145. Crash Description/Narrative

I was dispatched to 2005 Route 88 (Vintage Auto) in reference to a motor vehicle collision.

Upon arrival, It appeared as though V 01 was backing up in the parking lot and struck V 02 which was parked in front of the business.

I spoke with the driver of V 01 who stated the following: He was attempting to back out of the parking lot and did not observe V 02 parked behind him. He struck V 02 on the driver side door with the rear of his vehicle.

I spoke with the owner of V 02 who stated the following: He is an employee at Vintage Auto and had his vehicle parked in front of the business. He was not in his vehicle at the time of the motor vehicle collision.

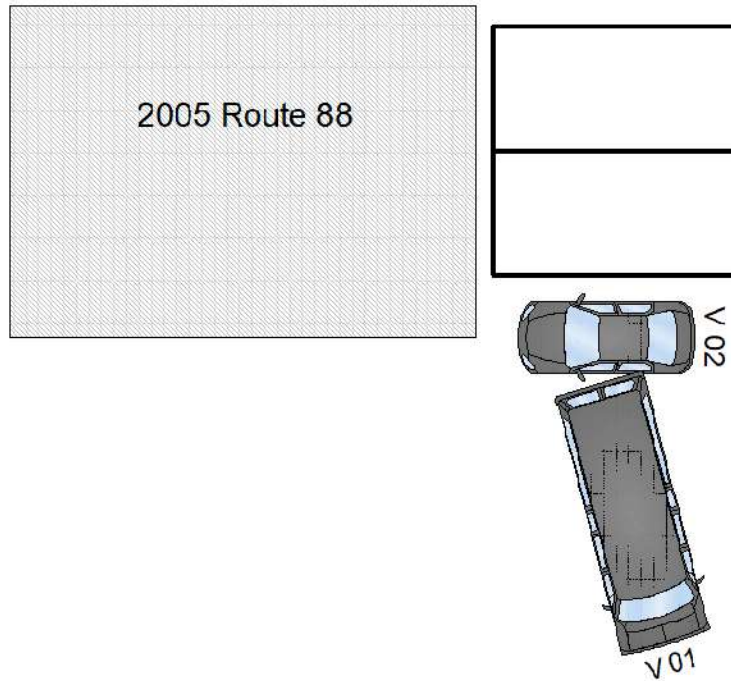

After my investigation it was determined the driver of V 01 was at fault for unsafe backing.
