145. Crash Description/Narrative

Vehicle 1 (V1) was pulling into the parking spot next to Vehicle 2 (V2) that was parked, when the driver of V1 struck the rear left of V2 when pulling in.

I spoke with the driver of V1, who stated he did not know he struck the rear of V2 when pulling into the parking spot. Driver of V1 did not think he could fit into the parking spot, so he went to find one that he could pull into and park.

From my investigation, I determined that V1 is at fault for striking V2 when pulling into the parking stall.
