145. Crash Description/Narrative

Two car crash occurred on 6/29/2022 at approximately 1357 hours on Route 88 westbound near the intersection with Route 70. My body worn camera was on during this investigation.

Driver of vehicle #1 advised he was traveling westbound on Route 88 in the right lane and the lanes began to merge into one lane. Driver of vehicle #1 stated vehicle #2 was traveling in the left lane next to him and came up quickly. Driver of vehicle #1 advised he struck vehicle #2 in the right middle with the left lower front of his vehicle.

Driver of vehicle #2 advised he was traveling in the left lane on Route 88 westbound when the lanes merged into one. Driver of vehicle #2 stated while traveling straight he was struck in the right middle with the left lower front of vehicle #1.

I observed moderate damage to the left lower front of vehicle #1 and moderate damage to the right middle of vehicle #2.
