145. Crash Description/Narrative

Please note, this is a hit and run MVC with no independent witnesses or surveillance footage available. The MVC is believed to have occurred on or closely around 08/11/2022 .

On 08/24/2022, I, Ptl. Bylsma #328, responded to the listed business for a reported MVC hit and run that occurred in the past. Upon arrival, I met with the victim/complainant, Sue Roth 5/13/55 (732-245-7747), property owner for this adress. Sue reported that on or about 08/11/2022 an unknown vehicle struck an air conditioner unit which is installed at the rear of the business building. The unknown vehicle struck the AC Unit, rendering it inoperable. No initial TR1 report was made at the time it was noticed, due to the fact that Sue believed the report was not needed to file a claim with her insurance agency. Upon learning the report was needed for the insurance claim, Sue contacted this agency.

Sue reported the approximate cost of repair to be \$7,600.00

V1 and D1 remain unknown, as well as circumstances surrounding the collision. For the diagram, it is uncertain if the vehicle backed into or pulled into the AC unit. It is unknown extent of vehicle damage or if any injuries
