The owner of vehicle 1 walked outside to his parked vehicle in front of his residence, and noticed the vehicle behind him had its front bumper touching the rear bumper of his vehicle. Mr. Williams believes vehicle #2 lightly struck his vehicle as driver #2 was parking. The driver of vehicle #2 does not believe she struck vehicle #1 while parking, but I was able to see both vehicles contacting each other when I arrived. 145 Crash Description/Narrative

Driver 1, Joseph Barina was operating a 2021 Chevrolet Silverado, NJ J35-NUG. Mr. Barina stated he was stopped in traffic traveling east on Cedar Bridge Avenue just west of Oberlin Avenue South when the rear of his vehicle was struck by the front of the vehicle behind him.

Driver 2, Ziporah Fastag-Wolf was operating a 2019 Honda Odyssey, NJ U80-LFH. Mrs. Fastag-Wolf stated she was slowing her vehicle behind vehicle 1 on Cedar Bridge Avenue. Ms. Fastag-Wolf did not believe she made contact with the rear of vehicle 1.

I observed damage to the front license plate on vehicle 2 that matched the exact size of the tow hitch on vehicle 1. There was also damage above the rear tow hitch of vehicle 1 that appeared to have been made by the top of the license plate of vehicle 2. It appeared the front of vehicle 2 did make contact with the rear of vehicle 1.

Driver 2 was determined to be at fault for driver inattention. End of report.

MADISON AVENUE (ROUTE 9)

145 Crash Description/Narrative

Driver #1 stated she was traveling South on Madison Avenue (Route 9) just South of Main Street. Driver #1 stated a large truck towing a work trailer passed her on the right, and as it did, the corner of the trailer collided with the right front corner of her vehicle. Vehicle #1 sustained moderate damage and was able to be driven from the scene.

Driver #1 was able to obtain a license plate for Vehicle #2 and I was able to contact the company and speak to a supervisor. I was advised that he will have the driver return to LPD later in the day to provide his credentials and vehicle information. As of this writing, the driver never returned. Additional attempts will be made to find driver #2.

No injuries reported.

145 Crash Description/Narrative

The driver of V1 stated he was traveling east on Cedar Bridge Avenue when he observed traffic suddenly halt ahead of him. The driver stated he was unable to stop and rear ended V2. Damage was disabling to the front end. No injuries were reported.

The driver of V2 stated he was traveling east on Cedar Bridge Avenue when he observed an uninvolved vehicle two (2) vehicles ahead of him, come to a sudden halt and turn left into the parking lot of 317 Cedar Bridge Avenue. The driver stated V3 was able to stop in time and he was as well but was ultimately rear ended by V1. The driver stated after being rear ended, he was then pushed into V3. Damage was moderate to the front and rear bumpers. No injuries were reported.

The driver of V3 stated she was traveling east on Cedar Bridge Avenue when a darker colored uninvolved sedan ahead of her came to a sudden halt and turn left. The driver stated she was able to avoid impact but was ultimately rear ended.

My investigation concludes: V1, V2 and V3 were all in the left most eastbound lane of Cedar Bridge Avenue. An uninvolved vehicle stopped and made an abrupt left turn. V1 was following too closely and rear ended V2. As a result of the impact, V2 was propelled into V3. The driver of V1 is ultimately found to be at fault.

145 Crash Description/Narrative

The driver of V1 stated he was traveling east on Ocean Avenue (State Highway 88), negotiating a curve when he felt the rear end of the vehicle fish tail. The driver further stated the steering wheel locked and he ran off the road, struck a wood post and three parked vehicles before coming to a stop back on Ocean Avenue. V1's damage was disabling to the front end. No injuries were reported by the driver.

W1 Statement: W1 stated he was following behind V1 who appeared to be driving the speed limit. W1 went on stating V1 suddenly ran off the road to the right and struck several parked vehicles.

My investigation of the vehicles, roadways and statements concludes: V1 was traveling east on Ocean Avenue. V1's tires appeared to be completely worn and had hardly any tread left, rendering the vehicle unsafe. Due to the lack of traction, V1 was unable to properly negotiate the curve on Ocean Avenue. V1 ran off the road to the right, struck a wood post and three parked vehicles (V2, V3 and V4).

145 Crash Description/Narrative

Driver 1 stated she was traveling east on Cross St, when vehicle 2 pulled out in front of her causing the crash. Driver 2 stated he saw a vehicle traveling east on Cross St with a right turn signal on so he processed to make a left turn but was then struck my vehicle 1, who was behind the vehicle with the turn signal on.

