145 Crash Description/Narrative

Upon arriving to the scene the gate guard reported that the driver of vehicle #1 entered the area prior to the gate being opened and then knocked the gate from its mount. The driver provided the guard with all of her information and they both agreed she could leave.

I spoke to the driver of vehicle #1 via phone and she reported that she was having a hard time hearing the gate guard and saw the gate to the resident entrance open and thought the guard told her she could go through. Once she started to move forward her vehicle struck the gate. She reported that there was no damage to her vehicle.

ALBERT AVE

145 Crash Description/Narrative

V1 and V2 crashed on Albert Avenue, in the area of the synagogue located at 699. V1 left the scene. Driver 2 followed V1 for a short time and obtained a registration (NJ XKYE39), which he described as a white cargo van with FedEx markings. This vehicle is registered to a delivery business, likely a FedEx subcontractor. Driver 2 explained that he was parked on the shoulder of Albert Avenue waiting to enter traffic when V1 clipped his driver side mirror. I observed that the mirror glass was cracked and hanging by a wire. The plastic body of the mirror housing did not appear damaged.

Brick PD was requested to make contact with a representative for V2 as the registered owner's address. I later received an update that Brick was told by the resident of 292 Birch Bark Drive that the owner of the delivery business no longer resides there. Without statement from Driver 1 I can no conclusively determine fault. Driver 2 maintained that he was not in motion or pulling into the roadway at the time of the crash.

At 1950 Rutgers University Blvd. I spoke with the driver of the school bus (Driver1) who stated that he was unaware that he struck vehicle 1 that is why he continued driving on.

The driver of Vehicle 2 stated she was stopped in traffic facing east on Spruce Street when Presidential Transportation School Bus #137 attempted to go around her and struck the drivers side rear wheel well area of her vehicle causing minor damage. The driver of Vehicle 2 stated the bus continued driving on. No injuries were reported from Vehicle 2.

Based on my observations and statements provided by both drivers, Vehicle 1 is at fault for the collision.

Driver 1 stated he was pulling up to the main gate entrance at Enclave Blvd and stopped to be let in. Driver 1 said he made eye contact with the security guard who raised the gate for him to come in. Driver 1 stated as he proceeded forward, the gate came down on his UPS truck.

Upon my arrival, I spoke with parties on scene of this crash. The gate guard stated a resident vehicle was pulling in and Driver 1 was directly behind it and as the gate raised for the residents vehicle, Driver 1 followed right behind causing the gate arm to strike his vehicle. Gate has a broken bolt but never detached. Driver 1 stated he does not recall a vehicle in front of him when he approached the gate guard. Driver 1 is at fault for driver inattention. No injuries.

THE DRIVER OF VEHICLE 1 STATED HE WAS BEHIND VEHICLE 2 IN THE DIRECTION OF WEST, WHEN VEHICLE 2 SLAMMED ON HER BRAKES ULTIMATELY CAUSING HIM TO GLIDE INTO VEHICLE 2, DUE TO THE WET ROAD.

THE DRIVER OF VEHICLE 2 STATED SHE STOPPED BEHIND A TURNING VEHICLE AND WAS REAR ENDED BY VEHICLE 1.

UPON MY INVESTIGATION, I CAN CONCLUDE THAT THE DRIVER OF VEHICLE 1 IS AT FAULT DUE TO THE FACT HE WAS FOLLOWING TOO CLOSELY NOT GIVING HIMSELF ENOUGH TIME TO PROPERLY UTILIZE HIS BRAKES DURING THE WEATHER CONDITIONS.

BOTH DRIVERS COMPLAINED OF NECK AND HEAD PAIN AND WERE CHECKED OUT BY EMS TO WHICH THEY REFUSED ANY MEDICAL ATTENTION.

145 Crash Description/Narrative

Driver of vehicle 1 was facing northbound in the right lane stopped at the traffic light on Clifton Ave and E County Line Rd. She reported that the vehicle behind her, vehicle 2, was honking at her while the light was red. Driver of vehicle 1 did not know why the driver was honking at her because the light was red and she did not have any turn signals activated since she was going straight. Driver of vehicle 2 continued to honk and attempted to squeeze around her vehicle ultimately scraping the rear passenger side bumper of vehicle 1.

