145 Crash Description/Narrative

Driver of V1 stated he was stopped in traffic on New Hampshire Ave Southbound, waiting for the light at Hwy 70 to turn green. D1 stated a vehicle behind him was beeping, so when the light turned green he delayed driving forwards. D1 stated the vehicle that was beeping passed him on the right and V2 drove around him on the left, in the oncoming traffic lane. D1 stated they collided and ended in front of V2, where he slowed down from the crash. D1 stated V2 then collided with his vehicle again.

Driver of V2 stated he was stopped in traffic on New Hampshire Ave, behind a vehicle that was stopped behind V1. D2 stated there was some kind of road rage incident going on between V1 and the vehicle in front of him. D2 stated the vehicle in front of him passed V2 on the right and he went around V1 to the left. D2 stated V1 then accelerated quickly and they collided as he attempted to merge. D2 denied a second impact.

A witness (W1) stopped and provided a statement but wanted to remain anonymous. W1 stated V1 came around the jug handle and cut off a Honda CRV, that was in front of V2. W1 stated that when the light turned green to proceed South on New Hampshire V1 delayed driving, then did a burn out. W1 stated V2 attempted to go around V1 and then V1 accelerated past him.

I determined that both vehicles were at fault for this crash. The location of damage to V1 was the rear driver side panel in front of the rear tire, which indicated that V2 was merging right at the time of the impact. Further, both drivers and a witness agreed the crash occurred in the left lane. Based on these facts I determined V2 did pass in the oncoming lane to proceed past V1, who was delaying traffic. D1 should not have stopped traffic then stopped short after a collision with V2, and D2 should not have passed on the left, in the oncoming lane. I made my determination based on statements from both drivers, an anonymous witness statement, the location of damage to both vehicles and my observations of the crash scene.

145 Crash Description/Narrative

I responded to Hope Chapel Road and W. County Line Rd for a motor vehicle accident hit and run. Upon arrival I observed two vehicle on Hope Chapel Road about 25 feet south of the intersection of W. County Line Road. The driver of vehicle 2 stated that he was sitting at the red light waiting to make a left when a white pickup truck with red lettering made a left onto Hope Chapel Road from W. County Line Road. The truck was reported to have struck a curb before turning and striking vehicle 2 (V2) pushing it into V3. V1 then left the scene of the accident and continued south bound on Hope Chapel Road. The driver of V1 stated that his head hurt but declined medical attention. The driver of V1 stated he was going to get picked up by his wife and taken to a hospital later on. The driver of V3 said he was stopped in traffic at the light waiting to make a left onto W. County Line Road when V1 made a left onto Hope Chapel Road, struck the curb and struck V2 which then collided with V3. The driver of V3 denied any injuries. A white piece of bumper that fell off of V1 was secured at the scene. Tilton Towing towed V2.

V1. A description of the vehicle was given to dispatch and Ptl. Sandstrom advised Ptl. Vega #348 that he was out with the Ptl. Vega and I arrived at New Central Avenue and Gudz Avenue and met with Ptl. Sandstrom and V1. I observed the vehicle and the damage to the vehicle was consistent with the damage from the accident. Damage to the front passenger tire from striking a curb was present as well as damage to the driver side bumper. Ptl. Vega matched the piece of bumper we had to V1's damaged bumper and it matched up.

The driver of V2 stated he was going to get picked up by his wife and taken to a hospital later on.

I changed the above sentence to V2 instead of V1 because the driver of V2 was experiencing complaint of pain instead of the driver of V1.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was traveling northbound on River Ave approaching the intersection with Hurley Ave. He stated the vehicle in front of him was making a right turn onto Hurley Ave and he attempted to go around the vehicle. When he went around the vehicle, he crossed the lane marking and crashed into vehicle 2 which was in the left turning lane.

Driver of vehicle 2 stated he was stopped at the intersection on River Ave with Hurley Ave. He stated he was in the left turning lane and was crashed into by vehicle 1.

Vehicle 1 sustained minor damage to the rear drivers side door and was driven from the scene. Vehicle 2 sustained minor damage to the front passenger side bumper and was driven from the scene. No injuries were reported on scene.

Due to vehicle 1 failing to keep right, I find vehicle 1 at fault for this incident.

