145. Crash Description/Narrative

Witness, Kelly Bragg (732) 839-5259 stated that she watched as Vehicle #1 backed out of a parking space in the WalMart lot (1872 Rt 88) and crash into the rear of parked/unoccupied Vehicle #2. Bragg added that Vehicle #1 then left the area. Bragg gave Vehicle #1's registration as being U38KPK and described it as a silver Nissan.

The crash occurred in the first handicap parking space in front of the entrance to the store. I checked with the loss prevention officer for the store and was able to get video of the crash. The video showed that a male subject was driving the vehicle which is registered to a female. Additionally, it showed that Vehicle #1 backed quickly out of the space, through the lane of traffic and into Vehicle #2 so hard that it pushed Vehicle #2 into a handicap parking sign post. Vehicle #1 then left the area.

Dispatch contacted the registered owner of Vehicle #1, Colleen Dunn, who advised that friend, Carlos Jaime-Valdez was borrowing the vehicle since Friday (3-8-19) but she did not know where he was living. Jaime-Valdez has a Brick address of 150 Greenwood Loop Rd in Brick but he was not there nor was the vehicle. The resident there advised Ptl McGrath #277 that Jaime-Valdez stays there from time to time but she had not seen him recently.

I was later able to locate Jaime-Valdez who stated he was the driver of Vehicle #1.

145. Crash Description/Narrative

Both Vehicles #1 and #2 were heading east on the exit road out of the WalMart Lot (1872 Rt 88). Vehicle #1 was behind Vehicle #2. Vehicle #2 braked approximately 50 feet from Jack Martin Blvd and Vehicle #1 crashed into it's rear bumper.

The driver of Vehicle #1 stated that Vehicle #2 drove through a stop sign while making a right turn in front of him as he was making a left turn onto the exit road. He added that he had used his vehicle's horn as the two turned onto the exit road and started to head east. The driver of Vehicle #1 stated that the driver of Vehicle #2 then "brake checked" him which caused him to crash into it's rear bumper.

The driver of Vehicle #2 stated that as he approached the stop sign for the exit road, the driver of Vehicle #1 waved for him to turn first. In doing so, he explained that the driver of Vehicle #1 turned onto the exit road closely behind him and honked his horn. The driver of Vehicle #2 stated that he then braked after hearing the horn and that Vehicle #1 crashed into his rear bumper.

No injuries were reported on scene.

A check with Walmart's surveillance cameras showed that both vehicles involved neglected to stop at their respective stop signs prior to turning onto the exit road. The actual crash occurred just outside of the sight of the cameras but had one of the vehicles stopped at their stop sign. I believe that the crash would not have

Investigation revealed Vehicle #01 was parked in the parking lot of The Walmart (1872 Route 88) facing south.

Vehicle #02 was parked in the lot directly next to Vehicle #01 facing north. Vehicle #01 pulled out of its spot making a left, crashing into the left rear of Vehicle #02. Vehicle #02's rear bumper was completely ripped off as a result of the crash.

The driver of Vehicle #02, Lydia Stanislawski, stated her vehicle was parked in a parking space facing north. She stated on her break she was sitting in her vehicle. Stanislawski stated when her break was over she started walking back towards the store. Stanislawski stated she heard a crash while walking and looked back towards where her vehicle was parked. Stanislawski stated she saw that the champagne colored Ford F-150, which was parked next to her vehicle facing south, struck her vehicle. Stanislawski stated she ran towards the truck yelling, but the truck fled the scene.

An unknown patron advised me he heard the crash as well. He described the suspect vehicle as being possibly a 1998 Ford F-150. He stated it was champagne colored, having ladder racks and a loud muffler.

Vehicle#2 was parked in the parking lot of Walmart, located at 1872 Route 88, in the area of Wendy's. Vehicle#1 backed in next to Vehicle#2 causing Vehicle#1 to strike Vehicle#2. Vehicle#1 then fled the area. Vehicle#1 appeared to be a school bus based on yellow paint transfer and the fact that school busses are known to park in the area. Based on paint transfer a direction of travel, at the time of the crash, was also determined.

