135 Crash Description

Vehicle 2 was parked and facing south in the lot of The Home Depot (1722 Route 88) in a row near the southeast corner of the building. Vehicle 1 was traveling in the same parking lot and attempted to park in a space directly along the passenger side of Vehicle 2. Vehicle 1 impacted Vehicle 2 while parking with the front driver side of Vehicle 1 striking along the middle passenger side of Vehicle 2. Vehicle 1 subsequently backed from the parking space and proceeded to park in another space a distance away from Vehicle 2. An employee of The Home Depot overheard the crash and notified the owner of Vehicle 2 of the incident when she arrived at her vehicle. The employee pointed out the location of Vehicle 1 to the owner of Vehicle 2 as well.

Damage was observed to the middle passenger side of Vehicle 2 resulting in blue paint transfer as well as some silver colored flakes of material. Vehicle 1 was still present at the time and Vehicle 1 was checked for damage as well. Damage was noted to the front driver side of Vehicle 1 resulting in red paint transfer consistent with the paint color of Vehicle 2.

The owner of Vehicle 1 was located on scene approximately twenty four minutes after police arrival. The owner of Vehicle 1 admitted that he was the driver and that his vehicle was involved in this crash. Driver 1 further admitted that he made no attempt to locate the owner of Vehicle 2 after the crash and made no attempt to notify police as well.

Driver 1 was issued summonses for this incident as follows: Careless Driving (39:4-97, E16 006658), Leaving the Scene - Unattended (39:4-129d, E16 006659), and Failure To Report (39:4-130, E16 006660).

135 Crash Description

On scene investigation concluded: Pedalcyclist #1 was traveling Eastbound in the Westbound shoulder of Rt. 88 in the area of the entrance to the Home Depot, 1722 Rt. 88. Vehicle #2 was stopped at a marked stop sign at the exit of the Home Depot parking lot, at the intersection of Rt. 88.

P #1 was traveling Eastbound in the shoulder, against the flow of traffic. P #1 was pedaling his electric Bicycle (Pedego 26" Classic City Commuter) approaching the entrance to the Home Depot. V #2 was stopped at the stop sign at the exit of the Home Depot observing the oncoming Westbound traffic. V #2 pulled forward into the shoulder of the roadway failing to observe P #1 at which time P #1 struck V #2. P #1 was unable to stop the bicycle and struck the passenger side of V #2, above the front tire. I observed minor dents on the passenger side hood and front quarter panel of V #2, and minor damage to the front fork and wheel of P #1.

The operator of P #1 stated, V #2 pulled forward into the shoulder and he was unable to stop. The operator of P #1 stated he believes the driver of V #2 is at fault for the MVA because he failed to observe him before entering the roadway.

The driver of V #2 stated he stopped at the stop sign and slowly pulled forward to view the Westbound traffic. The driver of V #2 stated he did not look to the right and failed to observe P #1 traveling Eastbound.

After striking V #2, the operator of P #1 was ejected from the bicycle and struck his head on the hood/windshield. The operator of P #1 had complained of head pain, neck pain, and had minor lacerations to his right arm. He was transported to Brick ER.

After concluding the on scene investigation, the operator of P #1 was at fault for traveling against the flow of traffic.

Both vehicles were moved from the scene prior to my arrival.

135 Crash Description

On 10/8/16 at 1101 I was dispatched to the parking lot of K Mart (1930 Rt 88) in reference to a hit and run motor vehicle crash. When I arrived on scene vehicle 2 was still there in its original parking spot. Vehicle 1 had left the area.

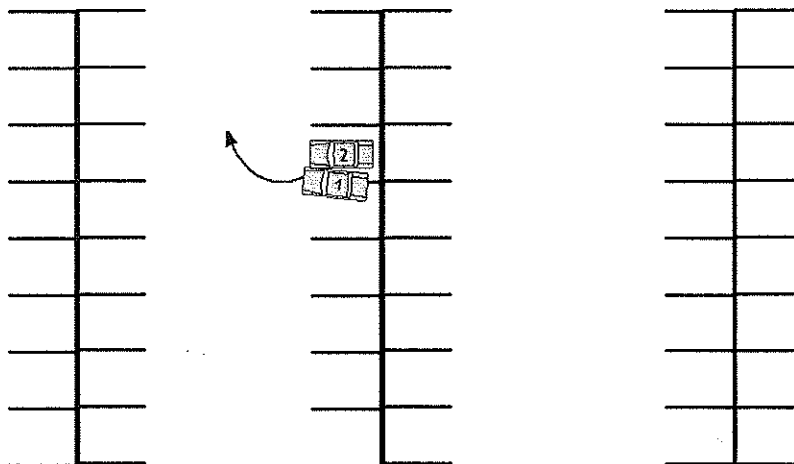

Owner vehicle 2 stated that about 20 minutes prior to calling police she had parked her car in the parking lot of K Mart. While entering the store she heard her car alarm go off but continued into the store. When she responded back to vehicle 2 she notice the front drivers side quarter panel and bumper had been struck. I inspected vehicle 2 and found fresh plastic and rubber rub marks on vehicle 2. I checked with management of K Mart and their surveillance system does not video the parking lot. It should be noted that there were no occupants of vehicle 2 at the time of the crash.