Driver of vehicle 2 did not stay on scene, but the driver of vehicle 1 got the license plate for the other vehicle involved, NJ / F77RHF. The registration came back to a silver Mercedes-Benz GLC.

After my investigation, I determined that driver of vehicle 2 is at fault for improper passing. Vehicle 1 sustained minor damage to the rear passenger side of the bumper. Vehicle 1 was able to drive away from the scene. No injuries reported at the time of the crash. Unknown damage or injuries to vehicle 2.

145 Crash Description/Narrative

Driver of vehicle 1 was travelling northbound on Clifton Ave approaching the 4-way stop intersecting with 9th St. He stated that he did not see the stop sign and continued northbound on Clifton Ave. As he entered the intersection, driver of vehicle 2 was starting from the stop sign on 9th St to travel eastbound crossing over Clifton Ave. Driver of vehicle 1 struck the front end of vehicle 2 causing vehicle 2 to pull off to the shoulder. At that time, driver of vehicle 1 ricocheted into vehicle 3, which was stopped at the stop sign facing southbound on Clifton Ave that intersects with 9th St. After vehicle 1 struck the front end of vehicle 3, it lost control and went off the roadway to the left, hit a curb and crashed into a chain linked fence that ultimately stopped the vehicle's momentum.

After my investigation, I determined that driver of vehicle 1 is at fault for failure to obey stop signal. Vehicle 1 sustained disabling damage to the vehicle which was towed by Yitzy's Towing. Vehicle 2 sustained moderate damage to the front of the vehicle but was able to driver from the scene. Vehicle 3 sustained disabling damage to the vehicle which was towed by Artiga's Towing. There were no injuries reported at the scene of the crash.

Driver of vehicle 1 was issued a summons for Failure to Obey Stop Sign 39:4-144.

There are cameras mounted on the building at 345 9th St (BMG Beit Shalom AKA Alumni), however, the cameras could not be accessed at the time of the crash. A voicemail was left for the main office at the school in regards to obtaining camera footage.

V2 rear-ended V1 and caused V3 to rear-end V2 all while traveling east bound on E County line Rd.

Driver 1 related she was traveling east bound on E County Line Rd and had to slow down due to the traffic in front of her. She stated as she slowed down V2 rear-ended her vehicle.

Driver 2 related he was traveling east bound on E County Line Rd. He stated V1 stopped suddenly in front of his vehicle and he was unable to stop his vehicle causing him to rear-ended v1.

Driver 3 related she was traveling east bound on E County Line Rd. She stated V2 stopped suddenly in front of her vehicle causing her to rear-end V3.

Based on statements made by the involved parties, my observation, and damages to the vehicles I determine that drivers of V2 & V3 are at fault due to following too closely.

Driver 1 stated he was driving south on Chambersbridge Road when vehicle 2 suddenly pulled out of a gas station and in front of him causing him to crash into vehicle 2. Vehicle 1 sustained damage to the front bumper and fenders.

Driver 2 stated she pulled out of the Exxon gas station to go south on Chambersbridge Road. She saw vehicle 1 but believed she had enough time to merge. She pulled out causing vehicle 1 to then crash into her which in turn caused her to spin around and face northbound. Vehicle 2 sustained disabling damage to the driver side.

Based on my investigation vehicle 2 is at fault for this crash.

145 Crash Description/Narrative

D1 stated she was traveling Eastbound on Bruce Street when she came to a complete stop at the stop sign. She continued to state she then proceeded to make a left hand turn onto Congress Street when she collided with V2. D1 was adamant that she did not see V2 and that it was clear prior to entering the roadway.

D2 stated he was traveling Southbound on Congress street when the driver of V1 failed to stop at the stop sign and collided with his vehicle.

V1 sustained damage to the front bumper. V2 sustained damage to the driver side doors. There were no complaints of pain and/or injuries reported on scene.

I find D1 at fault due to D1 admission and driver inattention.

****It should be noted that D2 was uncooperative when asking for a statement. It should also be noted that I was advised by a party on scene that there was a front seat passenger in V2. The passenger (unknown name) left the scene prior to Police arrival with unknown injuries and/or complaints of pain.****

145 Crash Description/Narrative

The driver of V1 stated that she was at the intersection of New Hampshire & Ocean Ave in the left turning lane. While she was waiting for the green arrow, out of nowhere, V2 side swept her whole right side of your vehicle. The driver and passenger inside V1 were not hurt or injured and refused medical attention. V1 was disabled and removed by Moshe's Towing.

