135 Crash Description

Crash occurred in the parking lot of IHOP, located 1759 RT 88.

Driver #2 stated she was traveling south in the parking lot when she felt the car shake as if she hit a bump. She advised she continued to drive toward the Wind Mill, when she was stopped by driver #1 and advised of the accident.

Driver #1 stated she was traveling west on a side street between RT 88 and IHOP. She advised as she came up to the intersection, she came to a stop. She stated she looked both ways and saw it was clear, so she proceeded to make a left and vehicle #2 appeared and struck her vehicle.

All occupants of both vehicles advised they were not injured.

Based on the evidence presented to me, it appears as though vehicle #1 did stop to make sure it was clear. After looking both ways, Driver #1 assumed it was clear because her vision may have been obstructed by a parked vehicle. As she began to pull out; vehicle #2, which had the right of way, appeared and there was contact between both vehicles.