I believe driver 2 was at fault because driver 2 failed to yield to driver 1. Driver 2 was unlicensed and was issued a motor vehicle summons 39:3-10b

145 Crash Description/Narrative

* **V2 INSURANCE: ALLSTATE, FLORIDA CODE -09388**

V2 was reportedly struck by a gray pickup truck driven by a female, which pushed her into V3. Driver 2 had no further description of V1. She did not report any injury. I observed minor damage to the rear of her vehicle. This crash occurred in the right lane of NJ-70 E. Driver 2 added that V1 sped off quickly after the crash; she said the female drive briefly stopped and said "please no police" before fleeing.

V3 had 8 occupants who spoke no English. I was able to identify the driver via her El Salvador identification. She will be ticketed for unlicensed driving. Driver 3 and her passengers did not observe V1. There was initially one occupant of V3 who appeared to have sustained a neck or back injury; she was sitting on the ground outside of V3 when I arrived. By the time I left every occupant of V3 requested an ambulance for various complaints of pain. At least one occupant of V3 used translation smartphone application to ask EMS to give them "something for the pain", which EMTs are unable to do.

I observed barely visible damage between V2 and V3. It should be noted that the complaints of pain made by occupants of V3 are suspicious in comparison to the sole occupant of V2, who absorbed a greater impact and yet reported no injury. The complaints of pain and requests for ambulances among the occupants of V3 seems to have an almost contagious effect beginning with the lone occupant who appeared to be injured when I first arrived.

No witnesses or other sources have come forward with information about V1.

145 Crash Description/Narrative

V1 was traveling west bound on John St when it struck V2 on the rear driver side tire.

Driver 1 related he was traveling west bound on John St. He stated his view was obstructed by the sun and he was unable to see V2 who was parked on the right shoulder of the road. He stated he collided with V2 on the rear driver side tire.

I was unable to get in contact with the owner of V2.

Based on driver 1 statements, my observations, and damages to the vehicle I determine driver of V1 is at fault due to driver inattention.

Arrived on location to find both vehicles had moved from the roadway into a nearby parking lot. No damage was noted to Vehicle 01 and moderate damage was noted to the rear bumper of Vehicle 02. No airbag deployment was noted. No injuries were reported on scene.

Based on statements and evidence on scene, both drivers were in stop and go traffic. When Vehicle 02 began braking, Vehicle 01 attempted to stop; but was too close and made contact with Vehicle 02.

Both vehicles remained operational and were driven from the scene by the listed drivers. JSM/324

145 Crash Description/Narrative

Arrived on location to find both vehicles out of the roadway. Vehicle 01 exhibited moderate damage to the rear bumper and no damage was noted to Vehicle 02. No airbag deployment was noted. No injuries were reported on scene.

Driver 01 stated that he was stopped on East Spruce Street at the intersection of River Avenue. A vehicle which was southbound on River Avenue was stopped and directed him to make the turn as the waiting vehicle could not turn safely as he was taking up too much of the lane. As he crossed River Avenue, Vehicle 02 came around the stopped vehicle on the right and came into the path of travel of Vehicle 01 making contact.

Driver 02 stated that she was headed south on River Avenue when "all of a sudden" Vehicle 01 was there and contact was made.

Based on the evidence and statements on scene, it is my opinion that both drivers share culpability as Vehicle 01 should have yielded and Vehicle 02 improperly passed the stopped vehicle on the shoulder. Both vehicles remained operational and were driven from the scene by the listed drivers. JMS/324

Driver 1 stated he was traveling south on Freedom Dr, when he hit a parked vehicle. Driver 1 did not realize he hit vehicle 2, until a vehicle behind him came next to him to inform him that he struck vehicle 2's mirror. Due to my investigation I find driver 1 to be at fault for driver inattention. Driver 1 did not have any injuries and vehicle 1 was driven from the scene.

144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

Driver 1 was traveling Eastbound on Tenth Street when she struck a parked vehicle. She advised me that as she was traveling East there was another vehicle traveling West at the same time which then caused her to strike the parked vehicle due to the narrowness of the roadway. Driver 1 also advised me that she thought that the vehicle was parking because it came to a complete stop prior to continuing West on Tenth Street.

Vehicle 2 was unoccupied and legally parked facing Westbound on Tenth Street. The registered owner of the vehicle was not present when the crash occurred.

Vehicle 1 sustained damage to the passenger side rear fender. Vehicle 2 sustained damage to the passenger side doors, right side quarter panel, and rear bumper. There were no complaints of pain and/or injuries to the driver and passengers involved.

Based on my observation I find Driver 1 at fault for driver inattention.

145 Crash Description/Narrative

Vehicle 1 was located at mile marker 53 on Route 70 East unoccupied with extensive damage to the front passenger side door and the right side of the fender.

