135 Crash Description

Vehicle 2 was parked in the lot of Walmart (1872 Route 88) in the sixth space on the right hand side of row # 8. Owner of Vehicle 2 advised that sometime between 0830 hrs and 0900 hrs an unknown vehicle struck Vehicle 2 while parked in the same spot. Owner of Vehicle 2 left the area subsequent to discovering the damage to her vehicle and responded to BTPD Headquarters to file report later in the day (1358 hrs). Owner of Vehicle 2 contacted Walmart prior to filing report and was advised that the incident was possibly captured on store security camera system. A large dent with red paint transfer was observed in the area behind the rear driver side wheel of Vehicle 2.

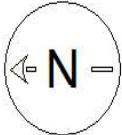

As part of this crash investigation, I responded to Walmart and met with store management. Store security cameras were checked in the area where Vehicle 2 was parked at the times mentioned earlier in this report. Camera coverage in the area was negative and no footage was available to assist or further this crash investigation. Nothing further regarding Vehicle 1 was available other than the red paint transfer observed to Vehicle 2.
