145. Crash Description/Narrative

Vehicle #2 was traveling in the travel lane, in the parking lot of 1722 Route 88 (Home Depot). Vehicle #1 was backing out of a parking space in the parking lot of Home Depot. Vehicle #1's rear bumper struck the driver side of vehicle #2.

Driver of vehicle #2 stated he was traveling in the travel lane, in the parking lot of Home Depot. He was looking ahead at the parking space that was open on his right. He did not see vehicle #1 backing out of the parking space on his left. At that time, vehicle #1's rear bumper struck the driver side of his vehicle.

Driver of vehicle #1 stated he was backing out of a parking space in the parking lot of Home Depot. Prior to him backing fully out, he checked all of his rear view mirrors and allowed vehicles to pass. When he saw it was clear, he continued to back out. He did not see vehicle #2 travelling in the travel lane. At that time, his rear bumper struck the driver side of vehicle #2.

Based off my observations and both driver's statements, I find vehicle #1 at fault for backing unsafely. No injuries were reported at the time of the crash.
