145. Crash Description/Narrative

Vehicle #1 was traveling westbound on Route 70, merging onto Olden Street. Vehicle #2 was directly in front of Vehicle #1.

Driver #1 stated he was stopped on the ramp behind Vehicle #2 when his foot slipped off the brake pedal and his car rolled into the rear hitch of Vehicle #2. A dent consistent with hitting the rear trailer hitch receiver of attached to Vehicle #2 was observed on driver's side of the front bumper.

Driver #2 stated he was stopped at the yield sign waiting for traffic on Olden Street when he was struck from behind by the front of Vehicle #1. No damage to Vehicle #2 was observed.

Based on my observations and statements made by both drivers, I determined Driver #1 to be at fault for the crash.
