145. Crash Description/Narrative

Vehicle 01 was traveling west on Rt. 88 attempting to turn right onto Jack Martin Blvd. While making the right turn vehicle 01's rear passenger tire struck a metal piece of debris in the roadway causing the tire to become flat.

In speaking with driver 01 she advised striking the metal piece in the roadway and immediately observing her "low tire pressure" light come on. Driver 01 explained going into the Walgreens parking lot (1890 NJ-88) for approximately 2 minutes before exiting the parking lot to observe the metal debris in the roadway. Driver 01 then drove her vehicle down to Brian's Automotive (2064 NJ-88) and parked the vehicle due to the tire being completely flat. Driver 01 then contacted Brick Police for assistance.

After searching the area for the debris, I removed a flat piece of metal from the roadway and located vehicle 01 at Brian's Automotive. Vehicle 01 had a flat rear tire and a metal piece (which appears to have come from the debris) in the tire. The debris appears to have caused the tire to flatten.

After investigation it was determined the accident was unintentional and driver 01 is not at fault.