#24 & 25: no information due to this crash being a hit and run

135 Crash Description

Driver of vehicle # 1 stated he was backing out of his designated parking space. He stated "I did not see vehicle #2 backing out of his spot, When I saw him I could not shift out of reverse and the hook on my truck struck his vehicle."

Driver of vehicle #2 stated he was backing out of his spot and noticed vehicle #1 backing out as well. He stated he beeped the horn to get vehicle #1's attention however he was unsuccessful.

Based on my findings it appears vehicle #1 began backing out of the spot prior to vehicle #1. Vehicle # 1 stated he saw the vehicle and could not shift out of reverse.

135 Crash Description

Vehicle 1 was a white work van which was backed into a parking spot in the parking lot of the Home Depot located at 1722 RT 88. Vehicle 2 pulled into a spot next to Vehicle 1.

Driver of Vehicle 2 stated she observed a young white male strapping wood to the roof of the van as she left her vehicle and entered the store. Driver of Vehicle 2 stated that when she exited to store a few minutes later, she observe damage to her left rear fender that was not there prior to her entering the store. The owner of Vehicle 2 attempted to speak to a manager about obtaining video footage from store surveillance, but was denied by store managment.

UPDATED on 08-29-2016:

After days of attempting to contact Home Depot's Regional Loss Prevention office, my repeated calls went unanswered. I was attempting to locate video surveillance of the parking lot just outside the front entrance where the accident occurred. As a result, the report will be submitted on 08-29-2016 without information for Vehicle 1.

135 Crash Description

Vehicle 1 and 2 were traveling in the parking lot of Walmart (1872 Route 88) with Vehicle 1 in Row #2 facing south and Vehicle 2 in Row #1 facing north. Both vehicles backed from their respective parking spaces during which time Vehicle 1 and Vehicle 2 collided. Brick Police EMS were summoned to the scene for the complaint of abdominal pain to a juvenile passenger of Vehicle 1. No other injuries were reported at the scene and medical attention was refused by the parent (Driver 1) of the juvenile passenger. Impact resulted in damage to the rear of Vehicle 1 and no visible damage to the rear of Vehicle 2.

Driver 1 stated that she checked for oncoming traffic in both directions prior to backing and asked her daughter, a juvenile seated in a front facing booster seat behind the passenger seat, if any additional vehicles were approaching. The juvenile advised of "one more" which subsequently passed. Driver 1 stated that she did not see Vehicle 2 which was directly behind Vehicle 1.

Driver 2 stated that traffic was clear and she proceeded backing from her parking space. Driver 2 reported that Vehicle 2 was impacted from behind while changing gears to proceed forward travel.

Both vehicles had moved prior to police arrival. Based on statements of each driver and examination of both vehicles, it was determined that this crash was the result of Driver 1 failing to check the area directly to the rear of Vehicle 1 prior to backing. Both vehicles were able to be driven away.

135 Crash Description

Hit and Run crash occurred in the parking lot of Home Depot, located at 1722 RT 88, on 07/11/16.

The owner of vehicle #2, Frank Urso, advised he parked in the parking lot of Home Depot sometime between 1830 and 1930 hrs. on 07/11/16. He stated he was in a handicapped space across from the construction entrance. He was in the store for about a half an hour and then left. He recently just observed damage to the rear tailgate of his vehicle as well as damage to the rear passenger side taillight.

Investigation revealed some evidence, possibly wood fragments, on the taillight itself which would indicate someone backed out of a parking space with a load of wood sticking out of their vehicle. That wood struck the rear of vehicle #2 causing the damage. There does not appear to be any vehicle contact between the hit and run vehicle and vehicle #2.

