145. Crash Description/Narrative

On Wednesday June 22 2022 at approximately 2146 hours, I responded to the BP Gas station at 2081 Route 88 for a motor vehicle accident.

Upon my arrival I spoke with the driver, Margaret Strina. Strina advised she pulled up to the wrong side of the gas pump, due to her unfamiliarity with the rental vehicle (Vehicle 1). Strina advised she backed away from the pump and attempted to pull onto the opposite side but as she turned around the pump, the left side of the Vehicle 1 struck a post set into the concrete adjacent to the pump.

I also spoke with the gas station employee, Colin Ravaioli, who advised Vehicle 1 pulled into the gas station, but parked at the pump with the gas fill on the opposite side of the vehicle. Ravaioli stated he advised the driver she was on the wrong side. Ravaioli stated when the driver attempted to switch side of the pump, she struck the post near the gas pump.

After speaking with the driver, the employee, and observing the damage, the following was determined. Vehicle 1 entered the gas station and positioned on the wrong side of the pump, due to the driver not being familiar with

the rental vehicle. Vehicle 1 then attempted to reposition to the proper side of the gas pump but the driver did not allow adequate room while negotiating the turn for the wide turning radius needed for the truck. The left side immediately in front of the back tire then struck the post near the gas pump causing minor damage to Vehicle 1 and minor damage to the post. It should be noted no injuries were reported at this time and Vehicle 1 was driven from the scene. Vehicle 1 was determined to be at fault.
