135 Crash Description

Vehicle 2 was parked and unoccupied in the contractor pickup area in front of the Home Depot 1872 Rt 88.

Vehicle 1 was behind vehicle 2 and at some point made contact with the rear of vehicle 2. Vehicle 1 left the scene prior to Police arrival in a unknown direction.

I spoke with the driver of vehicle 2, Derek Konasiewicz who stated he parked his vehicle in the contractor pickup area in front of the Home Depot and entered the store for about ten minutes. Konasiewicz states when he exited the store he observed a beige GMC Sierra with NJ registration USP25P directly behind his vehicle. Konasiewicz did not see any vehicle contact made, but observed a white male subject staring at the rear bumper of his vehicle.

Konasiewicz observed very minor damage to the rear bumper of his vehicle, and while doing so the male subject who was standing outside when Konasiewicz exited the Home Depot then got into the GMC Sierra NJ-USP25P and left the area.

Local check through DMV on NJ USP25P revealed the registered owner as follows : Michael Applegate 43 Morris Ave. Manasquan, NJ 08736 on a 2003 beige GMC Sierra pickup. Dispatch contacted Manasquan Police Department in an attempt to contact Applegate , they made contact with Applegate. Applegate advised that he was not driving the vehicle but his friend Joseph Vivo was driving.

Konasiewicz is renting and insuring vehicle 2 from Enterprise Rent a Car- 609 RT72 Manahawkin, NJ 08050 (609)597-2277.

I spoke with Joseph Vivo who stated he was the driver of vehicle 1. Vivo states he pulled into the Home Depot contractor pickup area and observed vehicle 2 parked in front of him. Vivo states he did not make any contact with vehicle 2 so he left the area. I was able to visually check vehicle 1 and observed no damage.

Due to conflicting stories of both parties involved I was unable to determine who was at fault and if there even was an accident.

135 Crash Description

Vehicle 1 was at the exit/entrance of the Wendy's 101 Jack Martin Blvd waiting to exit and turn left into the travel lane Southbound for the Walmart parking lot.

Vehicle 2 was traveling North through the travel lane of Walmart approaching the entrance/exit of Wendy's.

Vehicle 1 then made the left turn out of the Wendys and began traveling south through the travel lane of Walmart as vehicle 2 was traveling north also through the travel lane. While both vehicles were traveling in opposite directions the driver side mirrors came into contact with each other. There was no damage observed to the side view mirror of vehicle 1, however the side view mirror of vehicle 2 was cracked. There were no reported injuries at the scene.

The driver of vehicle 1 stated he made the left out of the Wendy's exit and began traveling south. He stated he thought the driver of vehicle 2 accelerated towards his vehicle at a high rate of speed, and both driver side view mirrors came in contact with each other.

The driver of vehicle 2 stated he was traveling north in the travel lane of Walmart and observed vehicle 1 turn left in front of his vehicle which caused both driver side view mirrors to collide.

135 Crash Description

Vehicle two was parked and left unattended in a designated parking space facing North in the Walmart Parking lot. Vehicle one struck vehicle two in the passenger side door with an unknown part of vehicle one and departed the area. I observed a ten inch dent and white paint transfer on the passenger side door of vehicle two. I spoke with Walmart management who advised Brick Police will be contacted on 1/31/2015 by loss prevention personnel who will have access to the video of the parking lot. It was determined that vehicle two was safe to drive and was driven from the scene.

135 Crash Description

Vehicle #1 was stopped at a marked stop sign at the exit of 1506 Route 88, attempting to make an illegal left turn. Vehicle #2 was traveling East Bound on Route 88, in the area of Brick Hospital.

The driver of Vehicle #1 failed to observe that Vehicle #2 was traveling on Route 88, in the marked East Bound lane of travel. The driver of Vehicle #1 then made the illegal left turn directly in front of Vehicle #2, striking it's drivers side.

Both vehicles were damaged and had to be towed from the accident scene. No injuries were reported.

The driver of Vehicle #1 advised me that he never observed Vehicle #2 and pulled out of Brick Hospital directly in front of the other vehicle. He advised me that he also failed to observe the posted "No Left Turn" sign. The driver of Vehicle #1 was issued a summons for Careless Driving.

135 Crash Description

Vehicle 2 was stopped at the stop sign exiting the Walmart parking lot. Vehicle 1 was stopped in traffic behind Vehicle 2, attempting to merge into traffic.

