Vehicle 2 legally parked, facing southbound in the parking lot of Walmart, 1872 Route 88. Vehicle 1 backing southbound into a parking space, directly behind Vehicle 2.

Owner of Vehicle 2 stated he parked his truck and went into the store. When he returned, the witness advised him his vehicle had been struck by Vehicle 1, which had previously left the area.

The witness stated she was sitting in her vehicle when she heard a loud bang and saw Vehicle 2 rock hard. She then observed Driver 1 exit Vehicle 1, walk to the rear of his vehicle and look at the damage to both vehicles. Driver 1 then reentered his vehicle, re parked it and went into the store. The witness took pictures of Vehicle 1 and later provided them to the owner of Vehicle 2. Driver 1 returned to his vehicle a short time later and left the area, prior to Vehicle 2's owner returning.

Lakewood Township Police responded to Driver 1's residence and spoke with him. Driver 1 stated he might have struck something. Lakewood police observed damage to the driver's side of the rear bumper of Vehicle 1, which was described by the witness as the area struck.

145. Crash Description/Narrative

Vehicle 2 was parked facing north, backed into a parking space, within the lines, at 1640 Route 88. Vehicle 1 was attempting to pull head into a parking space next to vehicle 2 and collided with vehicle 2 while doing so.

Driver 1 stated she was attempting to park next to vehicle 2 and misjudged her turn into the parking space, striking vehicle 2. I observed minor damage to the front passenger side wheel of vehicle 2.

Investigation revealed that the cause of the crash was due to driver 1 not judging the amount of space she needed to turn her vehicle and pull it into the parking space safely.

Two vehicle crash occurred on 3/9/2020 at approximately 1637 hours in the parking lot of 1890 Rt 88 Unit 1 (Walgreens). Dispatch advised there were no injuries reported. My body worn camera was on during this investigation. Ptl. Catalina #263 arrived on scene to assist in the investigation. Driver of vehicle #1 advised she was backing out of a marked lane space and did not see vehicle #2 in the aisle behind her. Driver of vehicle #1 stated she briefly took her eyes off of the area behind her to look at the cars next to and in front of her for clearance while backing. Driver of vehicle #1 advised she was not far out of the marked lane space when she impacted vehicle #2. Driver of vehicle #2 advised he was stopped in the parking lot aisle after backing out of a marked lane space. Driver of vehicle #2 stated he was waiting for traffic to clear in front of him prior to moving and was struck in the left lower middle by vehicle #1. A witness on scene, Trina Borelli (732-682-1650), stated she was in the parking lot waiting for traffic to clear. The witness advised she observed vehicle #2 stopped in the aisle and observed vehicle #1 back out of the

marked lane space without looking impacting vehicle #2 in the left middle with the left rear of her vehicle.

After assessing the damage to both vehicles and all parties' statements, my investigation concludes driver of vehicle #1 to be at fault for backing unsafely. The damage to the vehicles shows vehicle #2 was in the aisle prior to vehicle #1 backing.

145. Crash Description/Narrative

Vehicle 1 was dumping stone at 1748 Route 88. After dumping the stone the driver pulled forward before lowering the dump bed of the truck. The dump bed struck a wire spanning from pole number JC 201 BK to JC 202 BK. The wire between the two poles broke and caused the wire to pole number JC 200 BK to sag.

Driver 1 stated that after he dumped a load of stone on the lot of 1748 Route 88 he began to pull forward without lowering the dump bed of the truck. Driver 1 stated he did not look to the wire prior to pulling forward, thus, striking the wire with the dump bed of the truck.

Investigation revealed that the cause of the crash was due to driver 1's inattention to the height of the dump bed as relative to the height of the wires he was driving under.

Vehicle was legally parked at approximately 1130 hours, facing northbound in row 5 of the parking lot of Walmart, 1872 Route 88. At approximately 1210 hours, Vehicle 2 attempted to park facing northbound, on the driver's side of Vehicle 2.

