145 Crash Description/Narrative

Veh#1 was traveling South on New Hampshire Ave in the right lane. The driver of Veh#1 stated that he did not see anything in the road and was unsure of what he ran over. He stated he hit something in the roadway and the car almost flipped.

Upon viewing the area of New Hampshire Ave and Bellinger St, I observed a lot of metal and debris in the roadway. Large chunks of metal were located scattered in the roadway. The debris was indicative of a large appliance, likely a microwave, that was in the roadway and subsequently destroyed after being struck by Veh #1. This resulted in extensive damage to Veh#1.

No injuries were reported at the time of this report.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was Southbound on River Ave. He stated as he was going forward, vehicle 2 made a left turn in front of him causing him to crash into the side of vehicle 2.

Driver of vehicle 2 stated he was in the parking lot of 501 River Ave and was stopped waiting to make a left turn onto River Ave. He stated the Northbound traffic stopped to let him go so when he attempted to turn left onto River Ave south vehicle 1 crashed into the side of his vehicle. He stated when he attempted to turn there was no vehicle around and vehicle 1 was speeding because he was way down the street and came out of nowhere.

*vehicle 2 is a rental vehicle and is self insured.

In my investigation I find vehicle 2 at fault for this crash for driver inattention and failure to yield to vehicle as driver of vehicle 2 needs to make sure it is safe and clear before attempting to turn.

145 Crash Description/Narrative

Vehicle 2 is a Lakewood Police vehicle, vehicle number 4323. It was parked facing East on Prospect Street approximately 15-25 feet east of Murray Street. The vehicle was in a work zone area where roadwork was being performed. Vehicle 2 was parked in the center lane of the three lane street. In that immediate area, Prospect Street has a westbound lane, the center dual turning lane and an eastbound lane. Traffic was currently restricted from traveling in the center and westbound lane due to the roadwork. The eastbound lane was open to the normal flow of traffic. Vehicle 2 had its emergency lights activated to help inform the motoring public of the lane closure in that area as well as to alert to the presence of the work zone. The operator of vehicle 2 was sitting in the driver seat at the time of the crash. As he was sitting in the vehicle, vehicle 1 drifted into the center lane and struck the rear of vehicle 2.

The driver of vehicle 1 stated he left from the Highpoint Condominium Complex and was driving home. The complex is on Prospect Street approximately 200 feet west of where the crash occurred. The driver of vehicle 1 stated he must have fell asleep from the time he left to when he crashed into the rear of vehicle 2.

The driver of vehicle 1 did not report any injuries at the time of the crash. The driver of vehicle 2 reported a complaint of pain to his head, neck, face, shoulder area and knee. He was treated on scene by members of Lakewood Emergency Medical Services. He was transported to Monmouth Medical Center Southern Campus for further treatment. The driver of vehicle 1 displayed signs of intoxication. Through further investigation, he was arrested for driving while intoxicated. Vehicle 1 was towed from the scene by Barinas Automotive and impounded for Johns Law and for being unregistered. Vehicle 2 was towed from the scene for sustaining disabling damage.

Vehicle 2 is self insured through the Ocean County Municipal Joint Insurance Fund, self insured I.D. 05-87.

145 Crash Description/Narrative

Driver #1 stated he was traveling south in the left lane on New Hampshire Ave when Veh #2 merged in to his lane causing him to strike it. Driver #2 stated that she was changing lanes in to the left lane when she heard a boom and then ended up in the woods. This officers investigation finds Driver #2 at fault for the crash as she failed to yield the right of way to Veh #1 and should have made sure it was safe to change lanes prior to doing so.

Box 54 & 55: Driver #2 provided me this information however at the time of the report I could not find the insurance information. I could not reach driver by phone and the residence was under construction.

145 Crash Description/Narrative

Driver 1 stated that he attempted to take a left turn onto Clifton Ave and did not see Vehicle 2 driving and struck Vehicle 2 on the side.

