135 Crash Description

Vehicle 1 backing out of parking spot in parking lot of 1743 Route 88. Vehicle 2 traveling through parking lot of 1743 Route 88. Driver of Vehicle 1 stated that they did not see Vehicle 2 coming through the parking lot due to a high rate of speed of Vehicle 2. Driver of Vehicle 2 stated that they were traveling eastbound through the parking lot at a normal rate of speed when Vehicle 1 began to back out of the parking spot. Driver of Vehicle 2 stopped and used their horn to alert Vehicle 1 that they were there but Vehicle 1 was in the process of backing and continued until it collided with Vehicle 2.

One eyewitness stated that Vehicle 2 was traveling at a high rate of speed and that Vehicle 1 was already backed out of the spot and Vehicle 1 collided into Vehicle 2.

Second eyewitness stated that Vehicle 2 was traveling through the parking lot and as Vehicle 1 started to back out Vehicle 2 stopped prior to Vehicle 1 and used their horn but Vehicle 1 continued backing and collided into Vehicle 2 which was stopped at the moment of impact. Witness statements were completed for both witnesses.

Damage to both vehicles was consistent with a low speed crash and not a high impact crash. Based on my investigation and observations on scene I determined Vehicle 1 to be at fault for the motor vehicle crash.
