## 135 Crash Description

Vehicle #01 was parked in front of Home Depot, located at 1722 Route 88, directly in front of the store in the fire zone, next to the contractor pick up lanes. Driver of vehicle #01 stated that other vehicles were blocking the exit of the loading area, so he attempted to back out of the loading area in order to leave. While backing up, driver of vehicle #01 did not see a small dump trailer that was on display in the fire zone, and he proceeded to back into it. The rear right corner of the bumper on vehicle #01 struck the front latch of the trailer. The force of impact caused the trailer to move backwards approximately 3 (three) feet. Employees on location advised that although the trailer does not appear to be damaged, they are unsure if there is damage to the axle.

The manager on duty, Noy German, was advised of the accident. No injuries were reported at the scene. Vehicle #01 was not moved prior to police arrival.

|                                                                                        |                                                                                                                                              |