Driver 2 stated she was driving straight ahead on Clifton Ave south bound when Vehicle 1 pulled out and struck her on the side.

After my investigation I determined Driver 1 to be at fault for failing to yield to oncoming traffic.

There were no reported injuries on scene. Driver 1 was issued one summons for failure to exhibit documents (39:3-29). Vehicle 1 sustained minor damage to the front passenger side bumper. Vehicle 2 sustained moderate damage to the driver side front and rear door.

End of report.

145 Crash Description/Narrative

Driver 1 stated he did not know what happened.

Driver 2 stated that he was heading west bound on 9th and Vehicle 1 was heading east bound. Due to a narrow roadway Driver 2 pulled his car to the side in order to let Vehicle 1 pass. While passing Vehicle 1 side swiped Vehicle 2.

After my investigation I determined Driver 1 to be at fault for side swiping the rear of Vehicle 2.

There were no reported injuries on scene. Vehicle 1 sustained minor damage to the front driver side quarter panel and door. Vehicle 2 sustained minor damage to the rear driver side quarter panel and bumper.

End of report.

145 Crash Description/Narrative

Driver 1 stated that she came to a complete stop on 9th street. She began to go when Vehicle 2 ran the stop sign heading north on Lexington Ave causing her to strike Vehicle 2 on the side.

Driver 2 stated she was traveling north on Lexington Ave and came to a complete stop at the stop sign. She began to go when she was struck on the side by Vehicle 1.

After my investigation I was unable to determine who was at fault due to conflicting statements and both drivers having a stop sign.

There were no reported injuries on scene. Vehicle 1 sustained disabling damage to the front end of the vehicle and was towed disabled by Yitz Automotive. Vehicle 2 sustained moderate damage to the middle of the passenger side.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was stopped westbound on Ocean Ave, to make a left turn into the parking lot of 1380 Ocean Ave. While he was waiting to make his turn, the driver of vehicle 1 stated vehicle 2 crashed into his vehicle.

Driver of vehicle 2 stated she was traveling west on Ocean Ave, behind vehicle 1. Driver of vehicle 2 stated vehicle 1 stopped to make a left turn and she did not have enough time to stop behind him, which resulted in her crashing into vehicle 1.

As a result of my investigation, I, Ptl. Livingston #373 determined the driver of vehicle 2 is at fault for this crash. Driver of vehicle 2 was following too closely to vehicle 1, which resulted in this crash.

145 Crash Description/Narrative

The driver of vehicle 1 stated that she was stopped at the traffic light waiting to travel south. As the traffic signal turned green, she took her foot off the brake and the vehicle rolled back and crashed into Vehicle 2. The driver of Vehicle 2 stated that she was also stopped at the traffic signal, and when it turned green she observed Vehicle 1 roll back and crash into Vehicle 2.

After speaking with all parties involved, I determined that Vehicle 1 took her foot off the brake and Vehicle 1 crashed into Vehicle 2. It should be noted that the entrance/exit does sit on an incline. Below is the supplemental insurance that the driver of Vehicle 1 provided since she was on her way to pick up her Uber passenger.

Supplemental Uber insurance for Vehicle 1: Progressive Commercial Period 1 Policy: 01245961. Period 2/3 Policy: 01245966. NAIC: 10852.

145 Crash Description/Narrative

A statement was not gathered from the driver of V1 as they left the scene of a crash.

The driver of V2 stated he was stopped at the intersection of Clover Street and Ocean Ave. Once the light turned green, he began to proceed forward, following the grey colored vehicle that was in front of him. Once the vehicle in front of him began to move forward, the driver of that vehicle stopped abruptly just passed the intersection, attempting to pickup a hitchhiker on the side of the road. The driver of V2 stopped as he took notice of the situation. Moments later, the driver of V1 crashed into the rear of V2 and left the scene of the accident. No vehicles were towed and no reported injuries from this incident. V2 sustained minor damage to the rear driver side.

