## 135 Crash Description

Vehicle #2 was parked in the parking lot of 1715 Rt 88. The driver of Vehicle #2, Raymond Carlson, stated that he was assisting another vehicle using jumper cables and that was why his vehicle was turned outward on the angle that it was in the parking space. Carlson continued to state that was the only way the jumper cables would reach from his car to the other vehicle. The driver of Vehicle #1 stated that there was no other spots in the parking lot so she attempted to pull around and park next to Vehicle #2. The driver of vehicle #1 stated that while pulling into the parking spot the right rear of vehicle #1 side swiped the left lower rear of vehicle #2.

\*Vehicle #2 had a temporary registration tag of H114362.

Both parties were advised of report/complaint procedures.
