traveling though the intersection. Both vehicles traveled through the intersection at the same time and struck each other.

Driver of Vehicle #1 stated Vehicle #2 rolled into his lane while he was going through the intersection while he had the green light causing the crash.

Driver of vehicle #2 stated he had the green light and he began to driver forward but Vehicle #1 went through the intersection late striking him.

There were no witnesses on scene and due to the conflicting stories I could not determine who was at fault for the crash.
