135 Crash Description

Vehicle 1 traveling Route 88 W/B going straight ahead Pedalcyclist 2 traveling along the bicycle lane of Route 88 W/B also going straight ahead. As Vehicle 1 passed the entrance to the Honey Tree Day Care (1450 Route 88), Vehicle 1 failed to negotiate the slight curve and proceeded to travel along the shoulder of the roadway. Vehicle 1 subsequently struck Pedalcyclist 2. Vehicle 1 continued travel and left the roadway crossing a dirt path onto the grass. Vehicle 1 eventually came to rest after impacting a tree a short distance from the area across from Pinewood Park. A rough measurement taken at the scene showed Vehicle 1 traveled approximately 114 feet after leaving the roadway.

According to EMT's and Paramedics at the scene, Driver 1 was convulsing upon their arrival and appeared to be suffering from a seizure. Driver 1 was incoherent at the scene and had no recollection of the incident. Driver 1 was transported to Ocean Medical Center by Brick Police EMS. Pedalcyclist 2 complained of pain to his left shoulder as a result of impacting the ground and refused medical attention at the scene.

I spoke with Driver 1 afterwards at Ocean Medical Center and Driver 1 advised that he had a prior history of seizures for which he was taking medication for. Driver 1 further stated that he had just recently had his driving privileges restored after having no seizures for a period of one year.

As a result of this investigation, Driver 1 was issued a summons for Failure To Maintain Lane (39:4-88b, T-133971). A third party witness observed the crash and a witness statement was obtained at the scene. The witness statement was submitted along with this report. In addition, a Medical Evaluation Request was submitted for Driver 1 based on Driver 1's prior history and the circumstances surrounding this crash.