Vehicle 1 struck the rear of Vehicle 2, as they were stopped in traffic at the stop sign. After the collision, Vehicle 2 pulled off the side of the road and waved Vehicle 1 over. Vehicle 1 continued down Jack Martin Blvd. and did not stop.

Driver of Vehicle 2 was able to obtain the license plate of Vehicle 1.

I contacted Lakewood PD to talk to the driver of Vehicle 1. Lakewood PD advised the Driver of Vehicle 1 stated he was in the area, but was not involved in a motor vehicle crash. Lakewood PD stated they did not observe any damage to the bumper of Vehicle 1. Lakewood PD was unable to obtain the insurance information or phone number of Driver 1.

No injuries were reported at the time of this incident.

135 Crash Description

This crash took place in the parking lot of Walmart (1872 Route 88) in the area between rows #4 and #5. Traffic conditions within the parking lot were heavy and the parking spaces in the area of the collision were filled at the time of this report. Vehicle 1 and 2 moved from the area of impact prior to police arrival and both drivers advised that they pulled forward into their prior parking spaces.

Driver 1 stated that she entered her vehicle, turned the ignition, and checked the rear view and side mirrors in preparation for backing from the parking space. After observing the area behind her vehicle was clear, Driver 1 proceeded backing and felt an impact after backing for a very short distance. Driver 1 estimated that she had only backed about 2 to 3 feet before impact. Driver 1 made no statement with respect to maintaining observation of the area behind her vehicle while backing.

Driver 2 stated that she entered her vehicle, turned the ignition, and checked the rear view and side mirrors prior to backing from the parking space. After observing the area behind her vehicle was clear, she proceeded backing from the parking space. After backing enough distance to proceed forward travel, Driver 2 was in the process of shifting the transmission from reverse to drive when she felt an impact from behind.

As a result of information supplied by Driver 1 and Driver 2 along with damage observed to both vehicles, it was determined that this crash was the result of Vehicle 1 impacting Vehicle 2 while backing. Although Driver 1 initially checked the area behind Vehicle 1 prior to backing, Driver 1 failed to maintain observation of the area to ensure it remained clear.

Minor damage was noted to both vehicles and both were able to be driven away. No injuries were reported by either involved party at the time this report was submitted.

135 Crash Description

Vehicle 1 (Flatbed Tow Truck) was parked facing northbound in the parking lot of Route 88 Service Center (1651 RT 88) with the front half of the vehicle blocking the eastbound lane of travel of Route 88. The operator of the vehicle was outside of the vehicle after dropping off the vehicle it was previously towing. Vehicle 2 was traveling eastbound on Route 88 west approaching parked vehicle 1. The driver of vehicle 2 stated he did not notice the tow truck blocking the roadway due to the dark street conditions and vehicle 1 being black. The driver of vehicle 2 further stated when he finally did notice that the roadway was blocked by vehicle 1, he applied the brakes but was unable to stop in time. Vehicle 2 collided with vehicle 1 at a right angle causing damage to the front end of vehicle 2 as well as damage to the driver's side front tire area of vehicle 1. According to the operator of vehicle 1, several cars approached his tow truck and drove around it before vehicle 2 as he unloaded the towed vehicle. The operator of vehicle 1 further stated when he noticed vehicle 2 not shifting lanes to go around the parked vehicle he attempted to flag the driver over with his hands unsuccessfully. Vehicle 1 was equipped with an amber overhead light bar which was activated at the time of the accident. The overhead light bar was located on the section of the tow truck which was directly over the shoulder of Route 88 with only the side profile visible to traffic approaching in either direction.

The passenger of vehicle 2 had a complaint of chest pain as a result of the accident and was subsequently transported to Ocean Medical Center by Brick Police First Aid.

135 Crash Description

Vehicle 1 was exiting the parking lot of 1799 Rt. 88 attempting to turn right on to Rt. 88. The crash occurred when the trailer of vehicle 1 impacted the guard rail alongside the parking lot. Vehicle 1 left the area.

A witness on scene who wished to remain anonymous stated a Keily Construction Company truck with a trailer cut through the parking lot then impacted the guard rail as it was exiting. There was a debris trail leading to the next parking lot however the vehicle was unable to be located.

Security cameras from 1809 Rt. 88 Suite C showed a Keily Construction Company truck with trailer enter the next parking lot at 1749 hours. No license plate was visible.

The New Jersey Department of Transportation was contacted and needed to respond to remove the guard rail from the road.

