135 Crash Description

Vehicle 1 was traveling east on Rt. 70 approaching Rt. 88 and stopped at the traffic signal. Vehicle 2 was driving on Rt. 88 towards Rt. 70 west. The crash occurred when vehicle 1 failed to observe the traffic signal and impacted vehicle 2. On scene I observed damage to the front of vehicle 1, and the left middle of vehicle 2. Both vehicles were towed because they were disabled. The front right passenger of vehicle 2 was transported to Ocean Medical center for a complaint of neck and chest pain.

The driver of vehicle 1 stated she was having a panic attack and driving to Wal Mart for medicine. The driver of vehicle 1 continued to state it was her fault because she saw a different signal turn green and believed it was her traffic signal so she began driving.

The driver of vehicle 2 stated he was driving on Rt. 88 towards Rt. 70 when vehicle 1 ran the red light and impacted him.

The driver of vehicle 1 was issued summons E16-850 for careless driving.