I observed at the scene that Pole # 214005A44A81 had some damage and located near the pole was the passenger side view mirror and other parts of the vehicle.

Owner of vehicle 1 contacted the Lakewood Police Department via telephone and he told me he was advised by his car insurance USAA to leave the vehicle at the scene and they would send a tow truck to location to retrieve the vehicle. It should be noted that the driver did not notify 9-1-1 when the accident took place. Owner of vehicle did admit that he was driving the vehicle at the time of the accident.

He stated that an animal had crossed in front of him and to avoid hitting the animal he swerved to the right resulting in him striking the light pole.

Vehicle 1 was impounded and towed by Barina's Towing located at 160 Ocean Avenue in Lakewood, New Jersey.

As per my observation and admission from the driver, he was issued 2 summonses' for failure to report accident and for careless driving.

145 Crash Description/Narrative

Owner 01 stated Vehicle 01 was parked next to the gas pump and unoccupied. Owner 01 stated Driver 02 pulled away after getting fuel and forgot that the fuel hose was still connected to his vehicle. Owner 01 stated when Driver 02 pulled away, the fuel hose whipped from Vehicle 02 and struck Vehicle 01 leaving minor damage.

Driver 02 stated that he began pulling away from the fuel pump after getting fuel and forgot the fuel hose was still connected to his vehicle. Driver 02 stated that as he pulled away, the fuel hose struck Vehicle 01. Neither Driver 02 or Passenger 02 had any injuries or complaint of pain.

After my investigation, I concluded Driver 02 to be at fault for this accident due to failing to remember the fuel hose was still connected to his vehicle.

-1715 Madison Ave is the Shell gas station and the accident occurred at the fuel pump.

145 Crash Description/Narrative

The Driver of Vehicle #1 stated that prior to the crash he was traveling east bound on New Egypt Road. The Driver of Vehicle #1 stated that just before entering the intersection of New Egypt & Old Whitesville Road, Vehicle #2 turned out in front of him from north bound Old Whitesville Road. The Driver of Vehicle #1 stated that he attempted to avoid Vehicle #2, causing him to hit the ground and his vehicle strike Vehicle #2. The Driver of Vehicle #1 was transported to Jersey Shore Medical Center for treatment for injuries he sustained.

The Driver of Vehicle #2 stated that prior to the crash he was stopped at the stop sign in the north bound lane of Old Whitesville Road. The Driver of Vehicle #2 stated that he was preparing to make a left turn onto the west bound lane of New Egypt Road. The Driver of Vehicle #2 stated that he saw Vehicle #1 traveling east bound on New Egypt Road but he was "500-600 feet away." The Driver of Vehicle #2 stated that once he was turning he saw Vehicle #1 was closing in and he couldn't avoid him. The Driver of Vehicle #2 did not report any injury as a result of the crash.

I find the Driver of Vehicle #2 to be at fault for the crash due to him having a stop sign to obey.

Neighbor in the area was able to provide video evidence of the accident. Video is attached.

951 Madison Ave

145 Crash Description/Narrative

Vehicle 1 crashed into the rear of vehicle 2 in the parking lot of 951 Madison Ave.

Driver 1 stated he was in the parking lot of 951 Madison when he attempts to get out of his vehicle so his wife can drive. He stated he put the vehicle in park and as he attempts to get out of the vehicle his vehicle crashed with vehicle 2.

Driver 2 stated she was stopped in the parking lot of 951 Madison Ave when vehicle 1 crashed into her vehicle. She stated Driver 2 was in the process of switching drivers when the vehicle rolled forward into her vehicle.

There were no injuries on scene and both vehicles sustained minor damage. There is video of this incident which confirms what driver 2 stated.

Based on my observations and the video of this crash, I determined that driver 1 is at fault for failing to put the vehicle in park which caused the crash.

Vehicle 1 has Florida insurance and the information is as follows, Financial Responsibility Self-Insured Holder Certificate No. 4623 P.V. Holding Corp.

Driver of vehicle 2 stated she was traveling north on Clifton Ave through the intersection with 1st St. She stated as she got into the intersection, vehicle 1 drove into the intersection from 1st St causing her to crash into the side of the vehicle.

Vehicle 1 sustained minor damage to the front drivers side wheel well and was driven from the scene. Vehicle 2 sustained minor damage to the front bumper and was driven from the scene. No injuries were reported at the scene.

It should be noted vehicle 1 had a blinking red traffic light and vehicle 2 had a blinking yellow traffic light.

Due to vehicle 1 failing to yield to the right away of traffic, I find vehicle 1 at fault.