145 Crash Description/Narrative

Driver 1 stated she was stopped in traffic facing Westbound on West County Line Rd. She stated while stopped in traffic Vehicle 2 collided into the rear of her Vehicle.

Driver 1 stated after collision Vehicle 2 continued Westbound on West County Line Rd. Driver 1 was unable to provide any description of Driver or Vehicle information.

While on scene a Witness provided me with a picture that she took of the Suspect Vehicle. The picture depicted rear license PA "LNR2719." Witness observed a party get out of Vehicle and leave it in a parking lot near the Crash scene. Driver of Vehicle 2 is possibly a Hispanic Male unknown age.

I checked several parking lots Westbound of Crash location with negative results.

It should be noted Witness who provided the picture of suspect vehicle left the scene shortly after and personal information was not obtained.

I determined Crash was caused by Vehicle 2 for Following too Closely.

145 Crash Description/Narrative

The driver of veh1 was parked in the parking lot of 118 Clifton Ave. The driver exited the store to notice a large dent on the rear of his vehicle.

I watched the footage of the crash on the store surveillance system, which was located at the above address. I observed a black pick up truck reverse out of the parking spot, side swiping veh1. However the video froze and I was unable to view anything else. Store advised the system failed, return on Monday (08/08/22)

No medical attention needed

Veh2 at fault for crash. Searched the area unable to locate vehicle.

Veh1 sustained minor damage to the rear bumper.

145 Crash Description/Narrative

Vehicle #1 was parked facing East in front of 11 Fountain Drive. Vehicle #2 was facing North in a parking spot in front of 21 Fountain Drive and was backing out in the South direction when it crashed into Vehicle #1. Vehicle #1 sustained dents and scratches to the rear driver side quarter panel. Vehicle #2 sustained scratches to the rear bumper. There were no reports of injuries.

The owner of Vehicle #1 stated he did not witness the event but his neighbor did. The witness advised me he saw two Hispanic males in Vehicle #2. They appeared to be middle aged and the driver looked more Chinese. After Vehicle #2 backed into Vehicle #1, the parties went to a friend's apartment in the complex but unknown where.

Driver 2 spoke to the owner of Vehicle #1 and offered to fix the damage of the vehicle.

While in the area, I was unable to locate the driver and did not observe any cameras that would have captured the crash.

My investigation finds Vehicle #2 to be at fault for unsafe backing.

145 Crash Description/Narrative

Driver 1 stated as she was backing out of her parking space she collided with Vehicle 2. She advised me that she believes Vehicle 2 parked directly behind her vehicle shortly after entering hers, because she did not see a vehicle as she was exiting her residence.

Vehicle 2 was double parked directly behind Vehicle 1 when the driver of Vehicle 1 backed into her vehicle. Driver 2 advised me that she was in her vehicle at the time the incident occurred.

Vehicle 1 did not sustain any visible damage. Vehicle 2 had moderate damage to the driver side passenger door. There was no complaint of pain and/or injuries from both parties involved.

Based on the drivers statements and my observations I find both drivers to be at fault.

**Driver 1: Backing unsafely
 Driver 2: Improper parking**

145 Crash Description/Narrative

The driver of Vehicle 1 stated that he was at a stop and facing east attempting to make a left turn when Vehicle 2 crashed into Vehicle 1. After the crash, both vehicles pulled into a private lot and Vehicle 2 eventually fled the scene. The driver of Vehicle 1 was able to get the registration of Vehicle 2, and after a check of local history I checked a recent address and phone number of a potential driver of Vehicle 2, but had negative results.

Based on my observations and speaking with the driver of vehicle 1, I determined that Vehicle 1 was stopped in traffic and was attempting a left turn when Vehicle 2 crashed into Vehicle 1. After the crash, Vehicle 2 did not stay on scene and fled the area. The Jeep Wrangler involved was being towed on a trailer by Vehicle 1, was not struck or damaged.

127b: Trailer

Vehicle 1 Insurance NAIC#: I contacted Safety Insurance Company directly and they stated they do not have an insurance code or NAIC#.