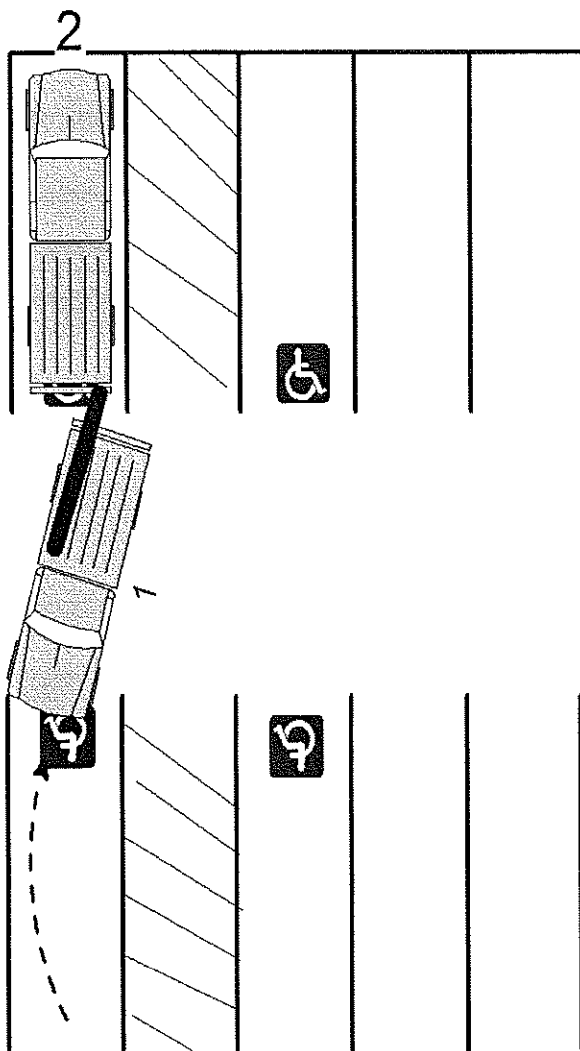

There is no information about vehicle #1 or its driver.

135 Crash Description

Crash occurred in the parking lot of Walmart, located at 1872 RT 88.

Pedestrian #1 stated he had just left Walmart and was walking to his vehicle when he was struck from behind by vehicle #1.

Driver #1 stated she had just pulled out of one aisle and was coming around to make a left down another aisle. She advised she did not see pedestrian #1 as she started her turn and subsequently struck him.

Pedestrian #1 had complaint of back pain, shoulder pain and was feeling dizzy. He was treated on scene by first aid and signed off refusing further medical attention at this time.

Driver #1 advised she was not injured.

I was able to view the surveillance camera footage of the crash. Pedestrian #1 is seen coming from the area of the store. He looked to the left, to make sure it was clear, prior crossing the roadway in the crosswalk. As he continues across the road he angles to the right, outside of the crosswalk and that is when he is struck by vehicle #1 which made the left turn too short. Copies of the surveillance footage were placed into property as evidence.

Driver #1 was issued summons #: E16004205 for Careless Driving, 39:4-97.

135. Crash Description

On 6/19/16 at 0822 I was dispatched to the parking lot of Home Depot (1722 Rt. 88) for a motor vehicle crash. When I arrived I located both vehicles. The vehicles had moved from the original crash site. Neither driver claimed any injury or wished for first aid.

Driver vehicle 1 stated that she was backing out of her parking space when she collided with vehicle 2. She checked her mirrors prior to backing but did not see vehicle 2.

Driver vehicle 2 stated that he had backed out of his parking space and was about to go forward when he observed vehicle 1's back up lights come on. He honked his horn but vehicle 1 backed into vehicle 2.

Vehicle #3 was stopped in traffic on Rt. 88 Westbound in the area of 1930 Rt. 88. Vehicle #2 was stopped in traffic on Rt. 88 Westbound, directly behind vehicle #3. Vehicle #1 was traveling Westbound on Rt. 88 directly behind vehicle #2. Driver #1 stated something flew through her open driver's side window and distracted her while she was traveling through the intersection of Rt. 88 and Van Zile Rd. She advised me she took her eyes off the road to see what came through her window, and when she looked up, she saw vehicle #2 stopped in front of her. Driver #1 stated she was unable to stop in time to avoid colliding into vehicle #2. The impact of the collision forced vehicle #2 into vehicle #3.

135 Crash Description

Vehicle 1 and 2 were located in the parking lot of Laurel Square (1930 RT 88). Vehicle 2 was parked and unoccupied in the area near the Cash Converters in row number 10 and five spaces from the main thoroughfare. Vehicle 1 was traveling through the lot and pulled into a space directly next to Vehicle 2 along the passenger side. While negotiating the vehicle into a parking space, the front driver side corner of Vehicle 1 impacted the rear passenger corner of Vehicle 2 causing minor damage.

The driver and passenger of Vehicle 1 disputed the fact that Vehicle 1 impacted Vehicle 2 although there were visible markers on both vehicles. The crash was also witnessed by a third party and a witness statement was obtained on scene and submitted along with this report.

Minor damage was noted to each vehicle and both vehicles were able to be driven away.

NJ Accident Supplement Report 2016-00034647

(Narrative Continued)

I ran the license plate and was able to determine the owner of vehicle #1. I spoke to him via phone after sending Manasquan Police to his residence. Manasquan Police reported to me that there was no observable damage to vehicle #1. Driver #1 admitted to being in the parking lot of 1771 Route 88 at the time of the crash. He stated to me that he does not believe he struck vehicle #2 and added that he never would have left had he known.

Due to the size and weight of vehicle #1, and the minor damage to vehicle #2, I believe that driver #1 did not realize that he struck vehicle #2 before leaving the parking lot.

135 Crash Description

Vehicle #2 was traveling west through the IHOP parking lot, 1759 Route 88. Vehicle #1 was coming from the area of Route 88 West via the cut through at 1743 Route 88. Vehicle #1 struck Vehicle #2 as Vehicle #1 entered the IHOP parking lot and attempted a left turn.