Operator of Vehicle 2 stated she parked at approximately 1130 hours and upon returning to her vehicle at 1237 hours, found red paint transfer and damage to the lower driver's side rear of her vehicle.

I responded into Walmart and spoke with associates who reviewed video surveillance with me. At 1210 hours on the video, we watched as Vehicle 1, a red Toyota Rav4 pull into the parking space alongside Vehicle 2, striking it. Vehicle 1 sat for about 15 to 30 seconds before backing out of the parking space and moving down about 5 spaces and pulling partially into another space. Vehicle 1 sat for another short period of time before pulling northbound through the spaces and begin heading westbound on the parking aisle. Upon reaching the end of the parking aisle, Vehicle 1 stopped and turned southbound. Vehicle 1 then parked in a handicapped parking space directly in front of the store. None of the store cameras were able to capture the license plate of Vehicle 1.

145. Crash Description/Narrative

Vehicle 1 was traveling eastbound in the Home Depot parking lot with 53' box trailer. Vehicle 2 was traveling westbound in the Home Depot parking lot with a equipment trailer. While vehicle 1 was making a right turn vehicle 2 attempted to get out of its way and came to a complete stop. Vehicle 1 then sideswiped vehicle 2 with it's box trailer. Driver 1 stated he was making the turn and had to compensate for a pile of decking in parking lot. Misjudging the trailer angle it made contact with vehicle 2's rear end. Driver 2 state he moved out of the trucks way and came to a stop when the box trailer attached to vehicle 1 sideswiped his vehicle. Vehicle 1 was found at fault for the accident.

145. Crash Description/Narrative

Crash investigation revealed vehicle 2 was stopped at the stop sign at the exit of Laurel Square and Route 70 when vehicle 1 hit the rear of vehicle 2.

Driver of vehicle 1 stated he was stopped behind vehicle 2 at the exit of Laurel Square and Route 70. Driver of vehicle 1 further stated he believed vehicle 2 had merged onto Route 70 eastbound and began to roll forward.

While rolling forward he began to look for oncoming traffic and did not see that vehicle 2 had not merged onto Route 70. At that time the front of his vehicle hit the rear of vehicle 2.

Driver of vehicle 2 stated she was stopped at the stop sign at the exit of Laurel Square and Route 70. Driver of vehicle 2 stated while looking for oncoming traffic that was traveling eastbound on Route 70 she felt the impact of vehicle 1 hitting the rear of her vehicle.

On scene, I observed no damage to vehicle 1 and I observed minor damage to the rear of vehicle 2. Neither the driver of vehicle 1 nor the driver of vehicle 2 sustained injuries from the crash.

145. Crash Description/Narrative

Vehicle 1 and vehicle 2 collided in the parking lot of Walmart (1872 Route 88).

Vehicle 1 was traveling east through the parking lot when it struck the passenger side of vehicle 2.

Driver 1 stated she did not see vehicle 2 in the parking lot until the collision occurred. Driver 1 was unsure of where the vehicle came from or how fast it had been traveling.

Driver 2 stated she was parked in a spot when the vehicle began to overheat. Driver 2 stated she observed vehicle 1 traveling down the aisle when she attempted to pull out of the parking space and drive across the empty lot.

Driver 2 was attempting to cross the aisle when vehicle 1 struck the passenger side. Driver 2 advised based on the distance between the two vehicles she thought vehicle 1 would have stopped while she crossed however vehicle 1 never stopped.

A third party witness stated they observed vehicle 1 traveling through the lot at a high rate of speed.

145 Crash Description

Vehicle 1 sustained moderate damage to the front of the vehicle and was driven from the scene. Vehicle 2 sustained disabling damage to the passenger side as well as airbag deployment and was towed from the scene. Both children in vehicle 2 reported pain and their father refused medical attention on their behalf. 6 year old male had complaint of pain on his head due to the airbags while the 5 year old female had a complaint of pain from her car seat straps.