Trailer attached to Vehicle 1: Maine registration 5070067

Vehicle being transported on Vehicle 1 trailer: Vin #1C4BJWEGXDL598388

145 Crash Description/Narrative

The owner of V1 stated she parked in front of 201 Clifton Avenue at 1530 hours on 08/02/2022. She stated when she returned at 1750 hours, she observed the front driver side fender was sideswiped by another vehicle. She stated the driver front door was also damaged as a result.

I personally observed V1 parked in front of 201 Clifton Avenue. I observed V1 to be parked in a marked 'No Parking' area. I observed damage to the driver front fender of V1 which appeared to be gray paint transfer. I observed the paint going towards the front of the vehicle, indicating it was struck by a vehicle traveling in the same direction V1 was parked. 201 Clifton Avenue and 204 Clifton Avenue have functional cameras which may have captured the incident. I was unable to obtain any footage on scene.

I was shown the copy of the insurance information and registration for vehicle 2. I was also showed a copy of driver 2's driver license which is from Mexico. It should be noted on the license it had the name David Heyayev (no further information) I was unable to run the Mexico DL and get more information from driver 2. I attempted to go to the registered owner address but did not get an answer at the door.

V1 was traveling south bound on S Clover St approaching the intersection of S clover St & Chambers Crescent when it struck side V2 who was attempting to make a left onto Arlington Blvd.

Driver 1 related that he was traveling south bound on S Clover St approaching the intersection of S Clover St & Chambers crescent. He stated once at the intersection V2 attempted to make a sudden left turn onto Chambers Crescent when V2 struck his vehicle on the rear driver side causing major damage.

Driver 2 related that he was traveling north bound on S Clover St slowing down making a left onto Chambers Crescent. He stated V1 accelerated his speed and caused him to stop in the intersection to avoid V2 of colliding with his vehicle. He stated V1 tried to avoid his vehicle but struck his vehicle on front driver side front bumper.

Based on statements from involved parties, witnesses, my observations at the scene, and damages to the vehicles, I determine that driver of V2 is at fault due to failure to yield to vehicle.

The driver of vehicle 1 stated that he was driving through the parking lot to park and vehicle 2 turned into his vehicle causing the crash. There were no injuries reported or observed to the occupant of vehicle 1. Vehicle 1 sustained what appeared to be disabling damage and was towed from the scene by a private tow company.

The driver of vehicle 2 stated that he was looking for a parking spot when vehicle 1 sped past him crashing into the side of his vehicle. The impact of the crash caused both vehicle 1 and vehicle 2 to crash into parked vehicle 3. There were no injuries reported or observed to the occupant of vehicle 2. Vehicle 2 sustained what appeared to be disabling damage and was towed from the scene by a private tow company.

Vehicle 3 was parked and unoccupied at the time of the crash. Vehicle 3 sustained what appeared to be minor damage to the rear bumper and was left on scene.

A witness located on scene stated that vehicle 2 was driving normally through the parking lot when vehicle 2 recklessly sped up trying to pass vehicle 2 and caused the crash.

Based on driver and witness statements I find driver 1 at fault of the crash for failure to yield right of way to vehicle 2.

Vehicle #1 was travelling straight on Countyline Road and was slowing down getting ready to make a right turn onto Ridge Avenue. Vehicle #2 was behind Vehicle #1 and attempted to pass her as she was getting ready to make the right turn which caused the crash. Vehicle #1 stayed on scene but left shortly after before police arrival. The operator of Vehicle #2 was able to obtain Driver 1 registration so a statement could be provided. Vehicle #1 sustained scratches and dents to the front passenger side quarter panel. Vehicle #2 sustained scratches to the middle driver side of the vehicle. There were no reports of injuries.

Driver 1 stated she was on Countyline Road and was going forward when the light turned Green. As she was getting close to the intersection to make a right turn onto Ridge Avenue, Vehicle #2 did not wait for her to turn and crashed into her vehicle. She advised me she did stay on scene but left before police arrival because she did not think she had any damage to her vehicle.

Driver 2 stated he was travelling straight on Countyline Road and was getting ready to make a right turn onto Ridge Avenue. As he was turning, Vehicle #1 was passing and the two vehicles crashed.

Judging from the damage on both vehicles along with driver statements, my investigation finds Vehicle #2 to be at fault for not yielding right of way to vehicle.

