145. Crash Description/Narrative

Investigation revealed a crash (side-swipe) occurred on State Highway 70 eastbound, in the intersection of State Highway 88. Vehicle one was traveling in the center lane of traffic, and vehicle two was traveling in the adjacent right lane. Neither vehicle required a tow, as vehicle one sustained minor damage (scratches on passenger side front wheel fender), and vehicle two sustained minor damage (scratches on driver side rear wheel fender). Prior to Police arrival, both vehicles were removed from the roadway to the parking lot of 1872 State Highway 88 (Walmart).

Driver one stated he was traveling eastbound on State Highway 70, in the center lane. Vehicle two was traveling in the adjacent right lane. When the vehicles approached the intersection of Olden Street, they both came to a stop for a red traffic signal. When the traffic signal turned green, both vehicles started straight ahead. As both vehicles traveled through the intersection, vehicle two swerved to its left, causing its driver side to crash into vehicle one's passenger side.

Driver two stated he was traveling eastbound on State Highway 70, in the right lane. Vehicle two was traveling in the adjacent left lane. When the vehicles approached the intersection of State Highway 88, they

145 Crash Description

both came to a stop for a red traffic signal. When the traffic signal turned green, both vehicles started straight ahead. As both vehicles traveled through the intersection, vehicle one swerved to its right, causing its passenger side to crash into vehicle two's driver side.

Both driver's had conflicting stories on what caused the crash, and where it occurred. During my investigation, I was able to view camera footage from 912 State Highway 70 (Brick Motor Inn), which overlooked the Olden Street intersection. At 0106 hours, both vehicles were observed traveling through the intersection with a green traffic signal, and no crash occurred. This indicated the crash occurred at the intersection of State Highway 88, as described by driver two. However, no camera footage could be obtained for the State Highway 88 intersection. Thus, it could not be determined which vehicle swerved into the other.