Based on my investigation I found both drivers to be equally at fault for the crash. Vehicle 1 was traveling at an unsafe speed through the lot while driver 2 failed to yield the right of way to the moving vehicle.

145. Crash Description/Narrative

Two vehicle crash occurred on 6/28/2020 at approximately 1255 hours in the parking lot of Home Depot (1722 Route 88). My body worn camera was on during this investigation.

Driver of vehicle #1 advised he was backing out of a marked parking space struck vehicle #2 in the left middle with the left rear of his vehicle. He advised he checked both ways prior to backing out but did not see vehicle #2 in the travel lane behind him.

Driver of vehicle #2 advised she was slowing coming up to a stop sign at the end of the travel aisle and was struck in the left middle by the left rear of vehicle #1.

I observed a dent and paint transfer on both vehicle.

Driver of vehicle #1 is at fault for backing unsafely, failing to yield the right of way, and driver inattention.

145. Crash Description/Narrative

Crash investigation revealed vehicle 2 was parked in a parking space in the parking lot of Walmart (1872 Route 88) when it was hit by vehicle 1. Vehicle 1 after hitting vehicle 2 fled the scene of the accident.

I spoke to the owner of vehicle 2 who stated she had parked her vehicle in the parking space at approximately 1510 hours. When she returned to her vehicle at approximately 1550 hours, she observed damage to the rear of her vehicle.

On scene, I observed minor damage to the rear of vehicle 2.

After speaking to the owner of vehicle 2, I spoke to a Walmart Loss Prevention employee who provided me pictures of vehicle 1 and a DVD containing footage of the accident. I was unable to view the video but was advised by the employee that the video shows vehicle 1 backing from a parking spot when it hits the rear of vehicle 2. Both the video and pictures were placed in the drop box located in the Police Property Room.

Vehicle 1 appeared to be a white transport van with the logo "YCS" on the driver side door of the vehicle and was

Both vehicles were in the Walmart parking lot (1872 Route 88). Vehicle 1 reversed out of a parking spot while

Vehicle 2 traveled straight ahead in the parking lot aisle. Vehicle 1 reversed out of the parking spot and struck

Vehicle 2. The rear passenger side corner of Vehicle 1 impacted the front driver side corner of Vehicle 2.

Driver 1 stated he attempted to back out of the spot but another uninvolved vehicle on his left side obstructed

his view. Driver 1 advised he failed to observe Vehicle 2 when he reversed and struck Vehicle 2.

Driver 2 stated she was traveling in the aisle of the parking lot to look for a parking spot. Driver 2 advised

she observed Vehicle 1 reverse out of the spot but she could not stop in time before Vehicle 1 impacted Vehicle

2.

Through my investigation, I find Driver 1 to be at fault for backing unsafely and driver inattention.

145. Crash Description/Narrative

Two vehicle crash occurred on 9/3/2020 at approximately 1415 hours in the parking lot at Laurel Square (1930 Route 88) in front of Image Sun Tanning Center. My body worn camera was on during this investigation.

Driver of vehicle #1 advised she was backing out of a marked parking space slowly and did not notice vehicle #2 behind her in the travel lane. Driver of vehicle #1 stated as she backed out she struck vehicle #2 in the right middle with the right rear of her vehicle.

Driver of vehicle #2 advised she was in the travel lane coming to a stop and was struck in the right middle by the right rear of vehicle #1.

Driver of vehicle #2 stated she had a complaint of pain in her neck when she was jolted from the crash. Brick Police EMS responded and driver of vehicle #2 refused further medical attention after being checked out on scene.

Driver of vehicle #2 stated she had a prior neck injury and wanted to make sure she didn't aggravate it. Driver of vehicle #2 advised she would respond to the hospital on her own at a later time.

