135 Crash Description

Vehicle #1 had just caused a crash (See report C# 22445-15) and was fleeing the scene, traveling west in the lot of the Oxford Plaza (1715 Route 88). Vehicle #2 was backing out of a parking space in the Oxford Plaza as Vehicle #1 attempted to squeeze between Vehicle #2 and a curb. Vehicle #1 drove partially over the curb with it's passenger's side tires at about the same time it crashed into backing Vehicle #2. Vehicle #1 continued passed Vehicle #2 and entered onto Route 88 heading west bound.

The driver of Vehicle #2 stated he believed the driver and lone occupant was a male about in his (mid 50's). The only description he could give of Vehicle #1 was that it was a small silver vehicle, possibly with four doors and that it should have driver's side door damage. No debris was found in the area.

There were no witnesses to the crash on scene and no reported injuries.

Robert F Scelfo