Driver #2 stated he observed Vehicle #1 coming so he stopped his vehicle. Driver #2 stated Vehicle #1 continued and in the course of making a left turn struck his vehicle. Driver #2 stated Vehicle #1 attempted too narrow of a left turn, causing it to strike his vehicle.

Driver #1 stated she did not see Vehicle #2 due to a wooden fence. It should be noted what appeared to be a newly constructed dumpster housing consisting of three fence panels was on the corner of the back lot of 1753 Route 88. It should also be noted there is no stop sign present for vehicles entering the IHOP lot from 1743 Route 88. It also appears Vehicle #1 did attempt too narrow of a turn, causing Vehicle #1 to strike Vehicle #2.

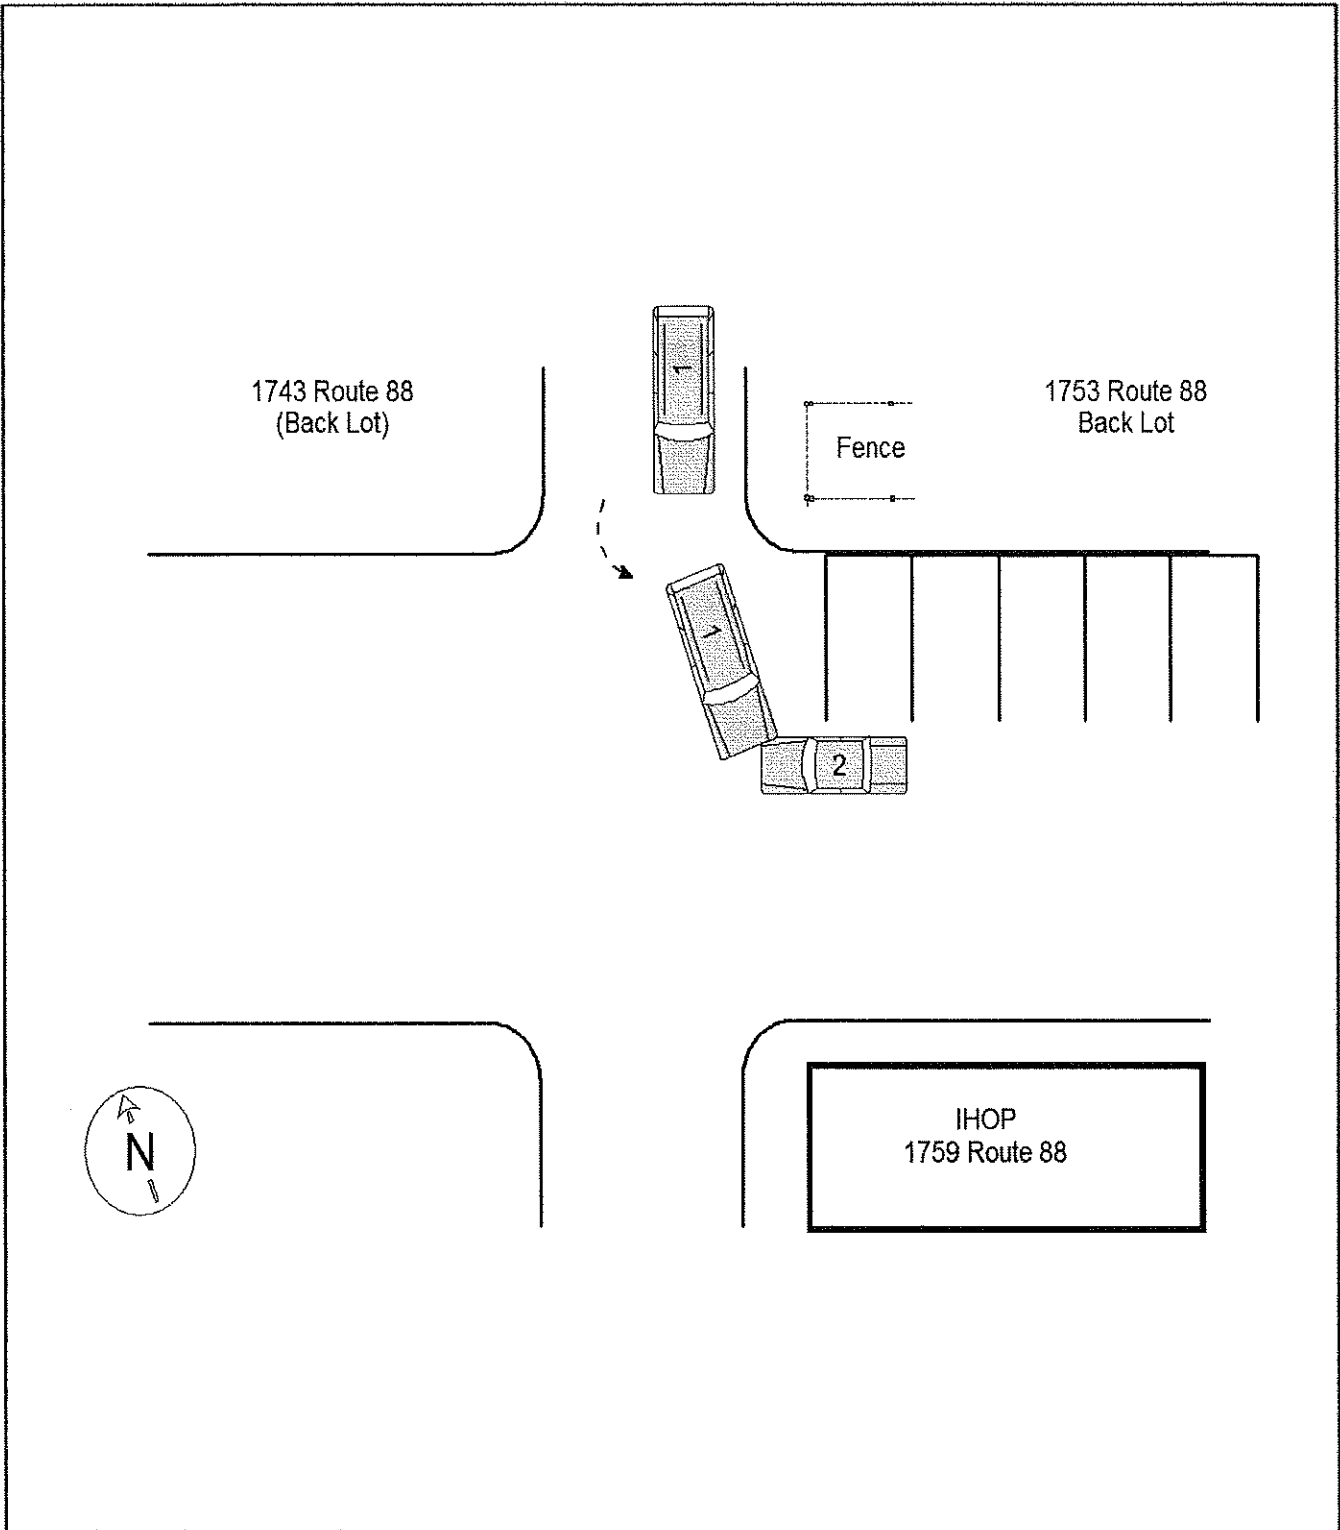

While I was taking this report I was approached by a subject who stated he witnessed the crash. The witness advised Vehicle #2 was completely stopped and Vehicle #1 turned into Vehicle #2. (See witness form for additional information)

135 Crash Description

Vehicle 2 was exiting Laurel Square Shopping Center (1930 Rt. 88) as she was hit in the rear by Vehicle 1. Vehicle 1 was behind Vehicle 2 attempting to exit on to Route 70 Eastbound. Driver 2 stated she was waiting for other traffic as she was struck. Driver 1 stated she was looking to her left, and thought Vehicle 2 was moving as she rolled into her.

