145. Crash Description/Narrative

My investigation revealed the following: Vehicle 2 was traveling west on RT-70 in the middle lane. Vehicle 1 was following directly behind vehicle 2 in the middle lane. Vehicle 2 began to slowly approach the intersection of RT-70 and Jack Martin Blvd. Vehicle 1 did not notice vehicle 2 slowing and subsequently contacted the rear of vehicle 2.

Driver 1 advised while following vehicle 2, she did not realize it was slowing down. Driver 1 stated she then contacted the rear of vehicle 2.

Driver 2 advised while approaching the intersection, she was struck from the rear by vehicle 1. Driver 1 advised of head pain due to the crash and was transported by Brick EMS to Ocean Medical Center.

No further injuries were reported at this time. Both drivers were provided a copy of the case number. My department-issued body-worn camera was active during the investigation.