145. Crash Description/Narrative

V2 was backing southeast out of a marked parking space on the private property of 1610 Rt. 88. V1 was driving southwest forward out of the marked parking space two spots away.

D2 stated she looked both ways before backing her vehicle southeast into the lane of travel. V1, which was initially traveling eastbound in the adjacent lane of travel, made a fast turn across the marked parking spaces from the other side of the lot. D2 went on to explain that D1 crossed through the marked parking spaces and made a right, striking her vehicle as she was backing.

D1 stated she was parked in the marked parking space and made a right turn southwest into the lane of travel, striking V2 which was backing.

Upon further investigation, it appears the amount of damage to both vehicles would have been caused by a higher speed than starting from parking. Therefore it seems more likely that V1 had been traveling across the marked parking spaces, as D2 stated, rather than starting from parking, as D1 stated.

The results of my investigation revealed the following:

Vehicle 1 was in a marked parking space in the lot for Home Depot(1722 Route 88). Vehicle 2 was also in a marked parking space in front of Home Depot behind vehicle 1. The vehicles began to back out of the space nearly simultaneously. Driver 2 stopped his vehicle as he observed vehicle 1 also backing out. Driver 1 did not stop and continued backing until he struck vehicle 2.

Driver 1 stated he was backing out of the parking space and did not observe any other traffic in the area. He did not observe vehicle 2 until the crash occurred.

Driver 2 stated he began backing out of the parking space and observed vehicle 1. He stopped his vehicle but vehicle 1 continued to back up until it struck his vehicle. Driver 2 stated he did not have enough time to attempt any action to avoid the crash.

The vehicles were still in the position of the crash upon my arrival and the positioning supports the

Two vehicle hit & run crash occurred on 9/11/2020 at approximately 1428 hours in the parking lot of 1872 Route 88 (Walmart) involving a parked vehicle. My body worn camera was on during this investigation. Vehicle #1 was not on scene on my arrival. Owner of vehicle #2 advised he was inside the Walmart from approximately 1410 hours to the time of the call at 1428 hours and came out to find his parked vehicle had been struck. Owner of vehicle #2 stated a passerby advised him a brown car with black soft top had struck his vehicle and then drove off. I observed moderate damage to the left rear bumper of vehicle #2. I was unable to view Walmart's security footage at this time however I observed a camera at the door that could possibly have viewed the suspect vehicle.

145. Crash Description/Narrative

Vehicle #1 was parked in a marked parking space in the parking lot of Walmart, located at 1872 Route 88. **Vehicle #2** was parked in the spot directly behind **Vehicle #1**.

Driver #1 stated he backed out of his parking space and into the middle of the aisle. As he was switching his car to drive, he was struck by **Vehicle #2**. **Vehicle #1** suffered damage to the driver's side quarter panel and rear bumper.

Driver #2 stated he was backing out and did not see **Vehicle #1** already backing out. His backup camera and backup alerts did not go off and as he was backing up he felt the rear of his vehicle strike **Vehicle #1**. **Vehicle #2** did not suffer any damage.

Based on my observations and both statements made by the drivers on scene, I determined **Vehicle #2** to be at fault for the crash.

145. Crash Description/Narrative

The driver of vehicle #2 stated she was slowly moving in the parking lot of Home Depot, 1722 Rt. 88, about to turn into a parking space, when vehicle #1 backed into her. She stated that vehicle #1 struck the rear passenger side door of her vehicle causing damage.

The driver of vehicle #1 stated he was attempting to back out of a parking space in the Home Depot parking lot and failed to observe vehicle #2 directly behind him. He stated he struck her passenger rear door with his rear bumper. The driver of vehicle #1 admitted that the crash was his fault and that he failed to observe anything behind him.

No damage to vehicle #1. Moderate damage to vehicle #2. No injuries reported.

Based on both of the driver's statements as well as observing the damage to vehicle #2, it is my determination that vehicle #1 caused the crash by backing unsafely.