145. Crash Description/Narrative

Vehicle 2 legally parked facing eastbound, in the parking lot of IHOP, 1759 Route 88. Vehicle 1 backing out of a parking space, directly alongside Vehicle 2.

Vehicle 2 owner reported she legally parked Vehicle 2 in the parking lot of IHOP, sometime between 1130 hours and 1300 hours. Upon returning to her car, she did not immediately notice the damage, but discovered it later in the parking lot of 1930 Route 88.

It appears that Vehicle 1 was parked on the south side of Vehicle 2. When backing out of the parking space, they struck the passenger side rear of Vehicle 2 with the driver's side mirror of Vehicle 1 and fled the area.

Vehicle 1 is found to be at fault for backing unsafely.

145. Crash Description/Narrative

Vehicle 1 was parked in a marked parking spot, at 1715 Route 88 (Oxford Plaza). Vehicle 2 was also parked across from vehicle 2 near the dumpster, due to no parking spots, as well as the volume of vehicles driving in the lot.

The driver of vehicle 1 entered his vehicle and proceeded to back out of the parking spot. While backing from the parking spot, vehicle 1 made contact with the front bumper of vehicle 2.

Vehicle 1 had no visible signs of damage. Vehicle 2 sustained a small dent in the left lower front bumper.

Neither party sustained any injuries or complaint of pain.

The driver of vehicle 1 stated, "I was backing out of my parking spot and I backed into the front of the other vehicle. The other vehicle was parked by the dumpster's in an unmarked parking spot."

The driver of vehicle 2 stated, "I pulled into the lot and noticed no available parking spots. I then backed my work vehicle next to the dumpster's, so I wouldn't block the lane. Once I placed the vehicle in park I noticed the other vehicle exiting the parking spot. When I realized the vehicle was getting close, I beeped my horn for the vehicle to stop. I guess the driver didn't hear my horn and backed into my bumper."

Vehicle 1 was attempting to park in a parking stall in the lot of Walmart. Vehicle 2 was parked and unoccupied in an adjacent parking stall. Vehicle 1 impacted Vehicle 2, causing damage.

Driver 1 stated that prior to the crash, he was attempting to park his vehicle in a parking stall. As he began to park, he turned Vehicle 1 sharply to the right to avoid striking a brick-bordered island that houses a light pole. Driver 1 stated further that he avoided the island, but did not stop in time and struck Vehicle 2.

Due to the fact that Vehicle 2 was unoccupied at the time, owner of Vehicle 2 was unaware that his vehicle was struck until he responded back to the vehicle after shopping. Owner of Vehicle 2 advised that a concerned female told him that he vehicle was struck by Vehicle 1. Owner of Vehicle 2 located a note on his vehicle with a phone number, 732-534-6688, and the words "I hit your car" on the same note.

After several minutes, owner/operator of Vehicle 1 responded to his vehicle and provided all credentials for his vehicle.

145. Crash Description/Narrative

Vehicle #02 was parked in a parking space at Walmart, located at 1872 Route 88, while the female who had driven it there was loading bags into her vehicle through the driver side door which was ajar. Vehicle #01 was attempting to park in the parking space located directly next to the driver side of vehicle #02. As vehicle #02 pulled into the parking space, the right corner of the front bumper of vehicle #01 struck the driver side door of vehicle #02. Vehicle #01 proceeded forward after striking the door of vehicle #02, causing the door to become damaged.

Driver of vehicle #01 stated she thought she had space next to the ajar door of vehicle #02 while she was parking and misjudged how much room she had. No injuries were reported at the scene. Vehicle #01 was moved prior to police arrival.

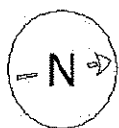

Based on my investigation, driver of vehicle #01 is deemed at fault for causing the collision with vehicle #02 due to her not paying complete attention while parking her vehicle.