I was dispatched to 198 New Hampshire Ave for a party that struck a building with their vehicle and left the scene. The suspect vehicle was described as a black vehicle with NJ Reg. P37JBY.

I went to the scene and observed the damage. There was damage to the wall to the left of the front door and damage to the shelving a various items that were on the shelves. The Fire Department also responded along with Lakewood Inspections Department.

The Inspections Department red tagged the building until the damage can be fixed.

Ofc. Rusk #388 responded to the drivers address and she informed him that she pulled into a parking spot. Her foot slipped off the brake pedal and onto the gas pedal, causing her to strike the building. She said she panicked, backed up and left the area because she as nervous.

Driver 1 stated he was stopped in traffic facing Northbound on River Ave near the Access Road that connects to Chestnut St (Eastbound). He stated while stopped in traffic Vehicle 2 was traveling Westbound on the Access Road towards River Ave. He stated Vehicle 2 kept traveling without stopping and collided in the rear passenger side of his Vehicle.

Driver 1 stated Vehicle 2 turned around and briefly parked in the parking lot of 1255 River Ave. He stated Vehicle 2 then fled the area Eastbound on the Access Rd and continued Eastbound on Chestnut St.

Driver 1 could not provide a description of the driver or Vehicle Registration. Driver 1 described Vehicle 2 as White Box Truck with wording Miller Kosher displayed on the Vehicle. Driver 1 also provided me a Phone number (888-265-2900) displayed on Vehicle 2. I attempted to call the phone number with no answer.

I observed a Surveillance Camera on the side of 1263 River Ave (Lakewood Beauty Supply) which appears to face the Access Rd.

I determined Crash was caused by Vehicle 2 for Failing to Obey Stop Sign.

145 Crash Description/Narrative

Driver 1 was backing out of a parking space in the parking lot of 1 fairways Blvd and crashed into a pedalcyclist who was traveling Southbound in the parking lot.

Driver 1 stated he was backing out of a parking space in the parking lot of 1 fairways Blvd. He said he looked and didnt see anyone. While he was backing he crashed into a pedalcyclist who was traveling Southbound in the parking lot.

The operator of the bicycle stated he was traveling Southbound in the parking lot when vehicle 1 backed out of a parking space and crashed into him.

Both the bicycle and the vehicle sustained minor damage. The operator of the bicycle had a complaint of pain from his right wrist.

Based on my observations and speaking with both parties, I determined that driver 1 was at fault for failing too see the bicycle which would have avoided the crash.

I spoke with the driver of vehicle two (V2) and she stated she was traveling South on Park Avenue and V1 was in a driveway on Park Avenue with the rear of the vehicle sticking out into the South bound lane of travel. The driver of V2 stated she went around the V1, which was stopped halfway in the driveway of a residence, and both vehicles collided. I spoke with the driver of V1 and he stated he partially pulled into the driveway of his brothers residence on Park Avenue and was trying to properly park his vehicle so it wasn't in the lane of travel and both vehicles collided. The driver of V1 stated he was not actively backing up when the collision occurred. No injuries were reported and both vehicle appeared to have minor damage.

145 Crash Description/Narrative

Driver 1 stated he was traveling north on Lexington Avenue prior to the crash. He explained that as he was driving north and approached the intersection of 12th Street, vehicle 2, which was previously stopped at the stop sign facing east on 12th street, suddenly accelerated and entered his lane of travel and caused his vehicle to crash into vehicle 2 in the intersection. Driver 1 was not injured. Damage to vehicle 1 was minor.

Driver 2 stated she was stopped at the stop sign at the intersection of 12th Street and Lexington Avenue facing east prior to the crash. She explained that she observed vehicle 1 coming but added that she thought she had enough time to cross the street and began accelerating but was ultimately struck by vehicle 1 in the intersection. Driver 2 was not injured. Damage to vehicle 2 was moderate but functional.

As a result of my investigation, driver 2 was found at fault for failing to yield to a vehicle. End.

145 Crash Description/Narrative

Driver 1 stated she was traveling west on E Kennedy Blvd prior to the crash. She explained that just after driving through the intersection of Clifton Ave, vehicle 2 which was traveling east on E Kennedy Blvd made a sudden left turn in front of her to enter a parking lot on the north side of the roadway. She added that vehicle 2 did not use a turn signal which caused her to believe he intended to continue east on E Kennedy Blvd instead of turning. Driver 1 was not injured. Damage to vehicle 1 was moderate but functional.