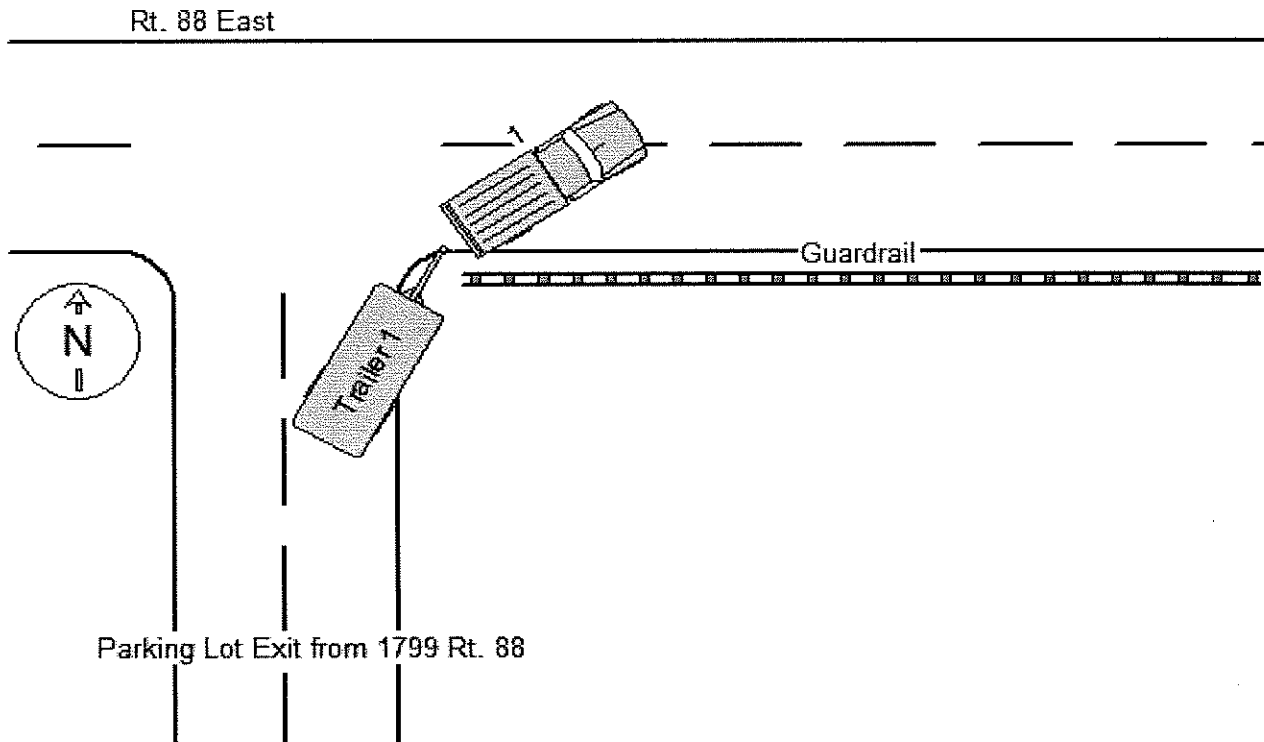

I was able to speak with Keily supervisor Robert Hart (732-298-4716) and emailed him the photos of the truck. Hart stated he would attempt to identify the vehicle and the driver and would contact me with any information. On 12/23/14 I was again able to speak with Hart who stated he was identifying the driver and would call me with information.

135 Crash Description

Vehicle 01 traveled north backwards into Vehicle 02 in the parking lot of Walmart 1872 Rt 88.

Driver of Vehicle 01 stated he had backed out of his parking space when Vehicle 02 backed into him from the opposite side.

Driver of Vehicle 02 stated she had backed out of her parking space and stopped approximate 10 feet when she observed Vehicle 01's reverse lights go on opposite of her and back towards her quickly. Driver of Vehicle 02 stated she didn't have enough time to pull forward before Vehicle 01 struck the right rear of her Vehicle.

I was able to view the security cameras of Walmart observing approximate 20 parking spaces east of the front doors that Vehicle 02 had traveled south backwards and then came to a stop approximate 10 feet. I then observed Vehicle 01 parked across from Vehicle 02 back out quickly and struck stopped Vehicle 02.

