135 Crash Description

Investigation revealed vehicle 1 rear ended vehicle 2 on Rt 88 approximately 50 feet west of Jack Martin Boulevard. Driver vehicle 1 stated he was traveling on Rt 88 behind vehicle 2 in the area of Jack Martin Boulevard. Vehicle 2 stopped in front of him causing him to brake. Driver vehicle 1's brakes locked up causing him to slide into the rear of vehicle 2. Driver vehicle 2 stated she was in stop and go traffic at the above intersection when vehicle 1 rear ended her. No injuries were reported on scene.

I observed vehicle 1 to have moderate front end damage and vehicle 2 to have moderate damage to the rear bumper. From the statements made on scene and physical damage to the vehicles I determined driver vehicle 1 was either traveling too fast for road conditions or inattentive causing the crash.