Driver 2 stated he was traveling east on E Kennedy prior to the crash. He explained that he had come to a stop and put his left turn signal on and intended to turn left into a parking lot on the north side of E Kennedy Blvd. Driver 2 added that a vehicle in the left lane of westbound travel stopped to let him go, so he began accelerating but was struck by vehicle 1 in the right lane of west bound travel on E Kennedy Blvd. Driver 2 was not injured. Damage to vehicle 2 was moderate but functional.

As a result of my investigation, driver 2 was found at fault for failing to yield to a vehicle. End.

Driver #1 was making a right turn onto Towbin Ave from 990 Towbin Ave. Driver #2 was traveling North on Towbin Ave as driver #1 PULLED OUT OF 990 Towbin Ave. There were vehicles parked on the northbound side of Towbin Ave in front of 995 Towbin Ave. Driver #2 moved over a little to pass the parked vehicle as driver #1 was making his turn they collided. The debris from the crash was predominantly in driver #2's lane, and tire marks believed to be from vehicle #1 were also over towards driver #2's lane. 995 Towbin Ave was going to check their surveillance and was going to call me if they had anything. Due to the debris and both statements I found driver #1 to be at fault for the crash.

145 Crash Description/Narrative

V1 was traveling west bound on James St when it rear-ended V2 causing V2 to rear-end V3.

Driver 1 related she was traveling west bound on James St when she rear-ended V2. She stated that she was not paying attention and did not notice V2 was slowing down in front of her and she was unable to stop her vehicle in time.

Driver 2 related he was traveling west bound on James St and as he was slowing down in traffic his vehicle was rear-ended by V1 causing his vehicle to rear-end V3.

Driver 3 related he was traveling west bound on James St and was slowing down due to the traffic volume. He stated that his vehicle was rear-ended by V2.

Based on statements from involved parties, my observations, and damages to the vehicles, I determine that driver of V1 is at fault due to following too closely and driver inattention.

145 Crash Description/Narrative

V1 was traveling south bound on New Hampshire Ave when it rear-ended V2.

Driver 1 related he was traveling south bound on New Hampshire Ave. He stated that V2 began slowing down suddenly and he did not have enough time to break and rear-ended V2.

Driver 2 related that he was traveling south bound on New Hampshire Ave. He stated he began to slow down due to the traffic volume that was ahead of him and V1 struck his vehicle on the rear bumper.

Based on statements made from the involved parties, my observations, and damages to the vehicles I determine that V1 is at fault due to following too closely.

145 Crash Description/Narrative

The driver of V1 stated he was traveling north on Madison Avenue just north of Carey Street when he observed traffic ahead come to a halt. The driver further stated he applied his brakes but was unable to stop before rear ending V2. Damage was disabling to the front end. No injuries were reported by the driver.

The driver of V2 stated he was traveling north on Madison Avenue just north of Carey Street when he was rear ended by V1. The driver stated he was then pushed into the rear of V3. Damage noted to the front and rear of V2, ultimately disabling due to the front end. No injuries were reported by the driver or occupants.

The driver of V3 stated he was stopped in traffic while traveling north on Madison Avenue. The driver stated he heard V1 and V2 crash behind him so he accelerated in an attempt to avoid getting struck. The attempt was unsuccessful as V3 was rear ended by V2.

My investigation of the vehicles, roadways and drivers' statements concludes: V1, V2 and V3 were all traveling north on Madison Avenue in the left most lane. Traffic came to a halt, V1 was following too closely and rear ended V2. As of result of the initial impact, V2 was propelled forward and rear ended V3. The driver of V1 is found to be at fault for following too closely.

145 Crash Description/Narrative

Driver 1 stated he was traveling south on Lexington Ave prior to the crash. He stated that he was directly behind vehicle 2 prior to the collision. Driver 1 explained that there was a vehicle parked on the southbound side of the roadway and was unoccupied taking up almost all of the southbound lane of travel. He observed that vehicle 2 was stopped behind it and was not moving so he began steering to the left, crossed the double yellow centerline and began to pass both vehicles when vehicle 2 suddenly crossed the double yellow centerline and struck the passenger side of his vehicle as he was passing. Driver 1 was not injured. Damage to vehicle 1 was minor.

