145. Crash Description/Narrative

Vehicle #1 was facing north on Van Zile Road approaching Route 70, in the right most lane. Vehicle #2 was directly in front of Vehicle #1.

Driver #1 stated she was stopped behind Vehicle #2 for the red light when her foot slipped off the brake and her car rolled forward. The front of Vehicle #1 struck the rear of Vehicle #2.

Driver #2 stated she was stopped in the right lane when her vehicle was struck from behind by Vehicle #1.

Based on my observations and statements made by both drivers, I determined Vehicle #1 to be at fault for the crash.
