135 Crash Description

The driver of vehicle number two stated while her vehicle was parked, unoccupied, vehicle number one struck it in the lower rear passenger side bumper. She stated when she came out to her vehicle she noticed a note on her windshield. She stated the note was from a witness who stated he observed the crash and provided vehicle number one's license plate.

After speaking with the driver of vehicle number two, I responded to the registered owner's address for vehicle number one. Upon arrival I spoke with Maria Reis. She stated while she was attempting to exit her parking space she brushed the rear bumper of vehicle number two with her vehicle. She stated she did not think she caused any damage and left the scene. She stated she knew she brushed the bumper of vehicle number two but thought everything was fine.

Very minor scuff marks to both vehicles.