The driver of V2 stated he does not remember any details about V1 but it being a white SUV.

Based on the statements provided and my observations, I find the driver of V1 at fault for "Following too closely".

145 Crash Description/Narrative

Driver of vehicle 1 was stopped at the traffic light on Pine St and MLK Blvd facing east bound on Pine St. She reported that she was in the middle of the intersection awaiting for traffic to clear up so she can make a left hand turn onto MLK Blvd. Driver stated that the light was now red and there were no vehicles coming her direction so she started to turn onto MLK Blvd. As she was turning, she reported vehicle 2 came out of no where and caused the accident. She added that she was unsure if there was any contact between the two vehicles.

Driver of vehicle 2 was travelling westbound on Pine St and was approaching the traffic light on MLK Blvd. He reported that the traffic light had a green arrow to turn right onto MLK Blvd. He added he was approximately the 4th vehicle in the turning lane. As he started making his turn, he stated he was struck by driver of vehicle 1 in the middle of the intersection.

After my investigation, I determined that driver of vehicle 1 is at fault for failure to yield to oncoming traffic. Vehicle 1 sustained no damage. Vehicle 2 sustained minor damage to the driver rear side door and tire. No injuries reported at the scene of the crash. Both vehicle 1 and vehicle 2 were able to drive from the scene.

145 Crash Description/Narrative

Driver 1 stated that she was traveling straight on Cross Street when she saw the car in front of her brake. She attempted to brake and her vehicle slid into Vehicle 2 due to the wet road caused by rain.

Driver 2 stated she was traveling straight on Cross Street when she was struck from behind by Vehicle 1.

After my investigation I determined Driver 1 to be at fault for following too closely and sliding on wet pavement after braking.

There were no reported injuries on scene. Vehicle 1 sustained moderate damage to the front bumper and hood. Vehicle 2 sustained moderate damage to the rear bumper and lift gate.

End of report.

145 Crash Description/Narrative

Driver 1 stated he was traveling straight on Cross Street when the car in front of Vehicle 2 abruptly stopped causing Vehicle 2 to abruptly stop. Driver 1 attempted to brake but slid into the rear of Vehicle 2 due to wet pavement causing the collision.

Driver 2 stated the car in front of her attempted to take a left turn from Cross Street and stopped abruptly causing her to brake. She was then struck from behind by Vehicle 1.

After my investigation I determined Driver 1 to be at fault for following too closely and sliding into Vehicle 2 due to wet pavement.

There were no reported injuries on scene. Vehicle 1 sustained disabling damage to the front end of the vehicle and was left on scene by the authority of the owner. Vehicle 2 sustained moderate damage to the rear bumper and lift gate.

End of report.

145 Crash Description/Narrative

Driver 1 stated that she was traveling in the left lane heading west bound on W County Line Road. Vehicle 2 pulled into her lane without looking and slammed on his brakes due to a car two cars ahead of him that slammed on their brakes. Driver 1 could not slow in time and struck Vehicle 2 in the rear which then struck Vehicle 3.

Driver 2 stated he was driving in the left lane west bound on W County Line Road when a car three cars ahead of him slammed on their brakes causing vehicles in front of him to slam on theirs. He was then struck from behind by Vehicle 1 causing him to move forward and strike Vehicle 3.

Driver 3 stated she was driving in the left lane west bound on W County Line Road when the car two cars ahead of her abruptly stopped to attempt to make a turn causing the cars behind it to slam on their brakes. She was then struck from behind by Vehicle 2.

After my investigation I determined Driver 1 and Driver 2 to be at fault for following too closely.

Driver 1 had a complaint of pain in her front tooth but refused medical attention. Driver 2 and Driver 3 had no reported injuries on scene. Vehicle 1 sustained minor damage to the front bumper. Vehicle 2 sustained minor damage to the rear bumper and moderate damage to the front bumper and driver side headlight. Vehicle 3 sustained moderate damage to the rear bumper.

End of report.