I was unable to gather the V2 side of the story. The driver of V2 was actively having a stroke at the scene. He was later transported to Monmouth Medicals Central for further treatment. V2 was parked at 194 New Hampshire Ave, Lakewood, NJ.

145 Crash Description/Narrative

V1 was traveling south bound out of the parking lot of 285 River Ave when it struck V2 on passenger side of vehicle.

Driver 1 related she was traveling south bound out of the parking lot of 285 River Ave onto Pine St. She stated as she was inching out onto Pine St she did not see V2 and struck V2 on the passenger side of vehicle.

Driver 2 related she was traveling west bound on Pine St when V1 struck her vehicle on the passenger side.

Based on statements made by the involved parties, my observations, and damages to the vehicles I determine that V1 is at fault due to drivers inattention.

***V2 has NY insurance: Geico General insurance, Policy# 0246-79-00-00.**

145 Crash Description/Narrative

Driver #1 stated he was traveling east on New Egypt Rd and as he approached the intersection of Old Whitesville Rd he was struck in the rear by Veh #2. Driver #1 states that two cars in front of him were turning right and they moved over so he could continue forward and then he was hit as he passed through the intersection. Driver #2 stated that she was on Old Whitesville stopped at the stop sign and was inching forward in to the intersection to make a left turn as she saw two vehicle going to make a right turn when she was struck by Veh #1. Driver #2 felt that Veh #1 was possibly driving on the yellow portion of the roadway and did not see him coming. This officers investigation finds Driver #2 at fault for the crash for failing to yield the right of way to Veh #1. Based on where the damage to Veh #1 is he was clearly in the lane of travel and had the right of way. Driver #2 can not enter in to an intersection to make a left turn unless it is clear, safe, and can see that no traffic is coming. Veh #2 should not of been in the intersection as Veh #1 had the right of way.

145 Crash Description/Narrative

D1 stated he was traveling Westbound on Laurel Avenue and came to a complete stop at the stop sign. He then entered the roadway to continue Westbound when V2 collided with his vehicle. D1 advised me that the roadway was clear prior to entering the intersection.

D2 stated she was traveling Southbound on South Clover Street when she collided with V1. She continued to state she tried to avoid the collision when she observed V1 in front of her vehicle, but it was too late.

V1 sustained damage to the passenger side cargo bed of the truck. V2 sustained significant damage to the front end of the vehicle. There were no complaints of pain and/or injuries from the drivers and passengers involved.

I find D1 to be at fault due to failure to yield right of way to vehicle and driver inattention.

****Please be advised that there was a small trailer attached to V1 but it did not sustain damage from the crash.****

145 Crash Description/Narrative

The driver of V1 stated that he was stopped in traffic due to a red light. While he was at the red light, out of nowhere, his vehicle was struck in the rear by V2. The driver of V1 was not hurt or injured. V1 left the scene safely.

The driver of V2 stated that he was behind V1. As he was behind V1, he noticed in the left-hand lane that other vehicles proceeded to go straight. The driver of a V2 mentioned that when he saw other vehicles going straight, he decided to go straight, causing him to collide with V1. The driver and all passengers inside V2 were not hurt or injured. V2 left the scene safely.

Based on my investigation, V2 is at fault for following too closely.

145 Crash Description/Narrative

D1 stated that she was stopped at the stop sign facing West prior to exiting the rear parking lot of 911 E County Line Rd. (Somerset Square Plaza). She continued to state once the roadway was clear she proceeded to make a left hand turn onto Twin Oaks Dr. when V2 collided with her vehicle. D1 then advised me that the driver of V2 was traveling at a high rate of speed prior to the collision.

D2 stated that she was traveling Northbound on Twin Oaks Drive when she collided with V1. She continued to state that the driver of V1 was exiting the rear parking lot of 911 E County Line Rd (Somerset Square Plaza) and attempted to make a left onto Twin Oaks Dr. when the collision occurred.

A witness on scene stated that the driver of V1 failed to make a complete stop at the stop sign and proceeded to make a left turn onto Twin Oaks Dr. without checking to see if the roadway was clear prior to doing so.