135 Crash Description

Pedestrian 1 had just exited the front passenger seat of Vehicle 1, after it had dropped her off at the front of the IHOP at 1759 Rt 88. Upon exiting the vehicle, Pedestrian 1 did not realize she had shut the door of the vehicle on her coat, and when Driver 1 went to pull away towards a nearby parking spot, Pedestrian 1 got pulled by the vehicle, falling to the ground. Pedestrian 1 was dragged a short distance and soon broke free of the vehicle. Upon my arrival Pedestrian 1 was laying prone on her left side. A group of people had formed around her to blanket her from the rain. Pedestrian 1 had an apparent bleeding head injury above her left eye, but was able to speak with me coherently. She had a complaint of pain in her left arm and left leg/ankle. Pedestrian 1 was transported to Jersey Shore Medical Center for treatment of her injuries.

135 Crash Description

Pedestrian 1 had just exited the front passenger seat of Vehicle 1, after it had dropped her off at the front of the IHOP at 1759 Rt 88. Upon exiting the vehicle, Pedestrian 1 did not realize she had shut the door of the vehicle on her coat, and when Driver 1 went to pull away towards a nearby parking spot, Pedestrian 1 got pulled by the vehicle, falling to the ground. Pedestrian 1 was dragged a short distance and soon broke free of the vehicle. Upon my arrival Pedestrian 1 was laying prone on her left side. A group of people had formed around her to blanket her from the rain. Pedestrian 1 had an apparent bleeding head injury above her left eye, but was able to speak with me coherently. She had a complaint of pain in her left arm and left leg/ankle. Pedestrian 1 was transported to Jersey Shore Medical Center for treatment of her injuries.

135 Crash Description

Vehicle 1 parked in parking spot in parking lot of 1743 Route 88. Vehicle 2 traveling westbound in same parking lot. Vehicle 1 begins to back out of parking spot and does not observe Vehicle 2 traveling in lane behind them. Vehicle 1 crashes into Vehicle 2. Driver of Vehicle 2 stated that they activated their horn to alert Vehicle 1 that they were going to crash into them but Vehicle 1 did not stop. Driver of Vehicle 1 stated that they were backing out of the parking spot and did not see or hear the horn from Vehicle 2 in time to prevent crashing into them. Based on my investigation and observations on scene I determined Vehicle 1 to be at fault for the motor vehicle crash.

135 Crash Description

Vehicles 1 and 2 exiting the Brick Professional Complex located at 1608 RT88. Vehicle 2 was stopped behind Vehicle 1. Vehicle 1 began to reverse direction in the driveway, backing over a curb with the rear right tire and colliding into the front of Vehicle 2 (which was still stopped).

Driver of Vehicle 2 stated she was stopped at the exit when Vehicle 1 suddenly began backing over the curb and into her vehicle. After checking the damage, the driver of Vehicle 1 told her that she was attempting to read a sign, and had to back up to do so. She then told driver of Vehicle 2 that she could not wait for police to arrive because she had a doctor's appointment. The driver of Vehicle 1 then left the scene.

Driver of Vehicle 2 was able to locate where Vehicle 1 had parked in the complex so the reporting Officer could obtain Vehicle 1 information for report purposes.

Driver of Vehicle 1 gave the same account of the events as the driver of Vehicle 2.

No injuries were reported by either party. Driver of Vehicle 1 was issued Motor Vehicle Summons number 1506-E14-010077 for Improper Backing (39:4-127). Both vehicles were driven from the scene.

135 Crash Description

Vehicle 1 was pulling up to the bus stop in front of the Walmart store on Route 88. Vehicle 2 was illegally parked in a no-parking zone in front of Walmart. Driver 1 was aware of Vehicle 2 where it was parked and was pulling in wide to avoid colliding with Vehicle 2, and as a result had to go into the oncoming lane slightly as it attempted to park around Vehicle 2.

An uninvolved vehicle proceeding through the Walmart parking lot had pulled out of a parking row into the lane that Vehicle 1 was slightly encroaching upon. As a result Driver 1 pulled abruptly to the right to avoid the uninvolved vehicle and collided with Vehicle 2.

Vehicle 2 had a passenger in seat 3, and another juvenile passenger in a child restraint in seat 6.

135 Crash Description

Vehicle #1 indicated he was driving in the parking lot of 1623 Route 88 approaching the entrance to Route 88. The curb in the parking lot turns sharply out when approaching the entrance of Route 88. Driver #1 failed to see the curb striking it with his front left tire blowing it out. I observed the flat tire.
