135 Crash Description

Investigation revealed vehicle 1 sideswiped vehicle 2 in the north travel lane of Van Zile Road approximately 240 feet north of Rt. 88. Driver vehicle 1 stated he began to make a left turn into what he thought was Aldi Plaza. When driver 1 realized he was making a left turn into Wells Fargo Bank he attempted to correct the turn and continue up to the Aldi Plaza entrance. At this time, vehicle 1 sideswiped vehicle 2, which continued to travel in the north lane of Van Zile Road. Driver vehicle 2 stated he was traveling behind vehicle 1, which made a left turn into the Wells Fargo Bank parking lot. While vehicle 2 continued north on Van Zile Road, vehicle 1 re-entered his lane sideswiping his vehicle. No injuries were reported on scene.

On arrival, I observed vehicle 2 stopped in the right shoulder of Van Zile Road at the intersection with St Dominic's Church. A mark in the roadway lead from vehicle 2's flat, left front tire back to the middle of the north Travel Lane. The point of impact was determined to be in the middle of the north travel lane. The physical evidence and statements made on scene indicated that vehicle 1 was responsible for the crash. Vehicle 1 left the lane starting a turn into the bank parking lot. When driver vehicle 1 realized it was the wrong parking lot he attempted to correct his mistake by reentering the north travel lane causing the crash. Owner vehicle 1 contacted Andrew's Auto body to tow his vehicle.