145. Crash Description/Narrative

Vehicle 1 was backing out of a parking space in the parking lot of 1872 Rt. 88 when it collided with vehicle 2 who was also backing up. Driver 1 stated that she observed vehicle 2 pass behind her and once it was clear, she backed out of the parking space and was then struck by vehicle 2 who was backing up down the parking row. Driver 2 stated that when she observed a free parking space to her left, she stopped in the parking row and began backing up so she could attempt to park in that space but collided with vehicle 1. Both drivers were found to be partially at fault for the crash as neither had properly ensured that it was safe to back up prior to the collision.

145. Crash Description/Narrative

Vehicle 2 was traveling west through the parking lot of Walmart (1872 Route 88) and was stopped in traffic

behind another vehicle. Vehicle 1 was backing out of a parking spot and backed up into vehicle 2. Prior to my arrival dispatch advised that vehicle 1 left the scene, however, the driver contacted this agency and would be responding back.

Driver 2 stated that she was traveling in the parking lot towards Walmart (west) and she was stopped behind another vehicle. Driver 2 stated that vehicle 1 was in a parking spot to the rear and left of her vehicle and while it was backing out of the spot, vehicle 1 struck the rear of her vehicle. Driver 2 further stated that vehicle 1 left the scene and that the only description she had was a white SUV driven by a white female with blonde hair. Vehicle 1 was not on location upon my arrival.

Driver 1 returned to the scene and I spoke with her. Driver 1 stated she was backing out of a parking spot and that she did not observe vehicle 2 behind her. Driver 1 stated she backed up into the rear of vehicle 2, got nervous, and left the area. Driver 1 stated that when she calmed down she returned to the scene.

V1 legally parked and unoccupied in parking spot in parking lot of the Walmart located at 1872 Route 88.

V2 traveling through parking lot and attempted to park adjacent to V1. V2 then crashes into V1. V2 fled the scene prior to my arrival.

Video surveillance from Walmart does not have the resolution to obtain a license plate from V2. V2 appears to be a light colored minivan with a male driver. No further suspect vehicle information.

Based on my investigation and observations on scene I determined V2 to be at fault for the motor vehicle crash.

145. Crash Description/Narrative

Vehicle #1 was in the aisle attempting to find a parking spot. Vehicle #2 was backing out of her parking spot.

Driver #1 stated she was searching for a parking spot when she observed someone backing out of their spot behind

her so she began backing up when Vehicle #2 backed out of the parking spot and hit her. Vehicle #1 was a small

convertible style vehicle that had a larger decorative mirror approximately 2'x4' in dimensions sticking up in

the back seat that may have blocked her view of vehicle #2 backing out.

Driver #2 stated she began to back out of her parking spot when she did not see any cars coming. She observed

Vehicle #1 stopped past her so she continued backing out of her spot when Vehicle #1 starting backing down the aisle and into the rear driver's side part of the back bumper of Vehicle #2.

I spoke to a witness on scene, who wished to remain anonymous, stated he was trying to back out of his spot when

he saw Vehicle #2 begin to back out. When Vehicle #2 was backing out, he saw Vehicle #1 start backing up in the aisle and make contact with Vehicle #2.

Vehicle 1 was backing out of a parking space in the parking lot of Walmart, 1872 Rt.88, when it collided with vehicle 2 who had backed out of a parking space, stopped and was preparing to move north through the parking lot.

Driver 1 stated that she had just parked in a parking space but decided to move to a different space and began backing up. While backing up, she did not hear any horns or see vehicle 2 behind her until the time of impact.

Driver 2 stated that Prior to backing out of the parking space, she checked for approaching traffic and observed vehicle 1 park in a parking space behind her. After ensuring no other traffic was approaching and believing that vehicle 1 had parked in the space, she began to back up. Upon fully backing out of the space, she stopped the vehicle and was preparing to put it in drive and turn northbound in the lot when she observed vehicle 1 backing up toward her vehicle. Driver 2 sounded her horn to signal driver 1 that she was there but vehicle 1 continued backing until it struck her vehicle. The contributing factor for the crash was driver 1's failure to observe vehicle 2 stopped behind her before backing out of the parking space.