Driver 2 stated she was stopped in traffic facing south on Lexington Ave prior to the crash. She explained that she was directly in front of vehicle 1 prior to the collision. Driver 2 stated that she observed that there was a vehicle parked on the southbound side of the roadway and was unoccupied taking up almost all of the southbound lane of travel. She stated that she did not observe any vehicles coming in the oncoming northbound lane so she steered to the left and began accelerating in order to pass the stopped vehicle. She stated that she did not see that vehicle 1 was already attempting to pass and ultimately collided with vehicle 1 in the northbound lane of travel. Driver 2 was not injured. Damage to vehicle 2 was moderate but functional.

As a result of my investigation, both drivers were found with fault for improper passing and failing to keep right. End.

145 Crash Description/Narrative

Driver of Vehicle 2 stated he was stopped in traffic. As he attempted to start accelerating in traffic to continue eastbound on State Highway 70 E he was rear ended by Vehicle 1. Driver 2 had a complaint of pain in his lower back but refused medical attention on scene.

Driver of Vehicle 1 stated she was slowing in traffic and could not stop in time, striking vehicle 2 in the rear. Driver 1 stated that she was uninjured in the crash.

My investigation found vehicle 1 at fault for following too closely. A contributing circumstance to the crash were wet roads due to the recent rain.

145 Crash Description/Narrative

Driver 1 stated, a vehicle that was waiting in traffic on Hurley Ave stopped and allowed him to make a left turn out of the parking lot of 300 Hurley Ave. He stated while making a left onto Hurley Ave, driver 2 improperly passed traffic on the left and collided with the front of his vehicle. The damage was primarily to the driver side front end. No injuries reported.

Driver 2 stated, he was traveling east on Hurley Ave and crossed traffic on the left in order to enter the left turning lane. He stated, while doing so he collided with vehicle 1. The damage was primarily to the passenger side front end. No injuries reported.

As a result of my investigation, I, Patrolman Connor Woods #418 determined driver 2 at fault due to improperly passing traffic on the left which ultimately caused the collision.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was Westbound on Cross ST in the right lane. He stated as he was going forward, vehicle 2 who was in the left lane attempted to get into his lane of travel but crashed into the side of his vehicle. He stated the reason vehicle 2 was attempting to get into his lane was because vehicle 2 was stopped behind a vehicle who was stopped attempting to make a left turn onto Massachusetts Ave.

Driver of vehicle 2 stated she was Westbound on Cross ST in the left lane. She stated the vehicle in front of her was stopped to make a left so she attempted to go into the right lane but crashed into the side of vehicle 1. She stated she did not see vehicle 1.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and improper lane change as vehicle 2 needs to make sure it is safe before changing lanes.

145 Crash Description/Narrative

Driver #1 stated he was traveling West on 9th street and stopped for the stop sign at 9th Street and Clifton Avenue. Driver #1 stated he saw traffic was clear and proceeded through the intersection when the right rear of vehicle #1 was struck by the center front of vehicle #2. Driver #1 stated he reached the stop sign before vehicle #2 and was already in the intersection when vehicle #2 traveled south and collided with his vehicle. Vehicle #1 sustained moderate damage to the right rear quarter panel.

Driver #2 stated she was traveling South on Clifton Avenue and stopped for the stop sign at Clifton Avenue and 9th Street. Driver #2 stated she proceeded through the intersection and vehicle #1 collided with her vehicle. Vehicle #2 sustained moderate damage to the center front, but was able to be driven from the scene.

A witness on scene, Yossi Meyer, stated vehicle #1 was already in the intersection when vehicle #2 proceeded and collided with vehicle #1.

Driver #1 emailed me surveillance video from the shul on Clifton Avenue and 9th Street. The video coincides with Driver #1's statement. The video shows vehicle #1 stop, then proceed through the intersection when vehicle #2 pulls into the intersection after vehicle #1 and the collision occurs. The surveillance footage was attached to this case file in Spillman.