****Please be advised that D1 did not agree with the witness statement and she stated that she was a liar.****

Both vehicles sustained damages to the passenger side front bumper and fender. There were no complaints of pain and/or injuries from the drivers involved.

I find D1 to be at fault due to driver inattention and failure to yield right of way to vehicle.

145 Crash Description/Narrative

Pedestrian 1 stated she was driving Vehicle 1 when she pulled into the driveway of 47 Greenways Ln and believed to have shifted the vehicle into park, however actually shifted it into neutral. When Pedestrian 1 exited Vehicle 1, the vehicle began to travel backwards due to the decline of the driveway with no driver. The opened front driver side door of Vehicle 1 struck Pedestrian 1.

Vehicle 1 sustained no damages. Pedestrian 1 had a general complaint of overall body pain, however indicated majority of the complaint of pain was coming from her stomach.

From my investigation, I concluded Pedestrian 1 at fault due to failing to placing the vehicle into park prior to exiting it.

* Box 119a - Other Pedestrian Factors - Pedestrian 1 did not place Vehicle 1 into park prior to exiting it.

See Incident Report for further information.

145 Crash Description/Narrative

Driver of V1 stated that she was traveling south on Lanes Mill Rd. in the left lane of travel. Driver of V1 further stated that a vehicle that was in front of her proceeded to come to an abrupt stop, and made a left turn. Driver of V1 stated that at that time she came to an abrupt stop as well at which point, she was struck in the rear by V2. Driver of V2 stated that he was traveling south on Lanes Mill Rd. directly behind V1. Driver of V2 further stated that at the last second, V1 came to an abrupt stop, due to a vehicle turning left in front of her. Driver of V2 further stated that at that time, he tried to avoid a collision but ultimately ended up striking V1 in the rear. Driver of V2 stated that after he struck V1 in the rear, he was then struck in the rear by V3. Driver of V3 stated that she was traveling directly behind V2 when V2 came to an abrupt stop. Driver of V3 stated that once V2 came to an abrupt stop, she ended up striking V2 in the rear with her front bumper.

In conclusion to my investigation and the statements that were provided to me, I determined the driver of V2 to be at fault for striking V1 in the rear for following too closely. I then determined that the driver of V3 to be at fault for following too closely behind V2 as well.

145 Crash Description/Narrative

Driver 1 stated that while traveling East on 5th St she did not completely stop and struck Vehicle 2.

Driver 2 stated that while traveling North on Monmouth Ave Vehicle 1 did not stop completely stop at the stop sign and struck her vehicle.

Vehicle 1 sustained damage to the front bumper consisting of paint transfer and dents.

Vehicle 2 sustained damage to the rear driver side corner panel and rear bumper consisting of dents and the bumper coming off of the vehicle.

Due to driver statements and my observations I determined that Driver failed to stop or yield and caused the crash.

There were no injuries reported on scene. Driver 2 was pregnant so she was taken to Ocean Medical Center in Brick as a precautionary measure. End of report.

145 Crash Description/Narrative

Driver 01 stated that he was traveling East on Ridge Avenue when he became distracted from looking at his vehicle's clock on the dashboard. Driver 01 stated when he regained his focus on the road, Vehicle 02 and Vehicle 03 were stopped in traffic due to Vehicle 03 letting another vehicle exit it's driveway. Driver 01 stated he attempted to stop, but did not have enough time and struck the rear of Vehicle 02 which then struck the rear of Vehicle 03. Driver 01 did not have any injuries or complaint of pain.

Driver 02 stated she was traveling East on Ridge Avenue and came to a complete stop behind Vehicle 03 because Vehicle 03 was allowing another vehicle to exit it's driveway. Driver 02 stated that while stopped, she was struck in the rear by Vehicle 01 which then pushed her forward causing her vehicle to strike Vehicle 03. Driver 02 did not have any injuries or complaint of pain.

Driver 03 stated she was traveling East on Ridge Avenue and came to a complete stop because she was allowing another vehicle to exit their driveway. Driver 03 stated that when she was at a complete stop, Vehicle 02 had struck the rear of her vehicle. Driver 03 did not have any injuries or complaint of pain.

After my investigation, I concluded that Driver 01 was at fault for the crash due to being distracted by the clock inside his vehicle and rear ending Vehicle 02 which then struck Vehicle 03.
