145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 2 was stopped in traffic in the left lane on Route 70 west, just prior to the intersection with Olden Street. Vehicle 1 traveled west in the left lane and failed to stop as the vehicle approached vehicle 2. Vehicle 1 swerved to the right to avoid collision with vehicle 2 but was unable to stop in time to avoid the accident. The front driverside of vehicle 1 struck the rear passenger side of vehicle 2.

Driver 1 stated the following: She started in traffic because the light changed to green. She thought vehicle 2 began to move so she stepped on the gas. The front of her vehicle then tapped the rear of vehicle 2.

Driver 2 stated the following: She was stopped in traffic and the light changed to green. The rear of her vehicle was suddenly struck by vehicle 1.

The damages to both vehicles do not support driver 1's statement. Driver 1 was at fault for the accident and I issued her a summons for careless driving.
