135 Crash Description

Vehicle 2 parked unoccupied in parking lot of Walmart located at 1872 Route 88. Vehicle 1 parked directly in front of Vehicle 2. An eyewitness stated that she observed the driver of Vehicle 1 back out of the parking spot and then get out of the vehicle. The driver then began to look for damage to his vehicle's front end and to the front end of Vehicle 2. The eyewitness stated that the male subject began to look around and then began to get back into his vehicle at which point she confronted him about leaving the scene of an accident. The eyewitness informed him that Vehicle 2 clearly had some damage and his car did not and that he should contact the driver of Vehicle 2. Driver of Vehicle 1 refused to attempt to contact the driver of Vehicle 2 and fled the scene.

I made contact with the Driver of Vehicle 2 who stated that her car had been parked there while she was at work in the Walmart and she was notified by the eyewitness of the accident. I observed damage to the license plate bracket and some minor scratches on the front bumper of Vehicle 2.

I responded to the address for Vehicle 1 and spoke with the driver. Driver of Vehicle 1 claimed that Vehicle 2 had crashed into his vehicle while parked and that his Vehicle was parked unoccupied at the time of the crash. I advised him that Vehicle 2 was parked well behind the white line for their parking spot and he admitted the he may have parked the front end of Vehicle 1 past the white line of his own parking spot. Driver of Vehicle 1 admitted to having spoken with the eyewitness and when asked why he fled the scene of the accident without informing the driver of Vehicle 2 he stated that he didn't believe there was enough damage to warrant reporting anything.

Based on my investigation and observations on scene I determined Vehicle 1 to be at fault for the motor vehicle crash.

This report completed by Ptl. Vendrell #228 of the Brick Township Police Department on 07/20/2015.