No injuries reported on scene. Driver #2 was issued motor vehicle summons #A294301 for 39:3-10 (Unlicensed Driver)

145 Crash Description/Narrative

DRIVER #1 STATED THAT HE WAS TRAVELING EAST ON E. 7TH ST AND STOPPED AT THE STOP SIGN AT THE INTERSECTION OF SOMERSET AVE. AFTER THE STOP HE CONTINUED FORWARD AND WAS STRUCK BY VEHICLE #2.

DRIVER #2 STATED THAT HE WAS TRAVELING NORTH ON SOMERSET AVE. AND STOPPED AT THE STOP SIGN FOR E. 7TH AND CONTINUED FORWARD. HE SAID HE DID NOT SEE VEHICLE #1 AND THEY COLLIDED.

THERE IS A DASHCAM VIDEO ATTACHED TO THIS CALL AND IT APPEARS THAT VEHICLE #1 DID NOT COME TO A COMPLETE STOP PRIOR TO ENTERING THE INTERSECTION. IT ALSO APPEARS THAT VEHICLE #2 PULLED UP TO THE STOP SIGN COMPLETED HIS STOP AND CONTINUED NORTH. HE WAS STOPPED AT THE STOP SIGN BEFORE VEHICLE #1 GETS TO THE INTERSECTION. I BELIEVE THAT SINCE VEHICLE #2 GOT TO THE INTERSECTION PRIOR TO VEHICLE #1 HE HAD THE RIGHT OF WAY AND DRIVER #2 IS AT FAULT FOR NOT YIELDING THE RIGHT OF WAY AND ALSO FAILING TO STOP AT A STOP SIGN.

V1 was traveling south bound on Vine Ave. V1 then made a left turn onto Essex Ave and struck V2 head on.

Driver 1 related she was traveling south bound on Vine Ave. She stated made a left turn onto Essex Ave and did not notice V2 slowing down at the stop sign on Essex Ave and collided head on with V2.

Driver 2 related he was traveling west bound on Essex Ave. He stated he was slowing down at the stop sign on Essex Ave as he approach the intersection of Essex Ave & Vine Ave. He stated v1 made a left turn from Vine Ave into his lane of travel and collided with his vehicle head on.

Base on statements made by the involved parties, my observation, and damages to the vehicles I determine that driver of V1 is at fault for improper turning.

Driver of vehicle 1 stated he was in the parking lot of 681 River Ave and was stopped behind vehicles waiting to exit onto River Ave. He stated while he was stopped, vehicle 2 backed into the side of his vehicle. He stated vehicle 2 was backing from a parking spot.

Driver of vehicle 2 stated he was parked in a parking space located at 681 River Ave. He stated when he attempted to back up he crashed into the side of vehicle 1. He stated he did not see vehicle 1 and did not realize they were backed up that far.

In my investigation I find vehicle 2 at fault for driver inattention and backing unsafely as vehicle 2 needs to make sure it is safe before backing up.

I responded to a two car motor vehicle accident at the intersection of Cedarbridge Avenue and S. Clover Street. Upon arrival I met with the driver of vehicle two (V2) and he stated that he was traveling West on Cedarbridge Ave in the left lane and passing the intersection of S. Clover Street. While he was going through the intersection, V1 attempted to make a left turn onto S. Clover Street from Cedarbridge Ave and struck V2. The driver of V2 stated the traffic light was yellow while he was going through the intersection.

I spoke with the driver of V1 and she stated she was traveling East on Cedarbridge Ave and attempted to make a left turn onto S. Clover Street when she struck V2. The driver of vehicle one stated the traffic light was yellow while she attempted to make the left turn.

No injuries were reported and both vehicles were drivable.

PROSPECT ST

145 Crash Description/Narrative

Driver of vehicle 1 stated he was Westbound on Prospect ST. He stated as he was going forward a vehicle was inching out and wanted to pull out in front of him so he slammed on his brakes. He stated when he slammed on his brakes and came to a stop, vehicle 2 crashed into the rear of his vehicle.

Driver of vehicle 2 stated she was Westbound on Prospect ST and was behind vehicle 1. She stated vehicle 1 stopped short causing her to apply her brakes and attempt to stop but she was not able too and crashed into the rear of vehicle 1.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and following too closely as vehicle 2 needs to give herself enough room between vehicles to stop safely.