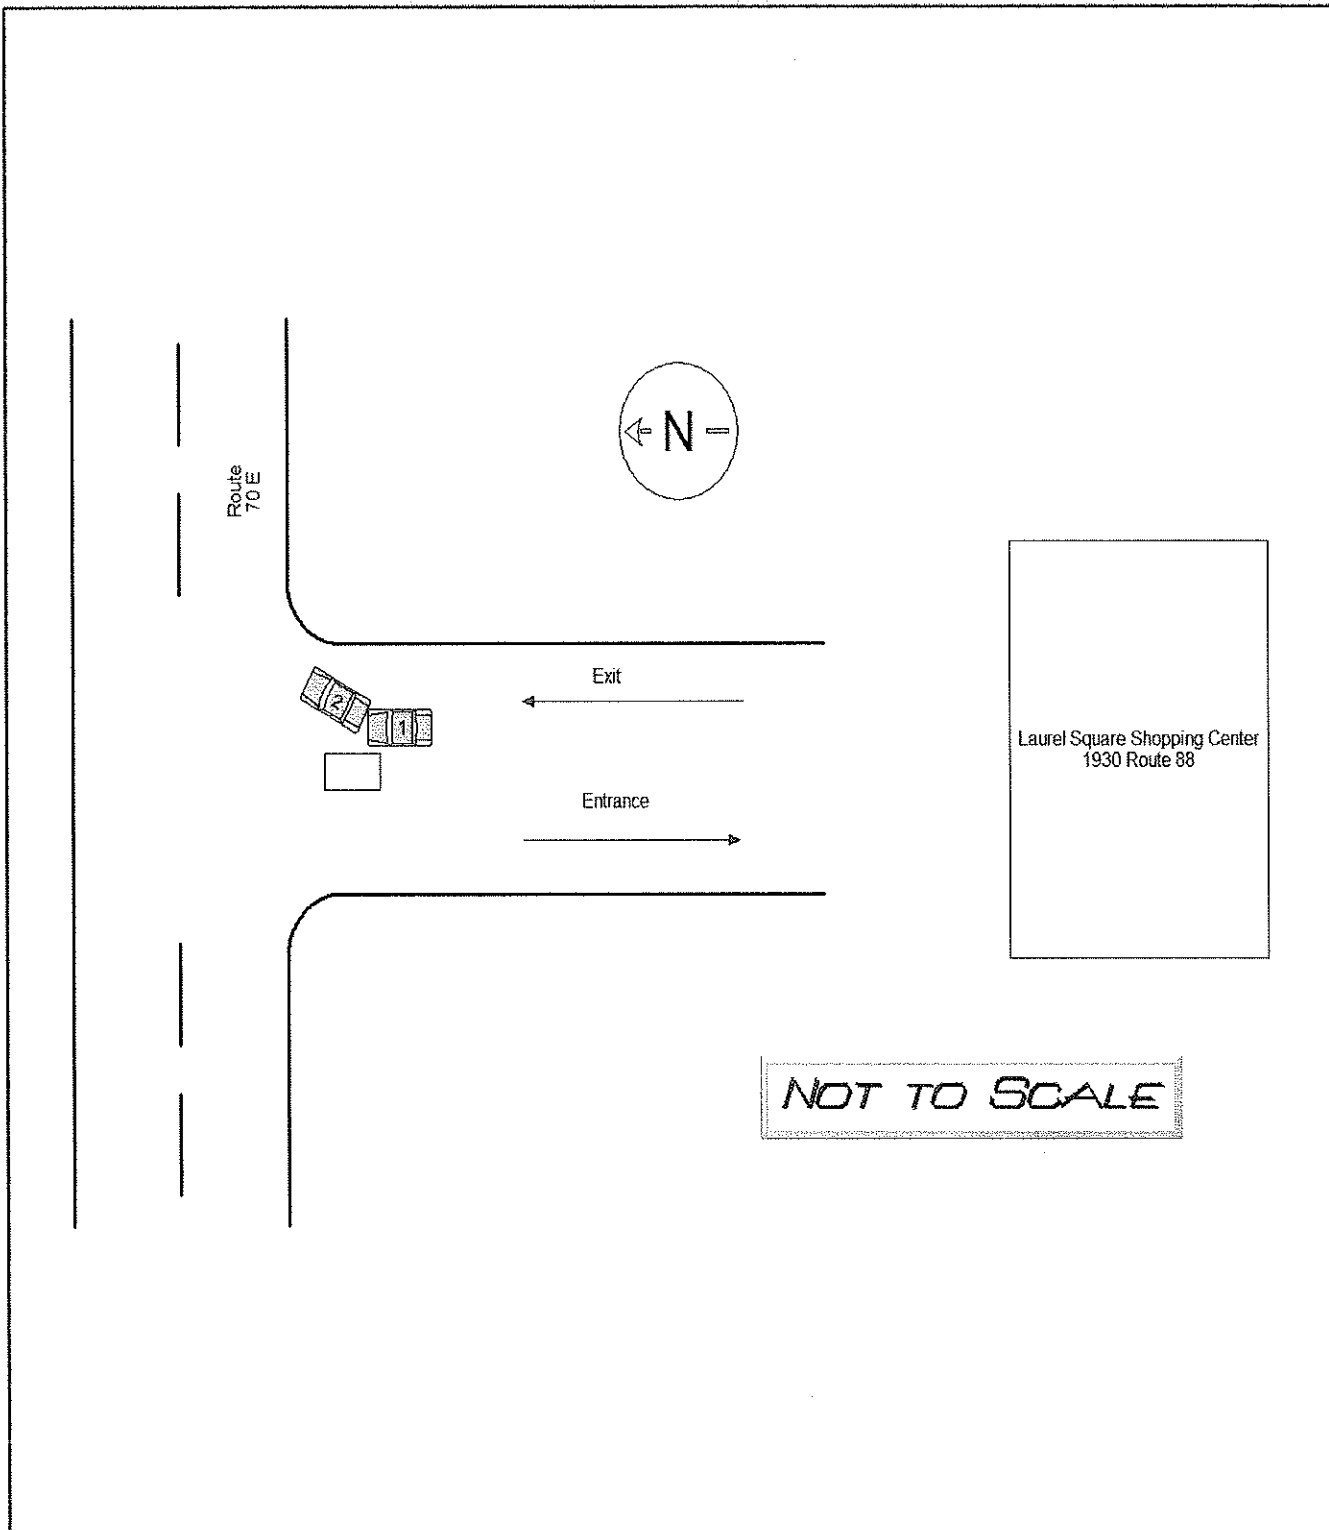

While on scene I observed a small scratch on Vehicle 2's driver side bumper which is indicative of Vehicle 1's license plate screw making contact on an angle. Driver 2 complained of neck pain, and subsequently refused medical treatment on the scene. Investigation on the scene suggested Vehicle 1 struck Vehicle 2 at a very minimal speed causing a scratch to the rear bumper. This officer finds Driver 1 at fault for this accident due to her inattention.

135 Crash Description

Crash occurred in the parking lot of Home Depot, located at 1722 RT 88.