145 Crash Description/Narrative

Driver 1 stated she was traveling south on Clover Street prior to the crash. She explained that as she entered the intersection with Ocean Ave to continue south on to S Clover Street, vehicle 2 ran the red traffic signal and struck the driver side of her vehicle in the intersection. Driver 1 insisted that she had a green light. Driver 1 was not injured. Damage to vehicle 1 was moderate but functional. End.

Driver 2 stated he was traveling west on Ocean Ave prior to the crash. He explained that he had a green light as he approached the intersection with S Clover Street and began slowing down to make a left turn on to S Clover St when vehicle 1 suddenly entered the intersection from his right and struck the front right area of his vehicle. Driver 2 stated driver 1 ran the red light. Driver 2 was not injured. Damage to vehicle 2 was disabling.

As a result of my investigation, no fault could be determined due to conflicting stories and no available witnesses. End.

145 Crash Description/Narrative

Driver of vehicle 1 was travelling eastbound on Oak Street approaching the intersection of Sheraton Drive. She reported that the vehicle in front of her activated their left turn signal to turn onto Sheraton Drive, but did not turn their vehicle. She added that there were no vehicles oncoming where vehicle 2 should not be stopping.

Driver of vehicle 2 was eastbound on Oak Street slowing down to make a left hand turn onto Sheraton Drive. He stated that he was not sure if vehicles were coming westbound on Oak Street, but does remember getting struck in the rear by vehicle 1.

After my investigation, I determined that driver of vehicle 1 is at fault for travelling too closely. Vehicle 1 sustained moderate damage to the front driver side area near the headlight. Vehicle 2 sustained moderate damage to the rear passenger side of the vehicle. No injuries reported at the scene of the crash. Both vehicle 1 and vehicle 2 were able to drive from the scene.

145 Crash Description/Narrative

Vehicle 1 was traveling Eastbound on Broadway Avenue. Driver 1 mentioned that she was inching out of the parking lot (945 River Avenue parking lot) and as she was turning left V2 collided with her car.

Vehicle 2 was traveling Eastbound on Broadway Avenue. Driver 2 said that she made a right turn and shortly after V1 collided with her car.

Investigation revealed both parties are Eastbound Broadway Avenue. Vehicle 1 failed to yield the right of way to V2. I determined that Driver 1 was at fault after watching camera footage from Center of Town shopping center. Video footage showed V1 stopping her vehicle after the stop sign and slowly inching out due to traffic Westbound. Then it shows V2 making a right turn onto Broadway Avenue and then V2 turns left colliding with V1. No injuries were reported at this time.

145 Crash Description/Narrative

I responded to the 1777 Avenue of the States parking lot for a two car motor vehicle accident. I observed both vehicles parked in the parking lot. I spoke with the driver of vehicle two (V2) and she stated she was traveling South on Avenue of the States and passing through the intersection at Stadium Way when V1 was traveling North on Avenue of the States and made a left turn in front of her, causing an accident.

I spoke with the driver of V1 and she stated she was traveling North on Avenue of the States and slowing down at the intersection at Stadium Way to make a left turn. The driver of V1 stated she did not see V2 coming through the intersection when she made a left and was struck in the rear passenger bumper area as she made the turn from V2.

No injuries were reported. Damage was observed on the front passenger bumper area to V2 and the rear passenger bumper area of V1.

145 Crash Description/Narrative

The driver of V1 stated she was traveling east on Central Avenue, stopped in traffic when she was side swiped by a grey SUV or minivan. The driver of V1 stated V2 proceeded into the left turn lane and ultimately made a left, traveling north on Madison Avenue. The driver stated she did not see the make or registration of V2. Damage was to the driver rear fender. No injuries reported by the driver or passengers.

I personally observed V1, which displayed minor damage to the driver side rear fender. I further observed grey paint transfer. The Delta gas station (103 River Avenue) may have cameras that would have captured the incident but was closed. The area was canvassed for V2 yielding negative results.

145 Crash Description/Narrative

V2 was traveling East on Ocean Ave when V1 struck v2 head on.

Driver 2 related he was traveling East on Ocean Ave when V1 cut into his lane of travel causing his vehicle to collide with v1 head on.

Driver 1 related she was traveling West on Ocean Ave. She stated she was slowing down to make a left turn into 120 Ocean Ave. She stated as she was making the left turn, V2 which was traveling East on Ocean Ave increased it's speed and collided with her vehicle.

Based on statements made from the involved parties, my observations, and damages to vehicle I determine that driver of V1 is at fault due to failure to yield right of way of vehicle 2.

***It should be noted that V2 fled the scene of the crash prior to arrival. Also driver of v1 will be served summons in the mail for Failure to yield (39:4-90) and driving while suspended (39:3-40).**
