135 Crash Description

Vehicle #01 was traveling south on Forge Pond Rd approximately 100 feet south of Olden St. While negotiating a curve in the roadway, driver of vehicle #01 lost control due to his speed during inclement weather and the snowy/icy roadway. Tire tracks in the snow revealed that vehicle #01 ran off the right side of the roadway, traveled briefly on the lawn on 1761 Forge Pond Rd and struck a fire hydrant which was located on the right side of the road. The force of impact caused the fire hydrant to become dislodged from its post and the hydrant fell to the ground. The front right corner bumper of vehicle #01 struck the fire hydrant, causing damage to that area on the vehicle.

No injuries were reported at the scene. Vehicle #01 was moved prior to police arrival. Driver of vehicle #01 was issued summons #T150896 for 39:4-97. The BTMUA was notified of the damage to the fire hydrant and responded to the scene.