Driver #2 advised he just pulled out of a parking space and entered into the "Customer Loading Zone," to pick up his merchandise. He stated the loading zone was clear and he proceeded to pull up; however while doing so, vehicle #1 started to back up into the loading zone. Driver #2 advised he accelerated in an attempt to avoid having his vehicle struck; however he could not get out of the way quick enough and was still struck.

Driver #1 stated he had just finished loading up his truck in the "Customer Loading Zone." He advised he looked to make sure the roadway was clear and it was, so he proceeded to pull out and perform a "K" turn in an attempt to turn around and go out the other way. He advised he pulled out into the lane of travel and came to a stop. He then proceeded to back up; however unbeknownst to him he did not see vehicle #1, which had pulled into the Customer Loading Spot behind him. He subsequently backed into vehicle #2.

Both driver's advised they were not injured.

It should be noted Home Depot does have surveillance cameras outside; however there was nobody available who would have access to them. Driver #2 observed the Loading Zone empty and could only assume vehicle #1, which just pulled out, was going to continue on his way. Driver #2 would have no reason to believe vehicle #1 was going to back up. Furthermore, driver #2 had just as much right to be in the Loading Zone as vehicle #2 did prior to the crash. Because of this, my determination is vehicle #1 is at fault for backing unsafely.

135 Crash Description

Vehicle 1 and 2 were traveling in the parking lot of Walmart (1872 RT 88). Vehicle 1 was parked in a parking space located in Row #8 facing south. Vehicle 2 was traveling straight ahead in an easterly direction in the travel lane between Row #8 and Row #9. Vehicle 1 proceeded straight ahead from its parking space and impacted Vehicle 2 causing the collision.

No injuries were reported and both vehicles were able to be driven away. The impact caused a total loss of air to the front driver side tire of Vehicle 2 which was replaced with a spare tire. Minor body damage was noted to both vehicles at the scene. It was determined that Driver 1 was the at-fault party and a summons for Careless Driving (39:4-97, E16 1187) was issued as a result.

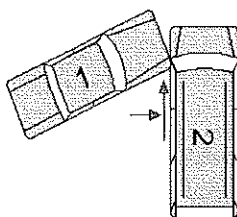

* Vehicle 1 Box #118: Driver 1 reported that his vision was hampered by the glare of the sun as well as an adjacent building with color similar to that of Vehicle 2. Driver 1 stated that he never saw Vehicle 2 prior to the crash due to those factors.

