145. Crash Description/Narrative

My investigation revealed the following:

Vehicle 1 was traveling in the parking lot of Seashore Surgical (495 Jack Martin Blvd.). Vehicle 2 was stopped in the travel lane in the same parking lot. Vehicle 1 attempted to maneuver around vehicle 2, and in doing so, struck the rear driver's side of the vehicle. Vehicle 1 then fled the area. Vehicle 2 suffered minor scrapes to the rear passenger side in the area of the tail light. No injuries were reported.

Driver 2 stated he was waiting to pick up a relative from the business. As he was waiting he observed a black Dodge Ram pull behind him. The driver of the Ram then tried to pull around his vehicle but struck the rear end. He told the driver that he struck his vehicle. The driver denied a crash occurred and left the area.

I was able to view surveillance video from Seashore Surgical. The contact between the vehicles cannot be clearly seen. The video does confirm driver 2's statements of the other events surrounding the incident. A female passenger can be seen entering vehicle 1 after the crash had occurred. She emerged from one of the neighboring offices but the specific office cannot be determined. A copy of the video was placed into property.