135 Crash Description

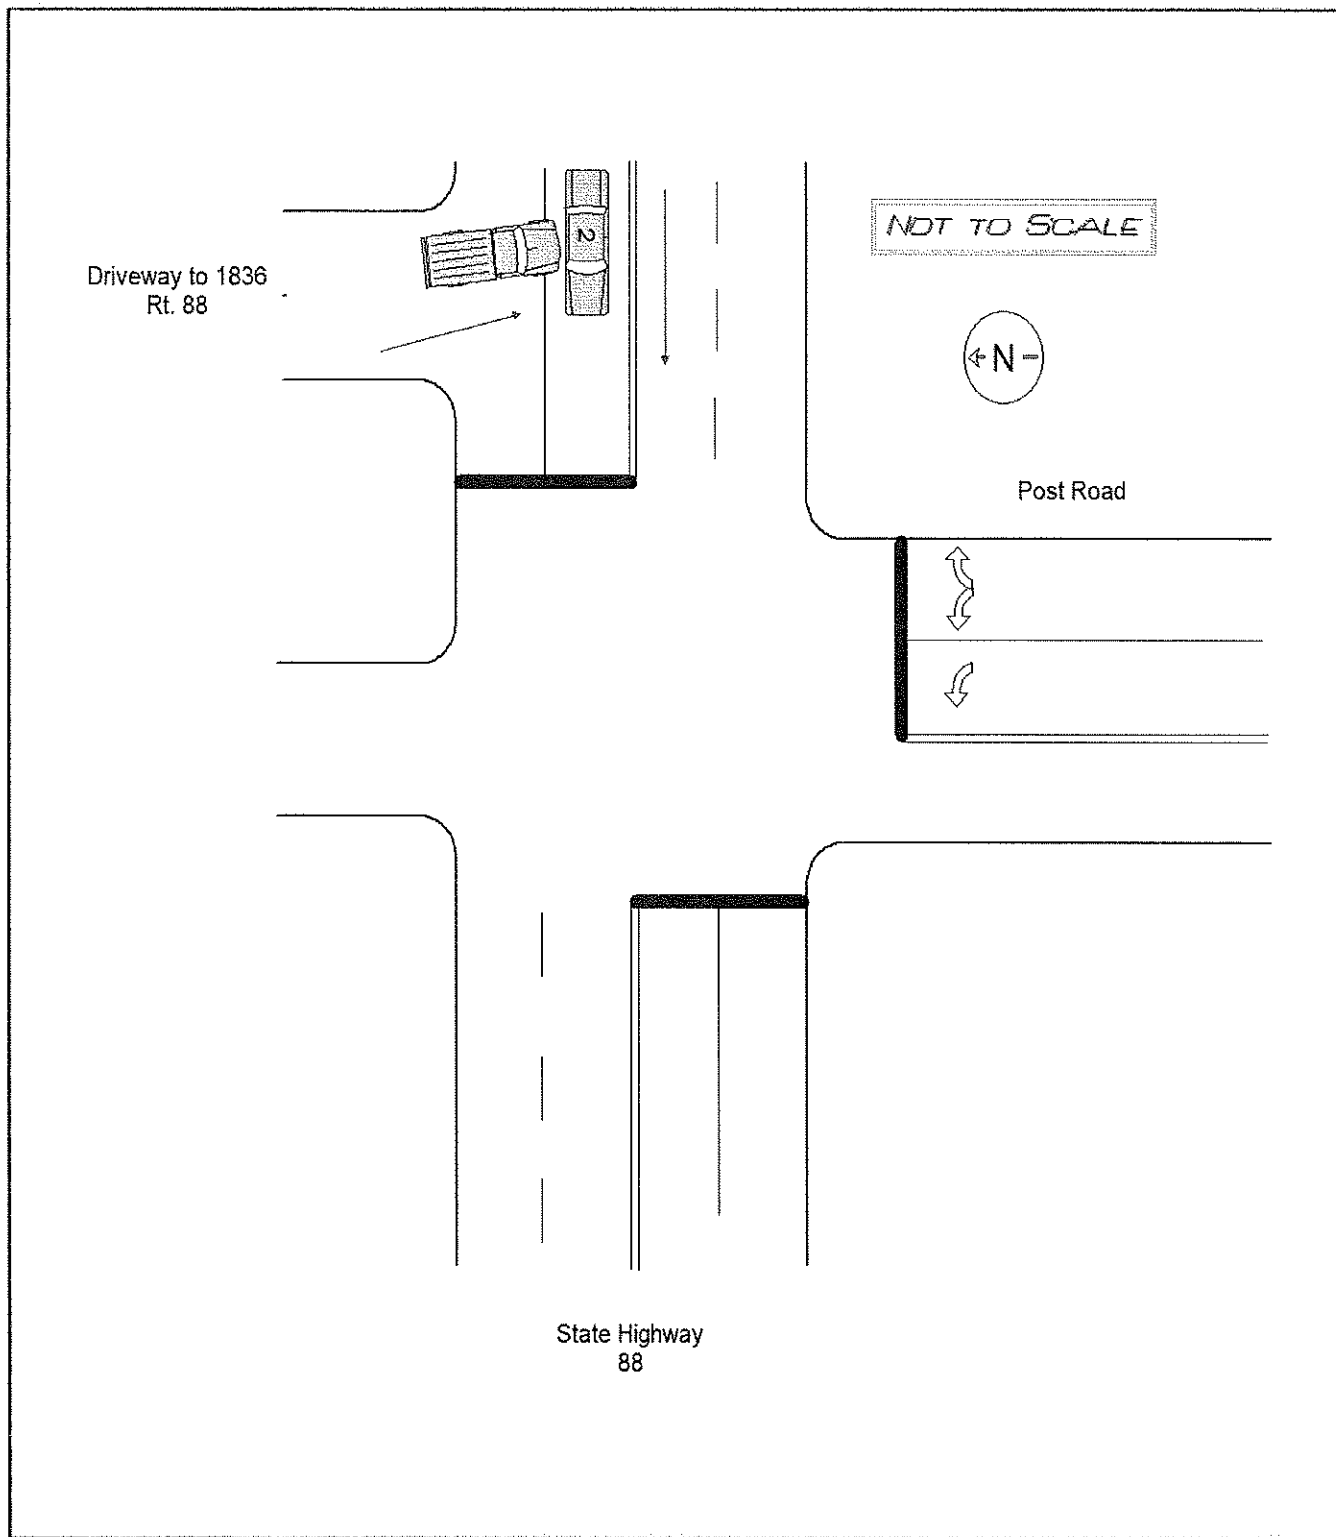

Vehicle 1 was attempting to exit the driveway of the Laurelton Baptist Church and turn left towards Rt. 88. Vehicle 2 was traveling on Rt. 88 approaching Post Rd. The crash occurred when vehicle 1 entered the roadway and impacted vehicle 2. On scene I observed damage to the front of vehicle 1 and the right middle of vehicle 2. 135 Crash Description

Vehicle 2 parked legally and unoccupied in parking spot in parking lot of the Walmart located at 1872 Route 88.

Vehicle 1 pulls into parking spot directly in front of Vehicle 2. Vehicle 1 pulls into spot too far and crashes into Vehicle 2. Driver of Vehicle 1 stated she was unaware she had crashed into Vehicle 2 until she exited the vehicle and observed her vehicle past the line for her parking spot and the contact between both vehicles.

Based on my investigation and observations on scene I determined Vehicle 1 to be at fault for the motor vehicle crash.
